JULIEN

11 Clover, does Maurice seem... more 11
miserable than usual?

17

0189

18

0014-2
Define "usual."

19

0190

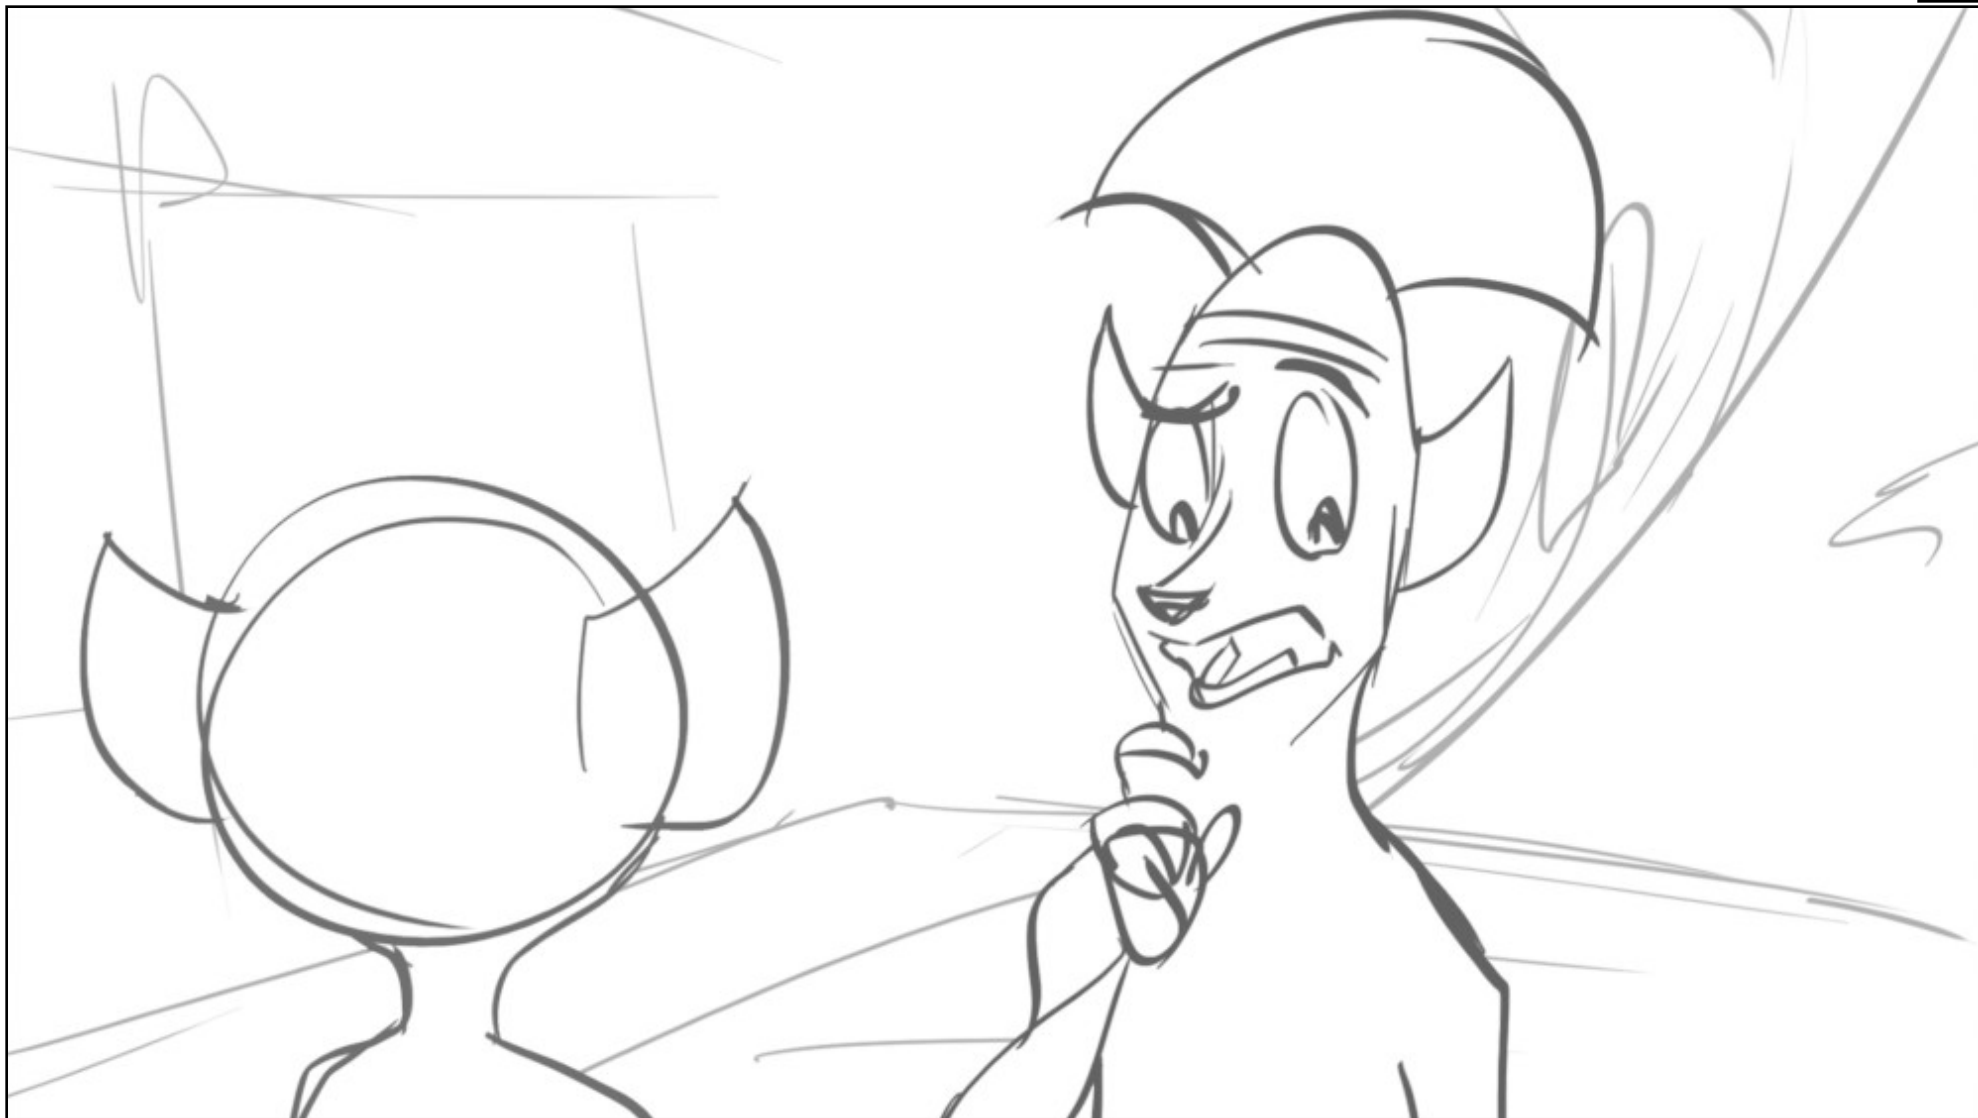

20

0015

I wonder if it's because of the 13
conversation we had yesterday.

JULIEN (CONT'D)
14 Yes, you're my advisor, 14

26

0021-2
but did you really think

27

0022-2
I'd take
your advice?

28

0023-2
Buddy, you
are a treasure.

I'm probably just overreacting.
Still, he is my best friend, and

48

0033-2
despite really wanting to take a
nap

49

0034-2
I feel like I should help him.

50

0035-2
I feel like I should help him.

51

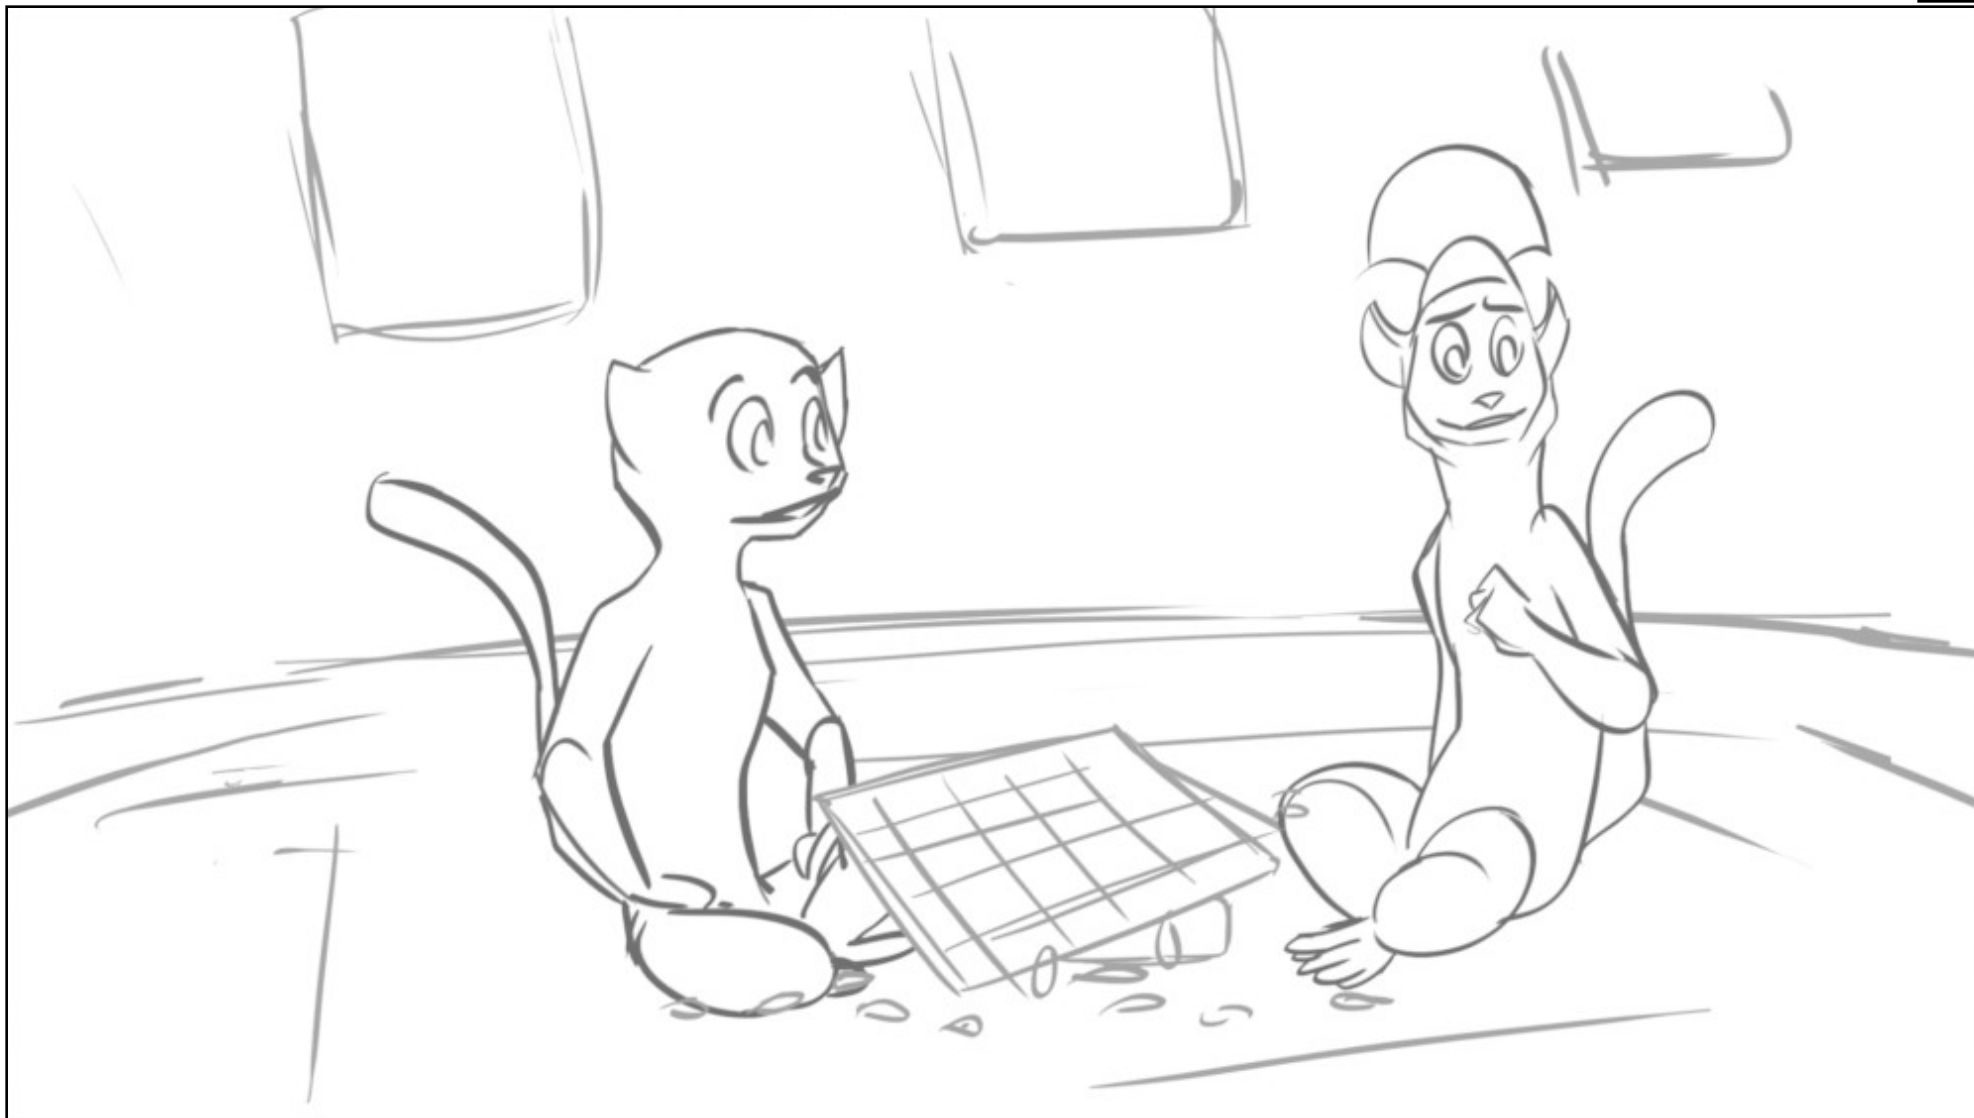

0201

52

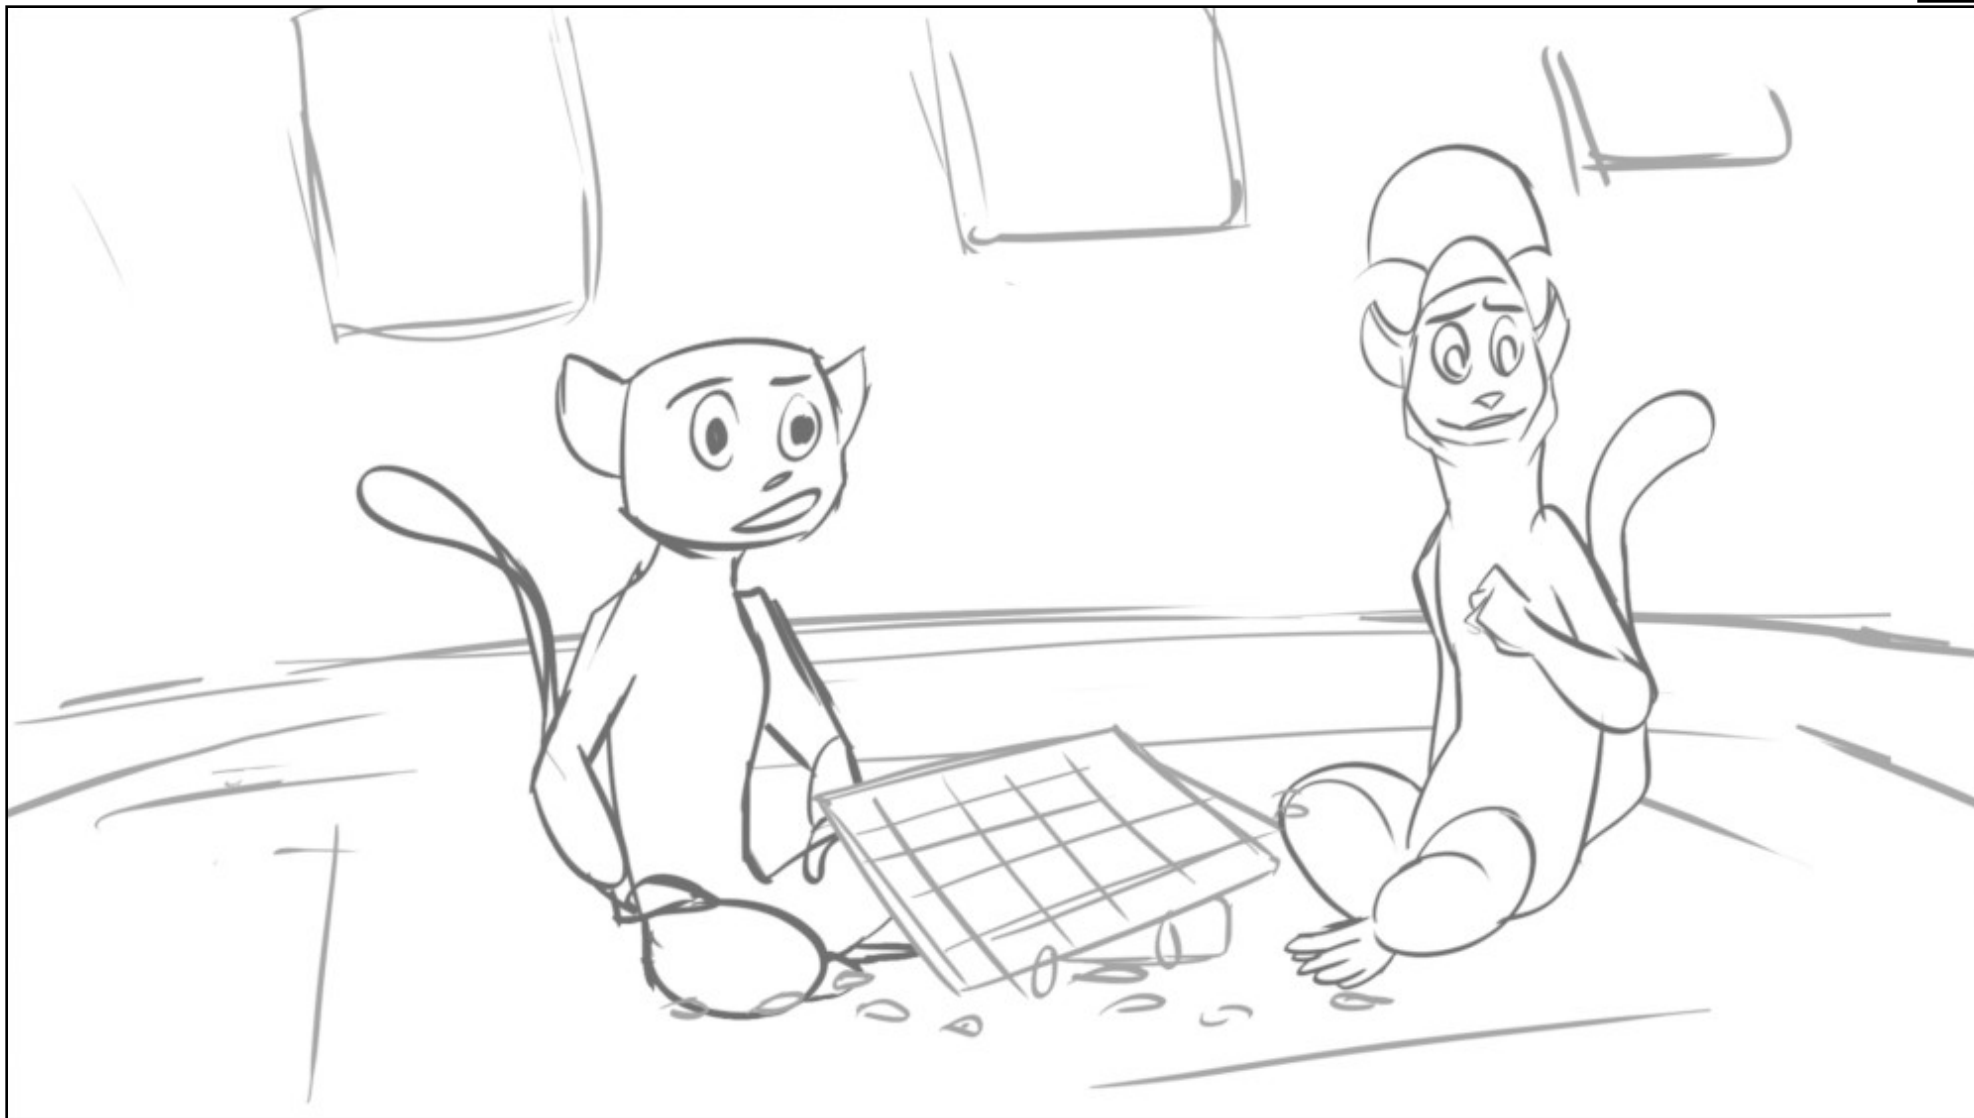

0202

53

0036-2
You could give him a position of
importance

54

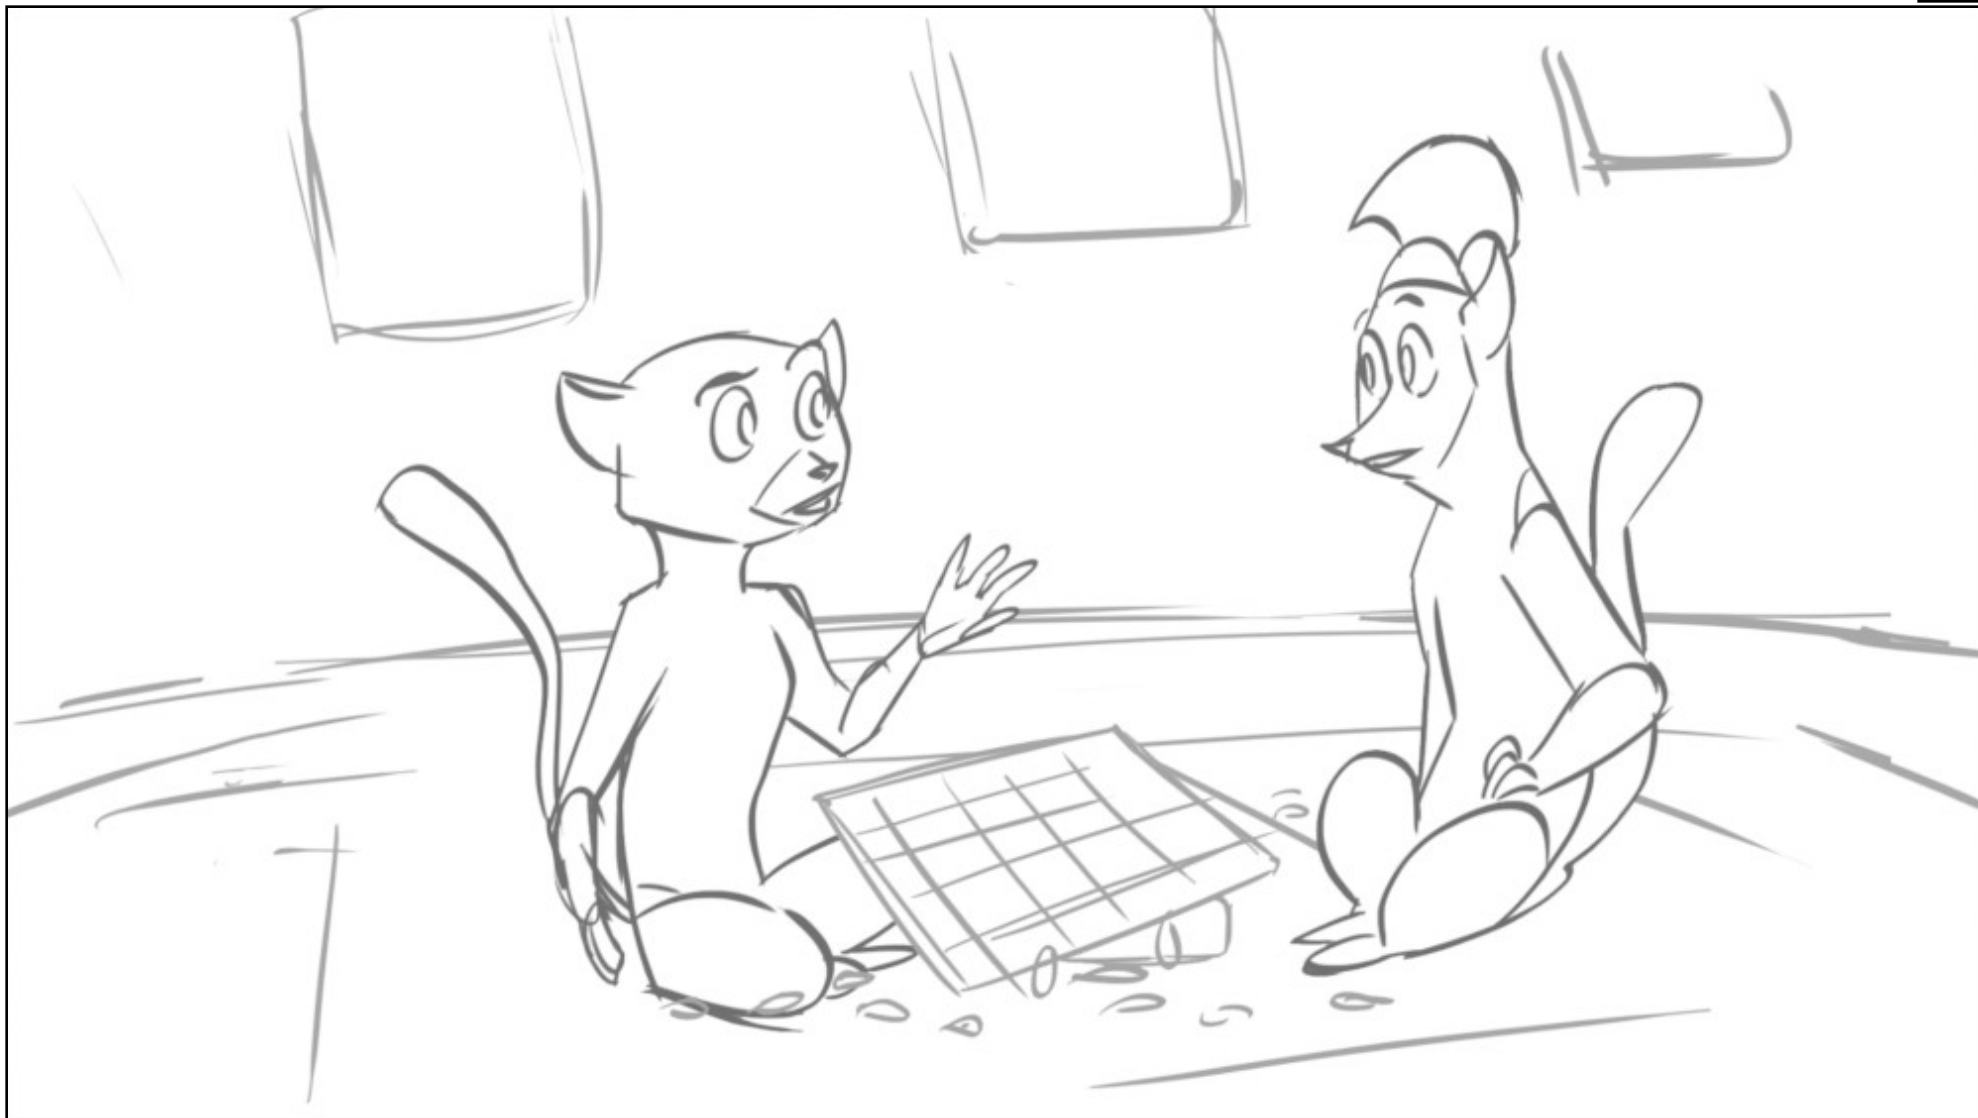

0037-2
that although useless,
would give Maurice

55

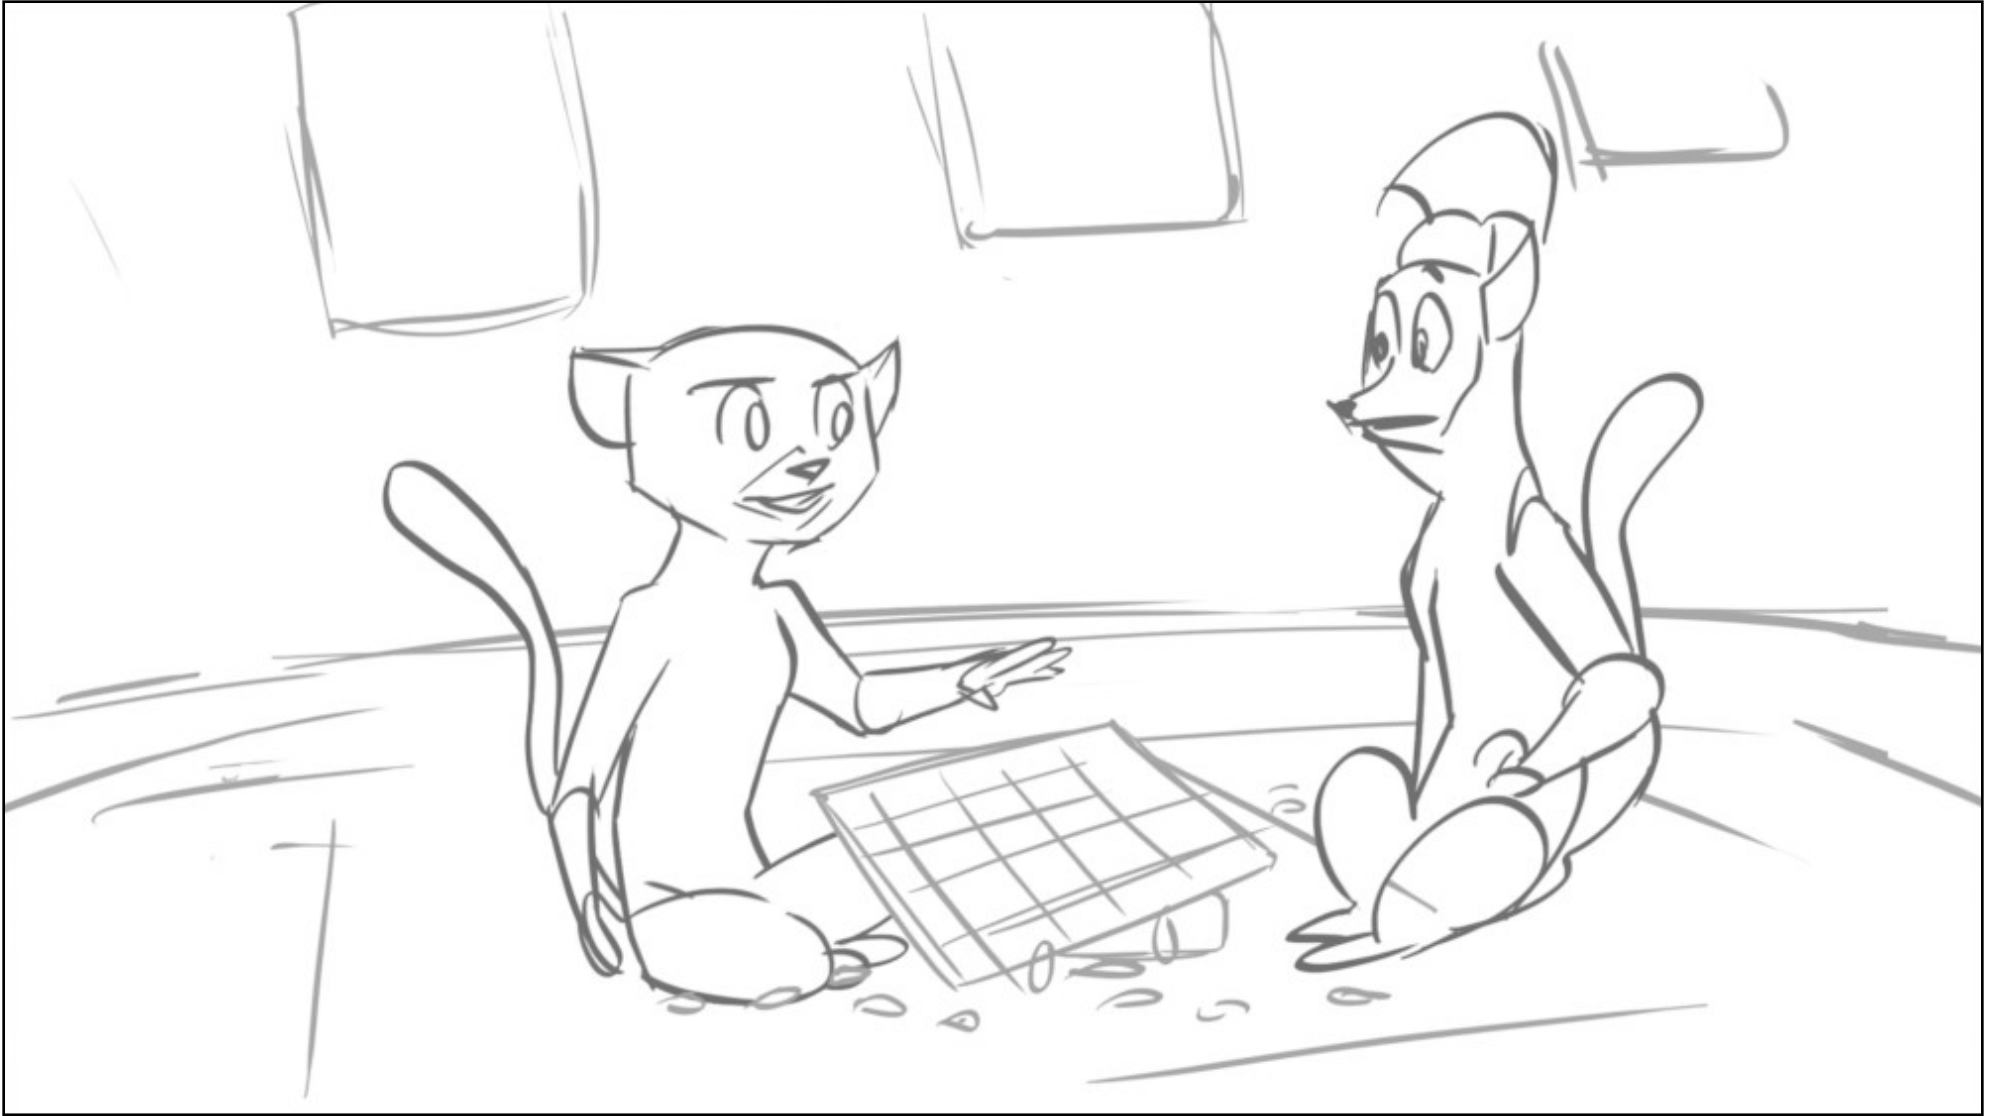

0038-2
the validation
he so desperately craves from you.

63

0041-2
Absolutely..

64

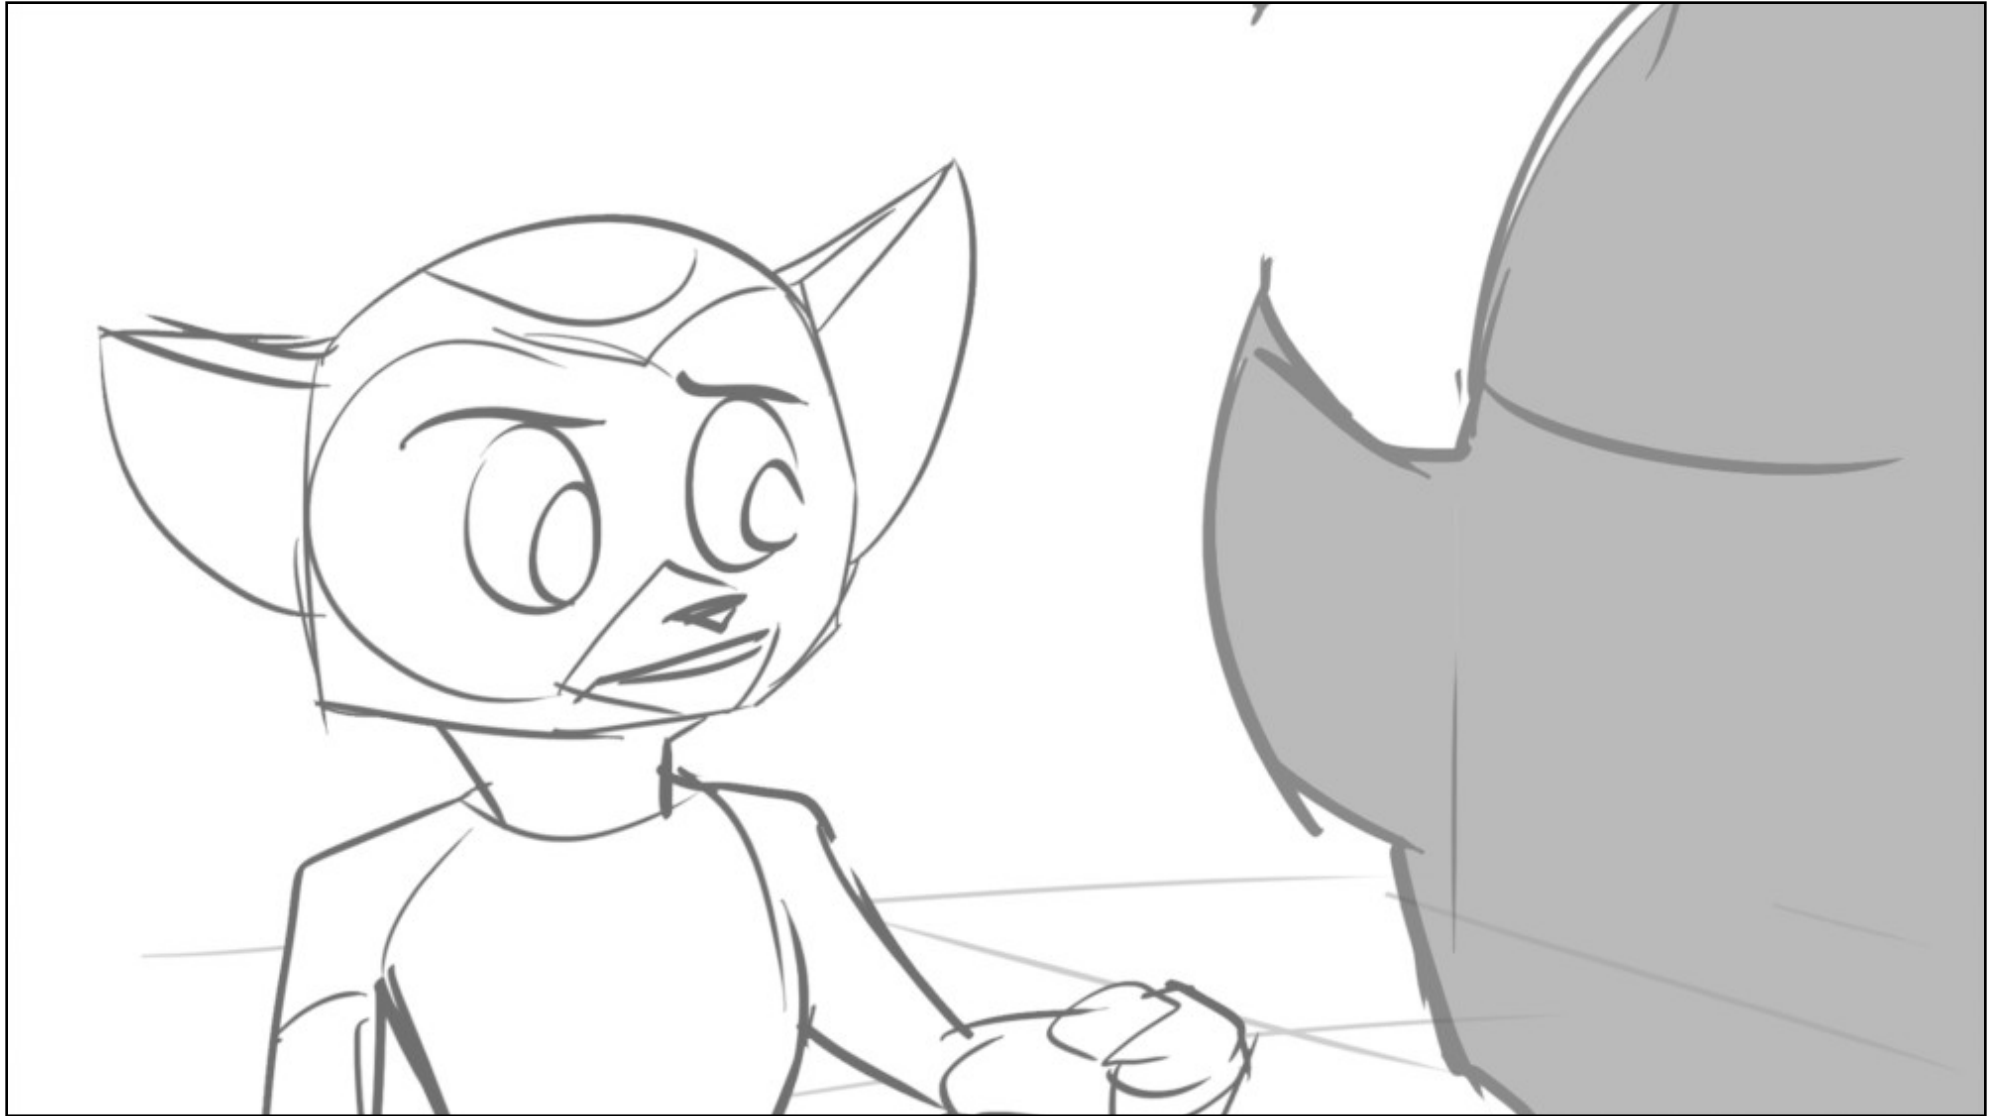

0042-2
But he has to believe
it's real.

65

0043-2
There needs to be
something like...

66

0208

67

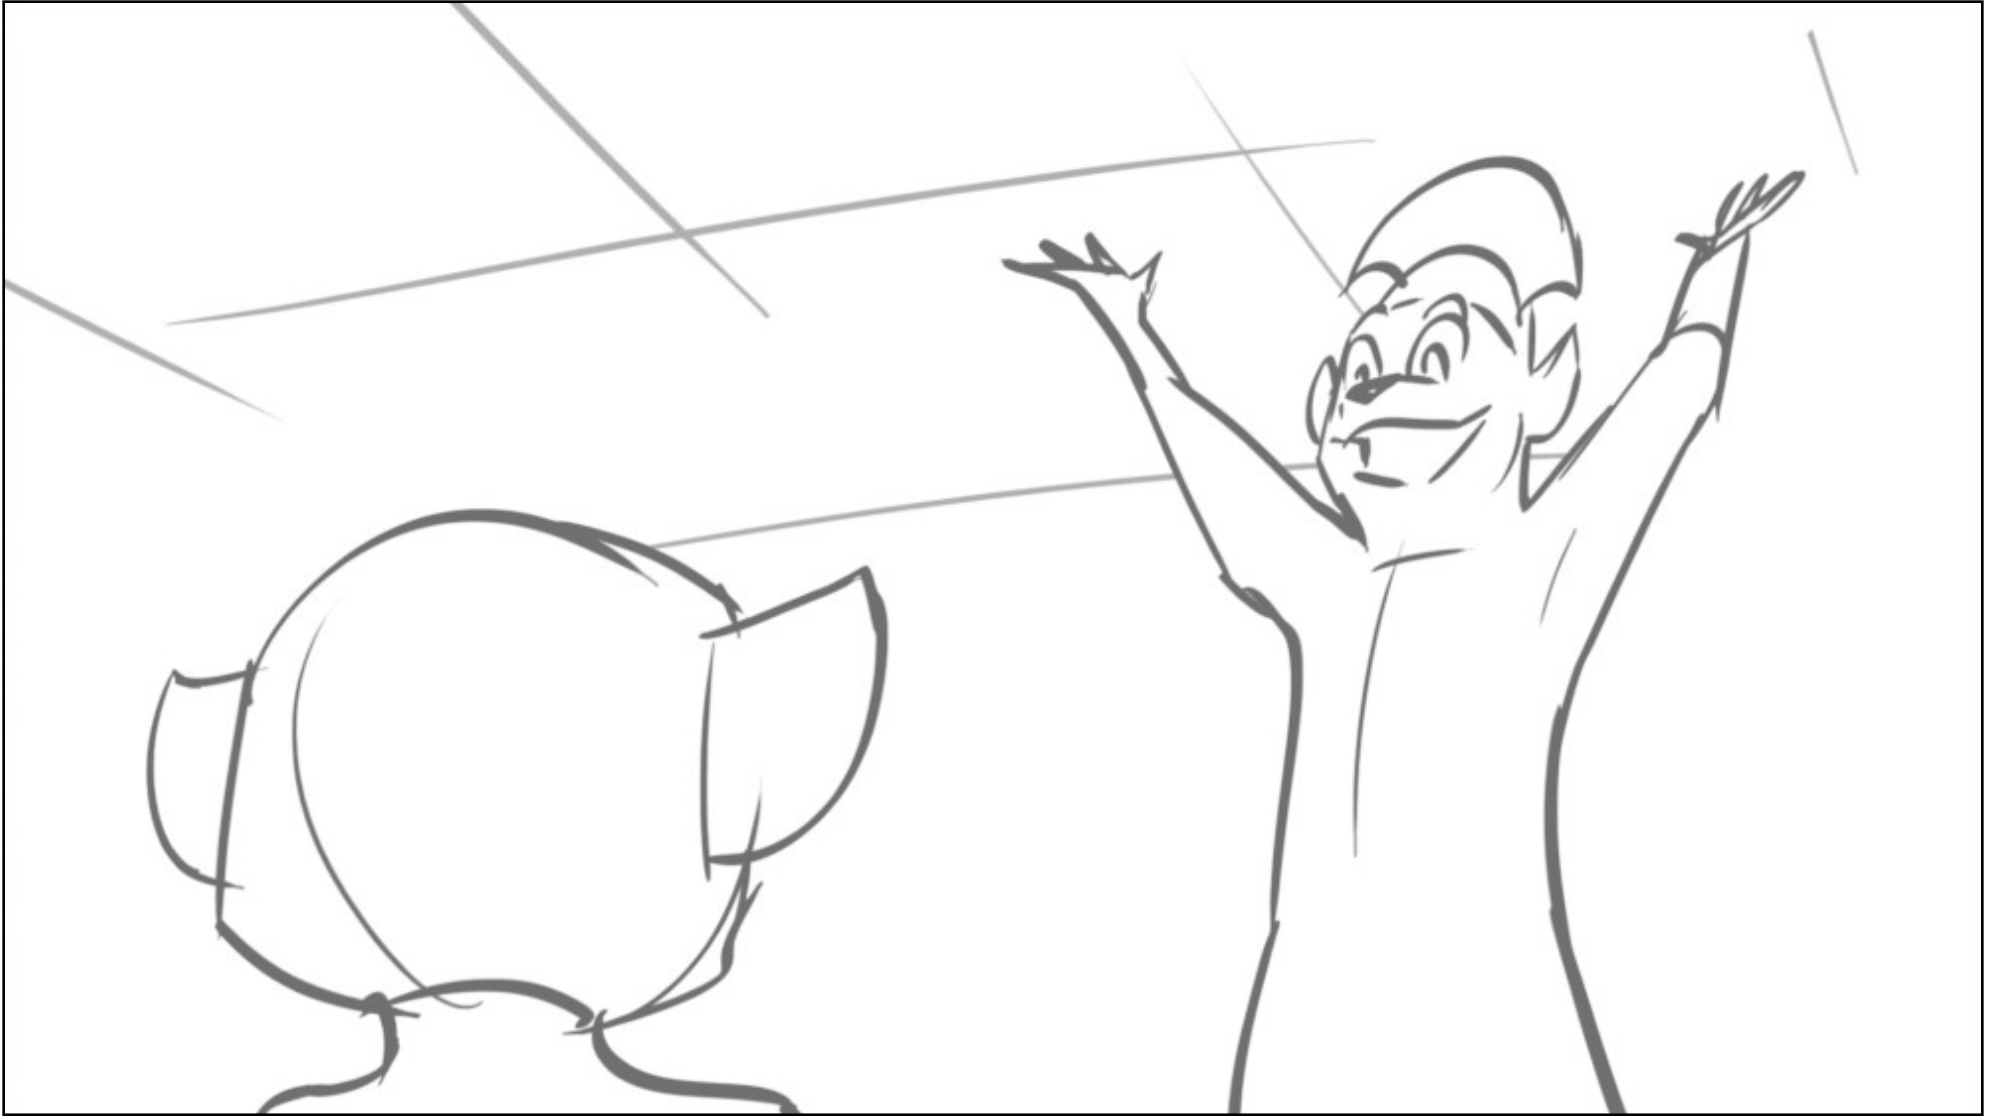

0209

68

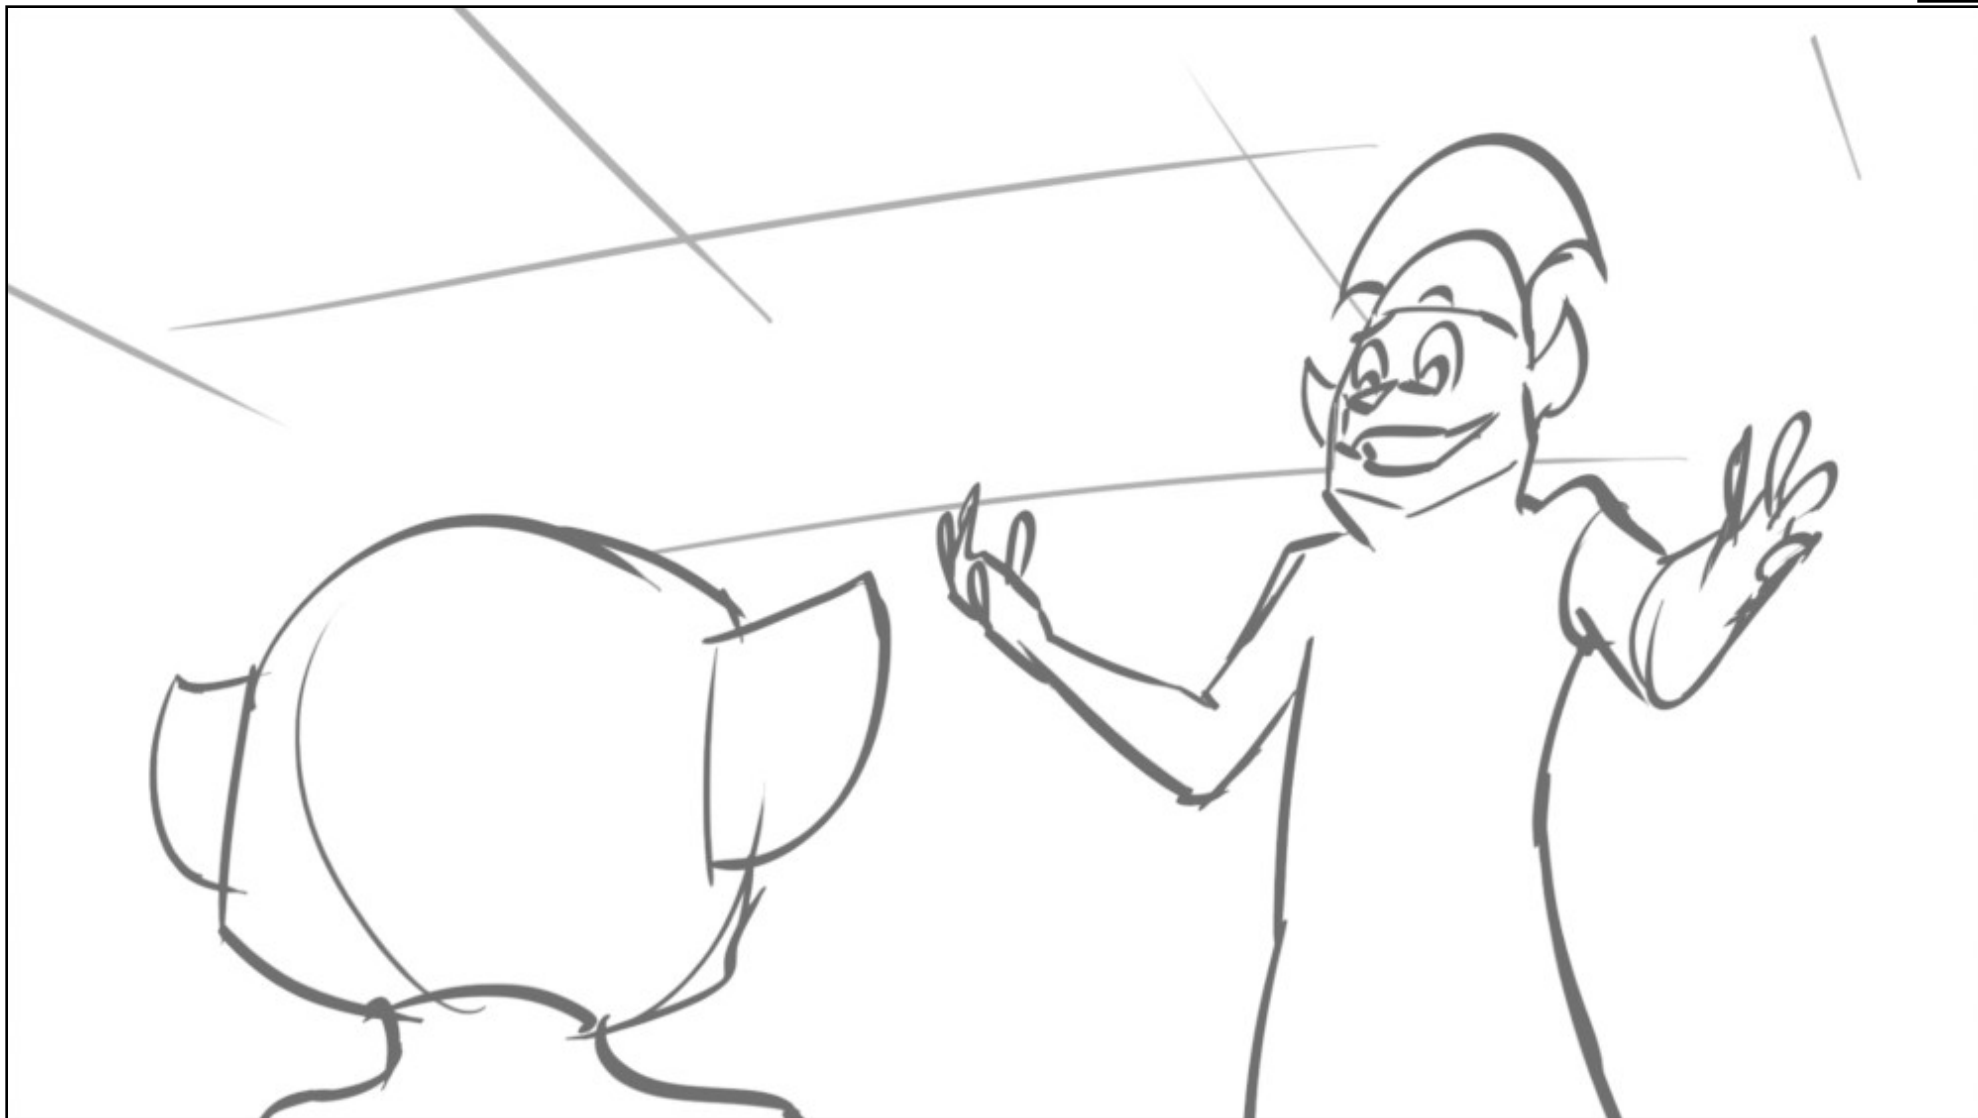

0210

69

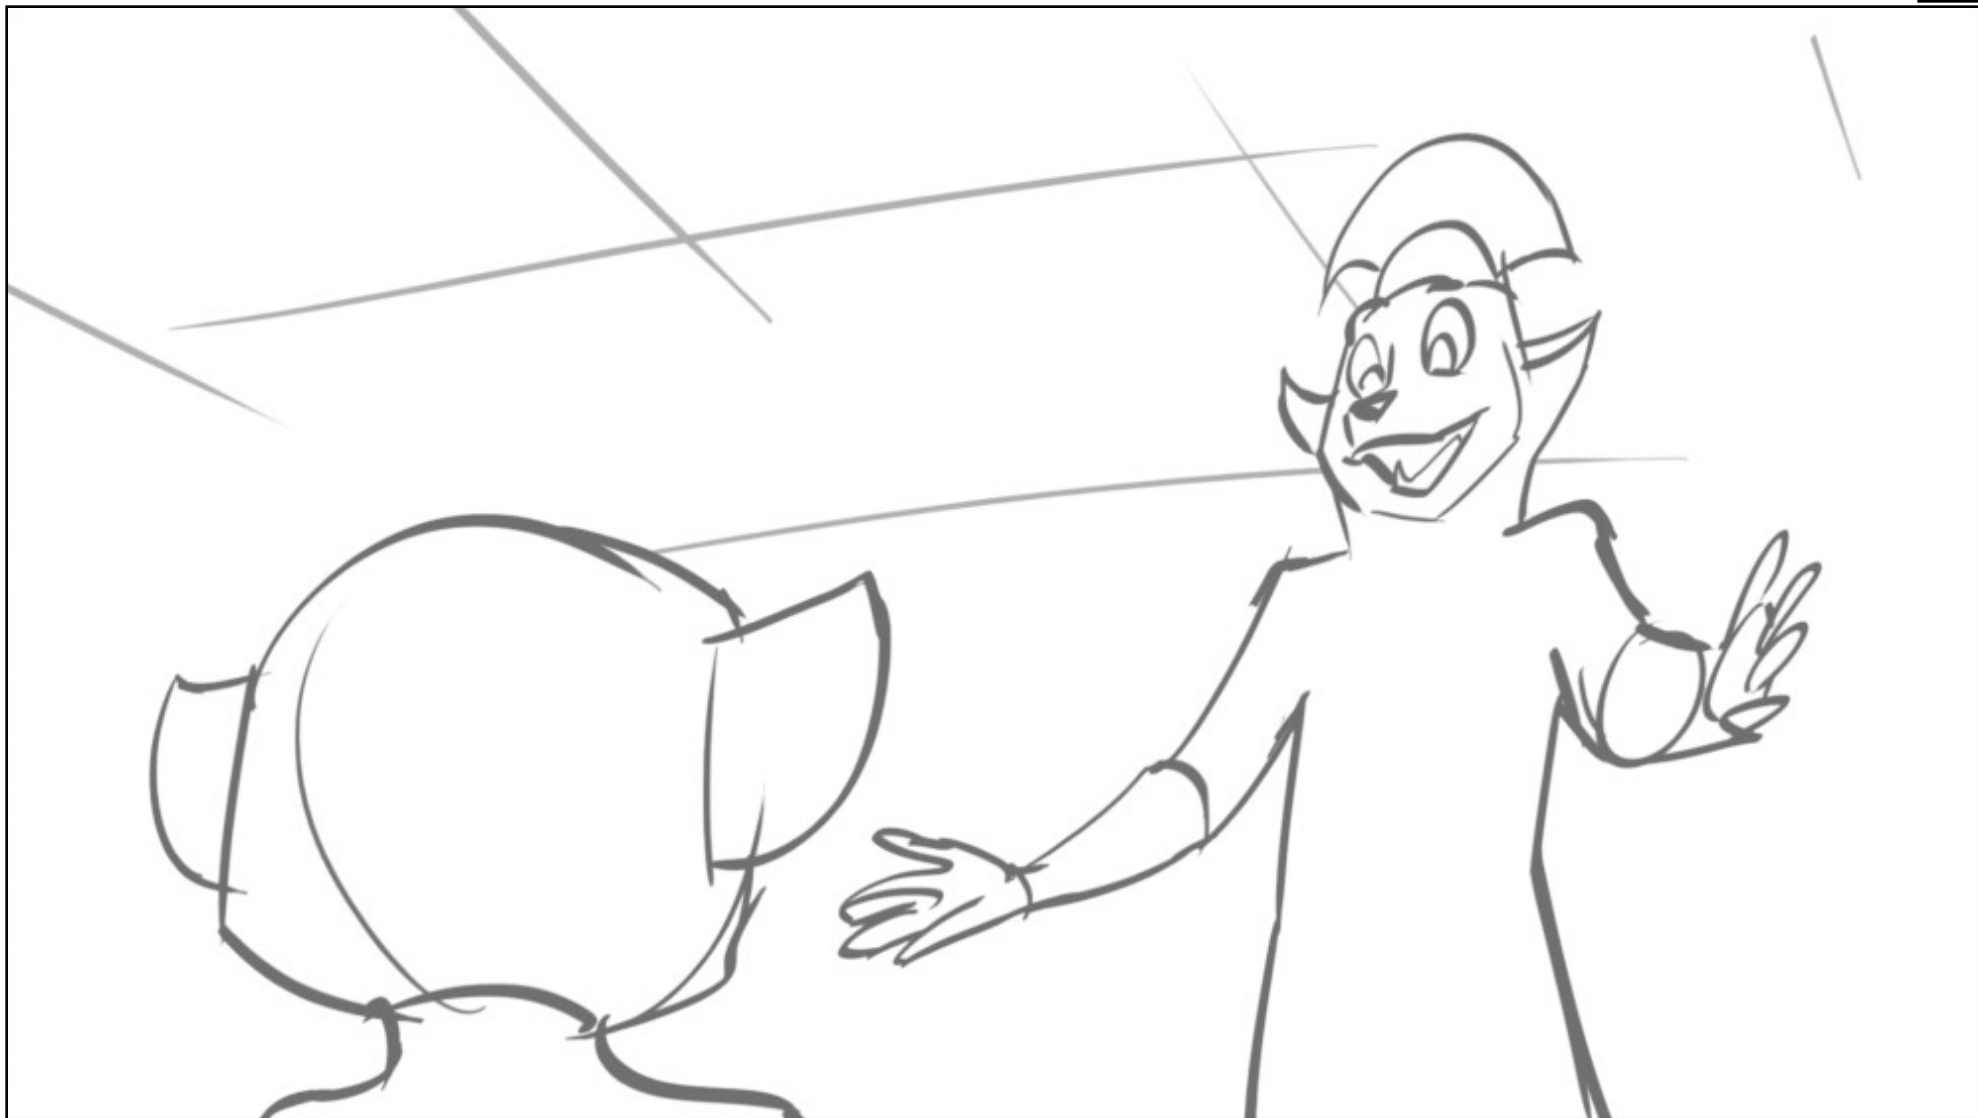

0046-2
...an election!

0047-2
What could be more useless than
what Hector does?

71

0048-2
What could be more useless than
what Hector does?

72

0049

73

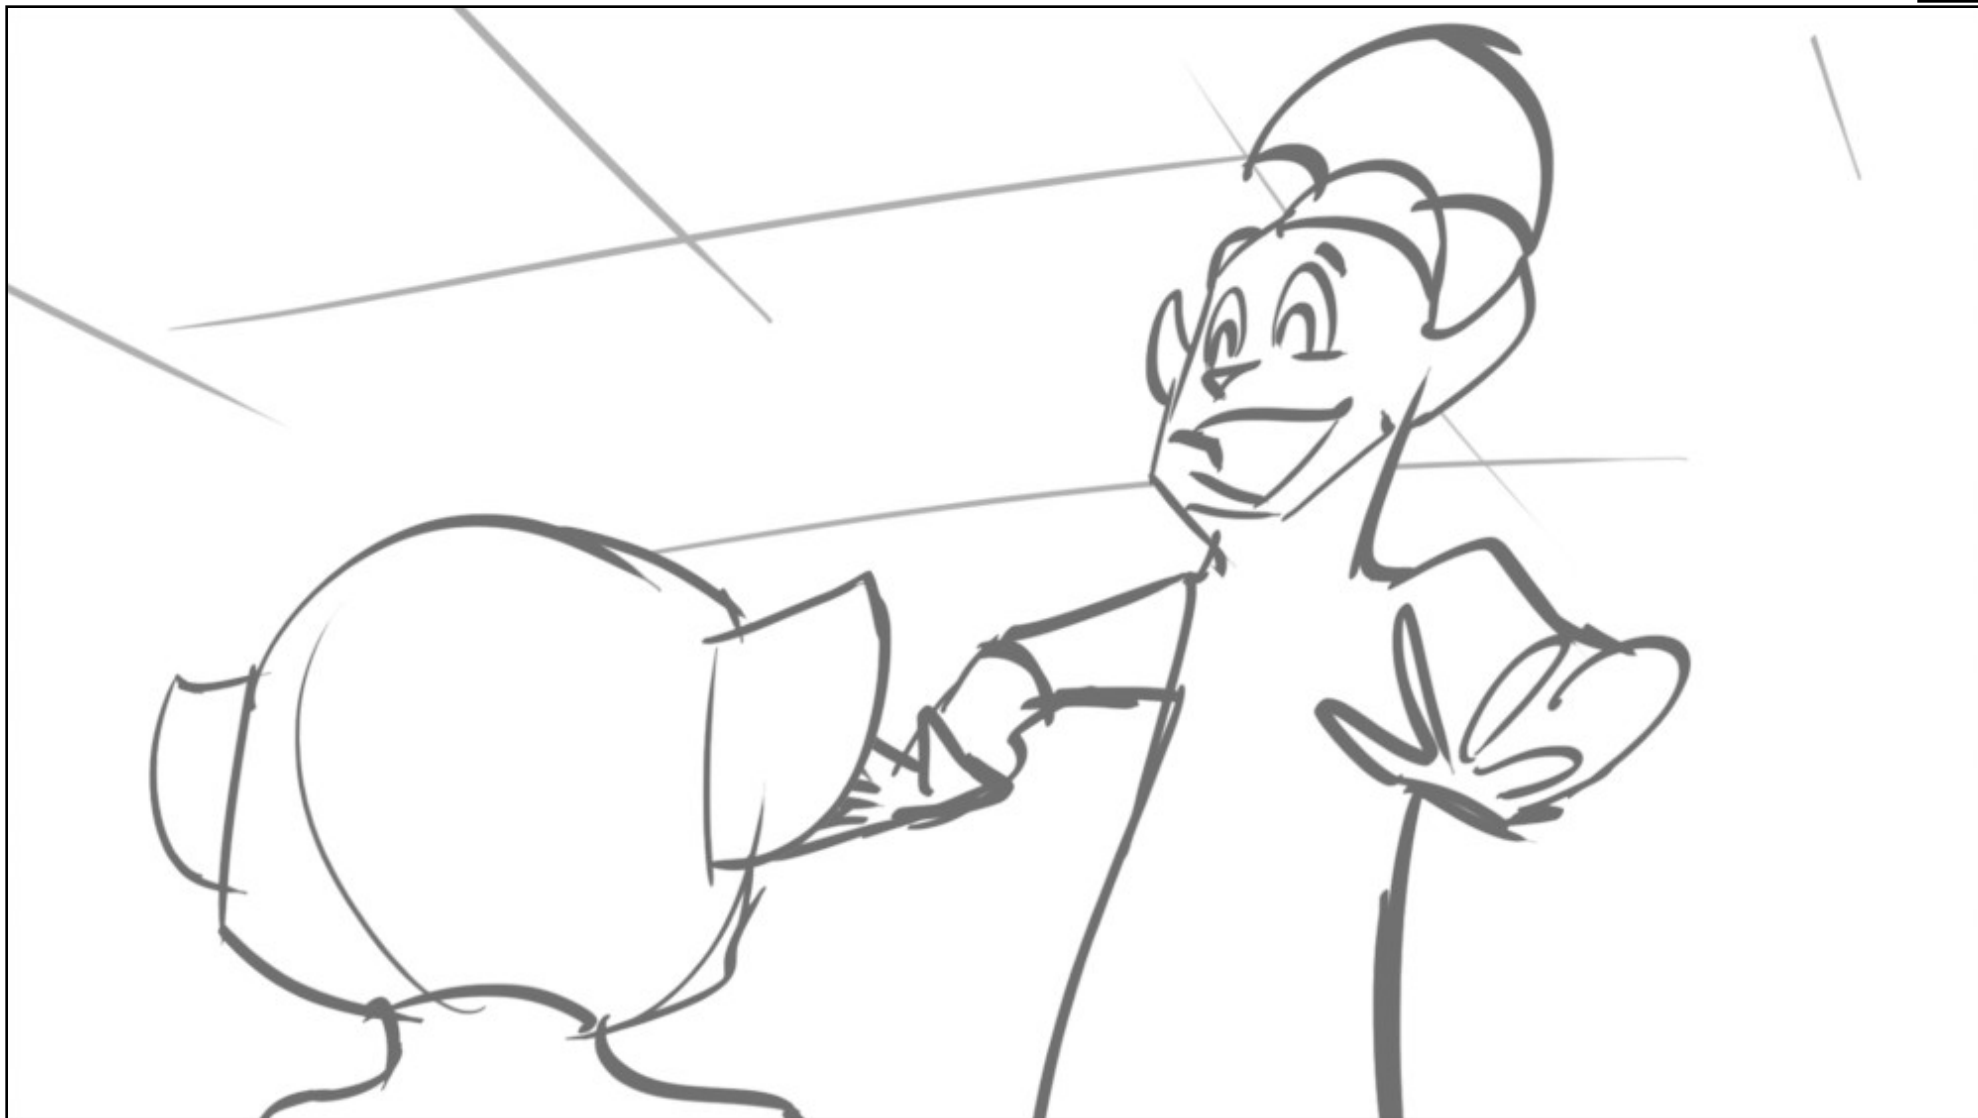

0050
! Am I right?

74

0051
Mango Guy... Mango Minister...

0052
Prime Minister of Mangos!

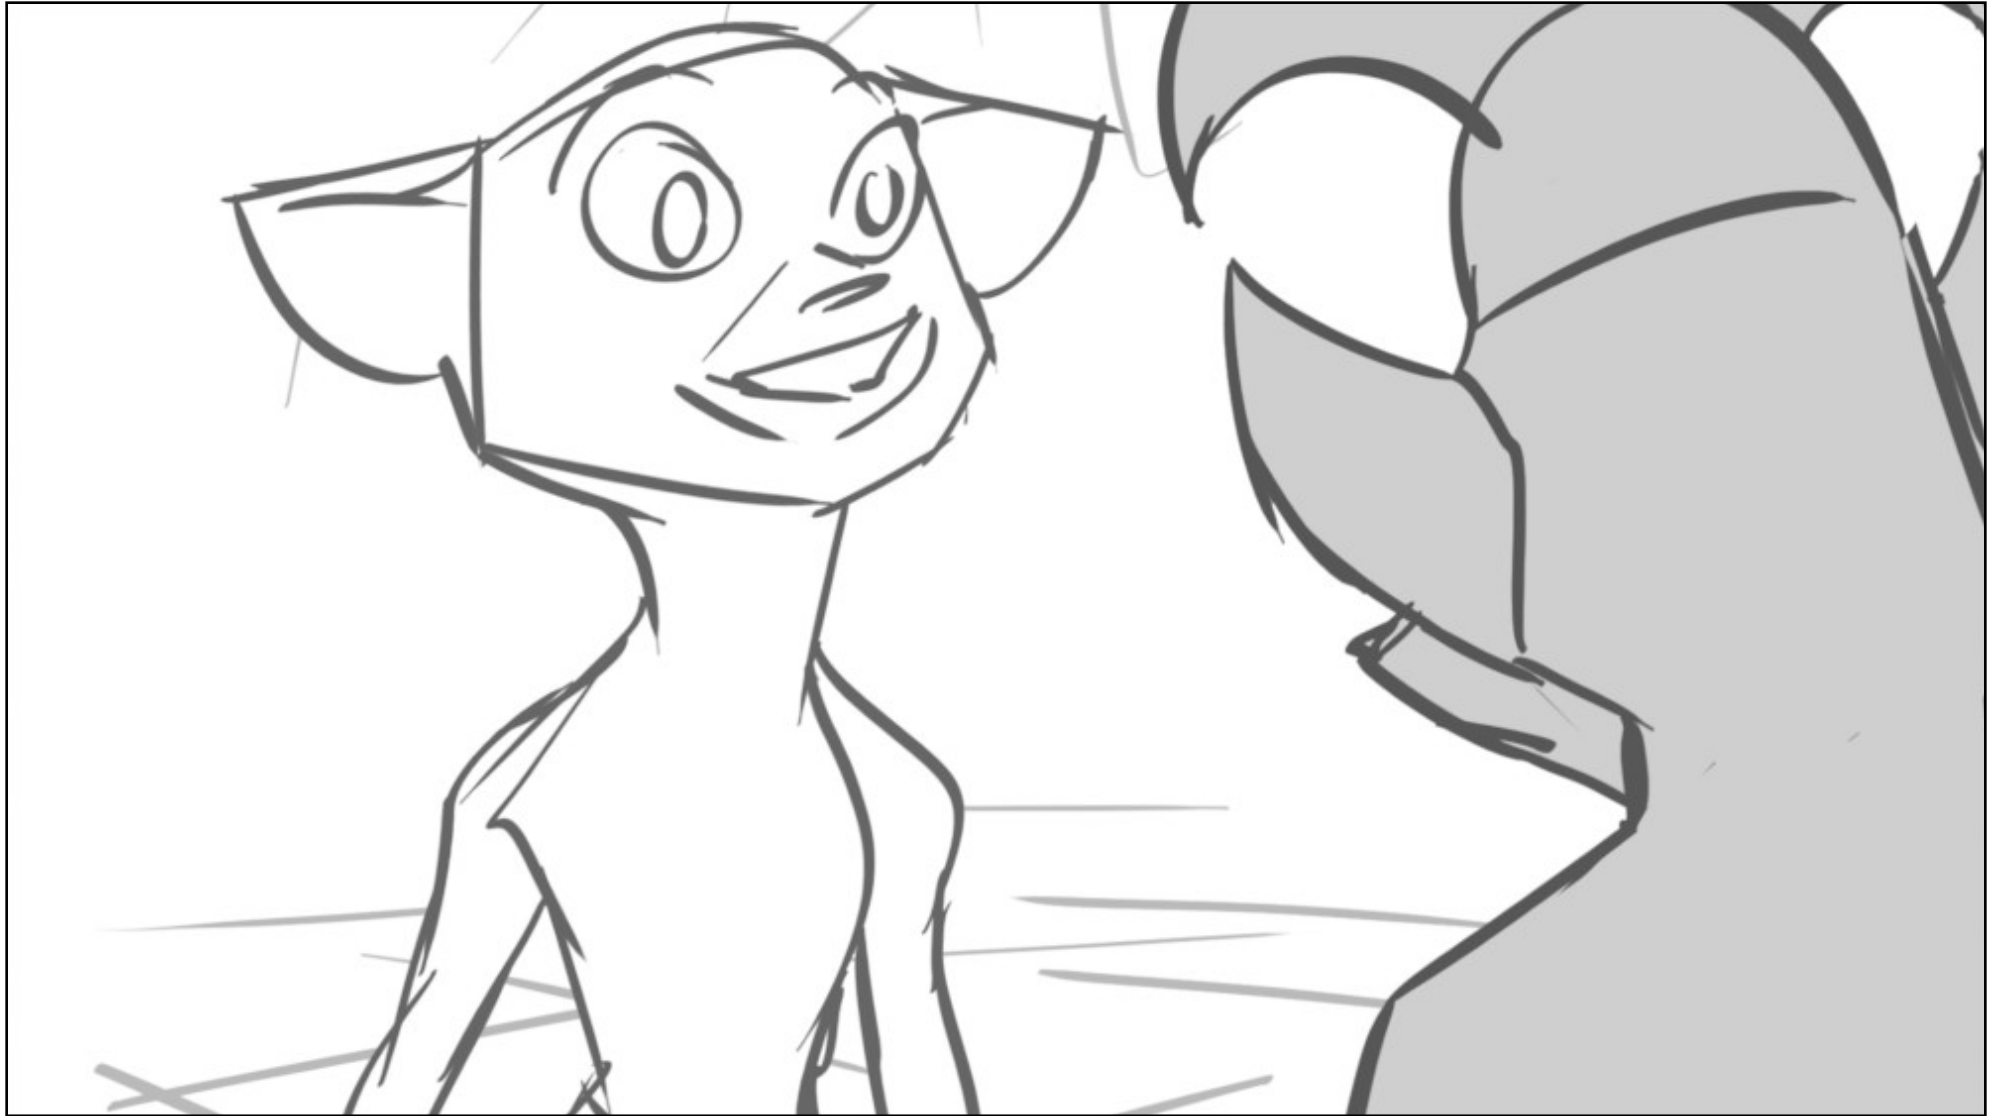

0064-2
We're gonna need a stooge.

77

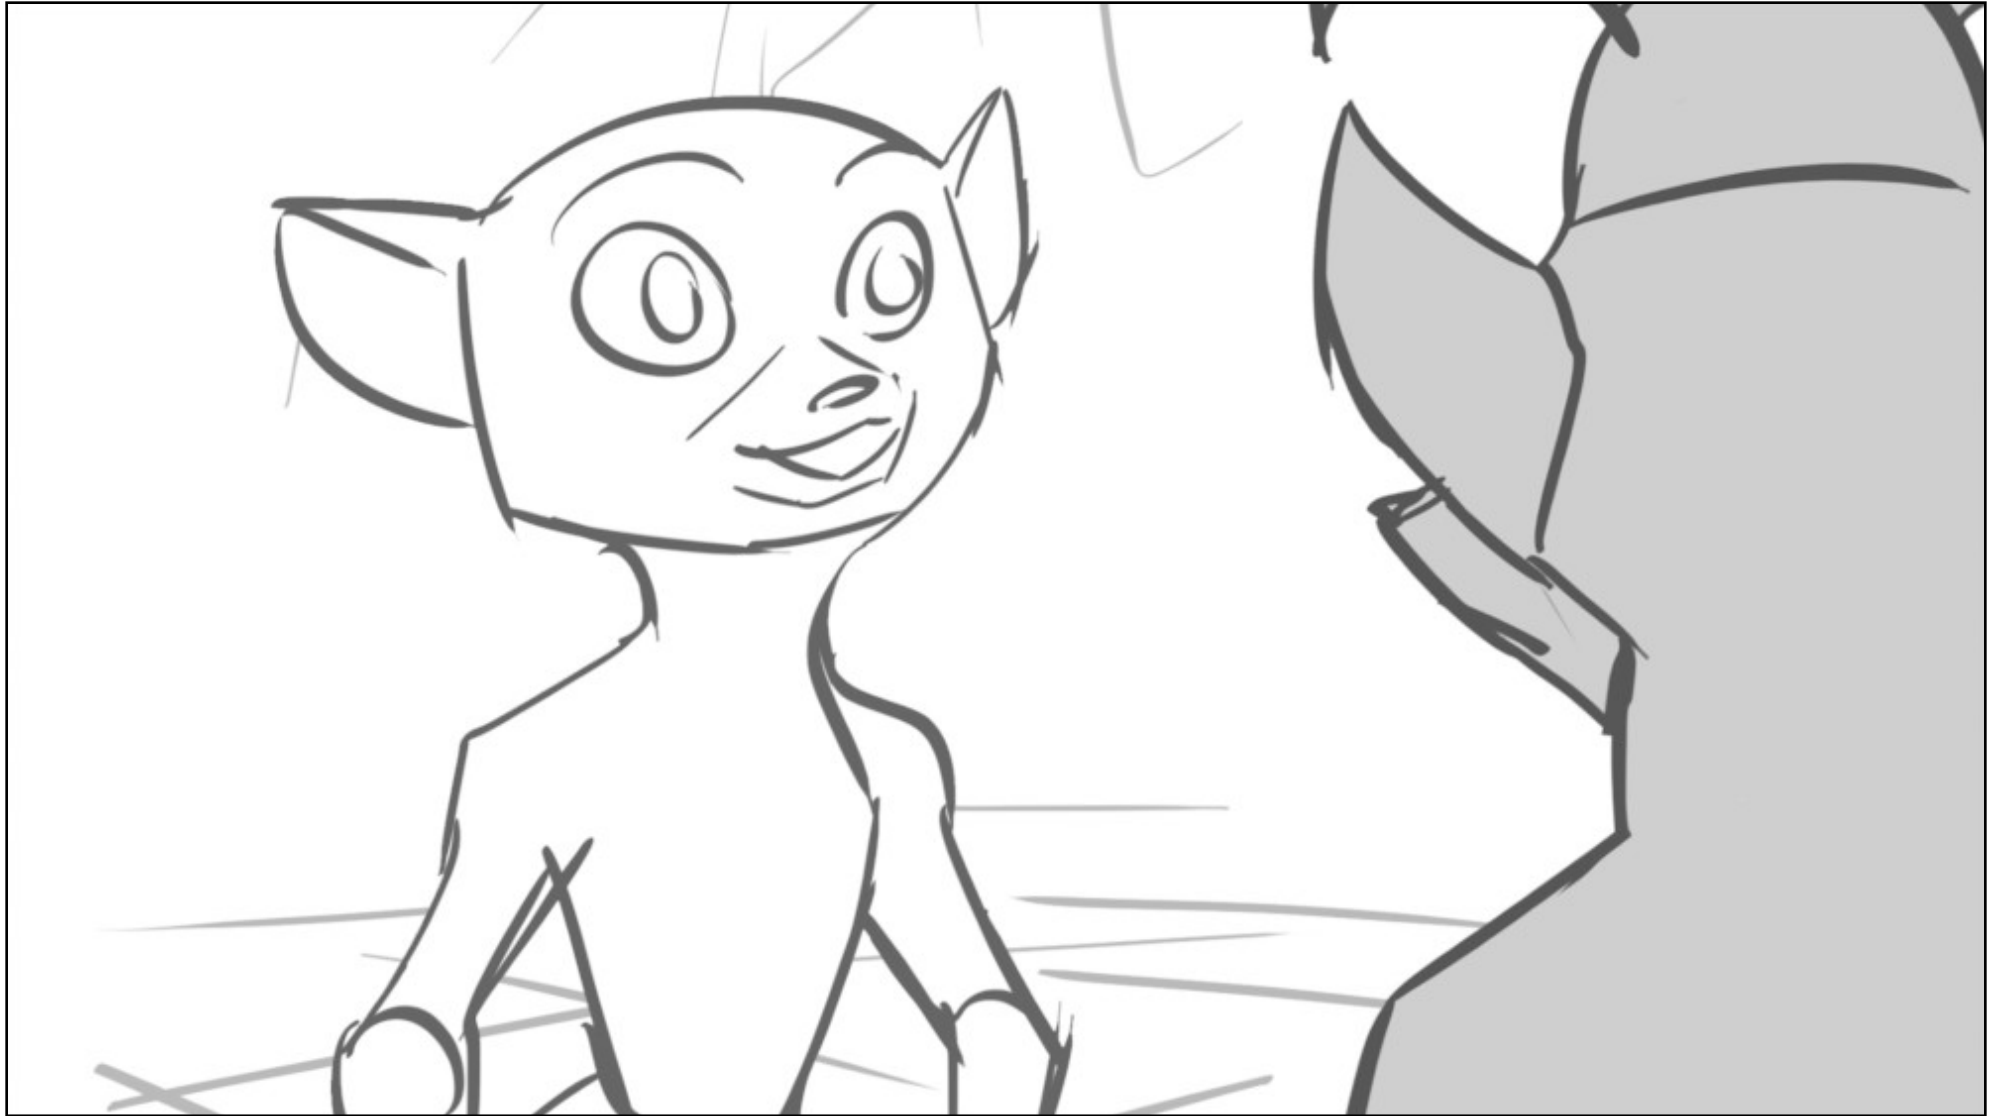

0065-2
We're gonna need a stooge.

78

0066-2

79

0067-2

80

0070-2
Someone Maurice can run against

81

0071-2
easily beat that's the most loathsome,

82

0072-2
idiotic, feckless, moronic and

83

0073-2
hated lemur in all the kingdom.

84

0074-2

85

0211

86

0075-2
JULIEN & CLOVER
21 Mort!

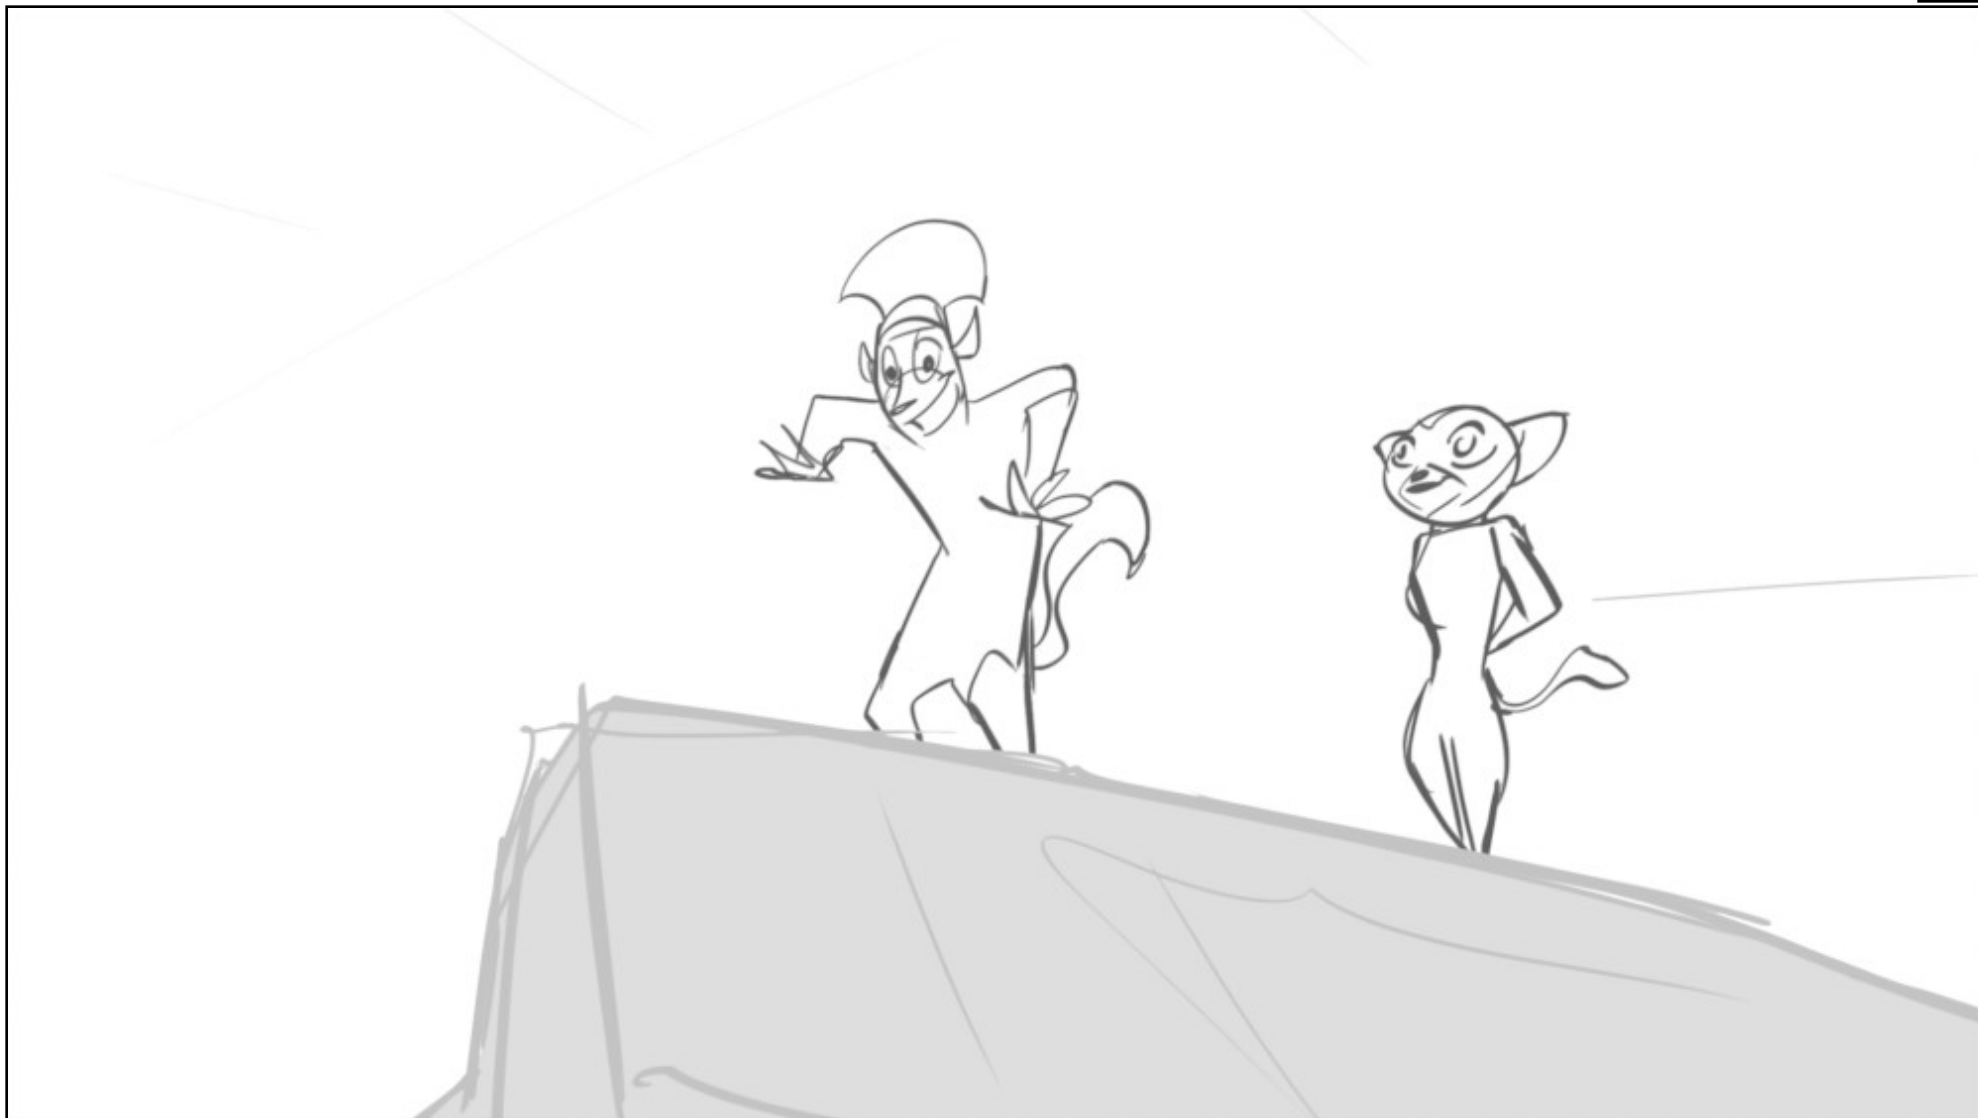

87

0081

My peepage, I am happy to announce

88

0078
that we are now going to solve

89

0079
one

90

of the biggest problems in the

0080
history of all of Madagascar.

91

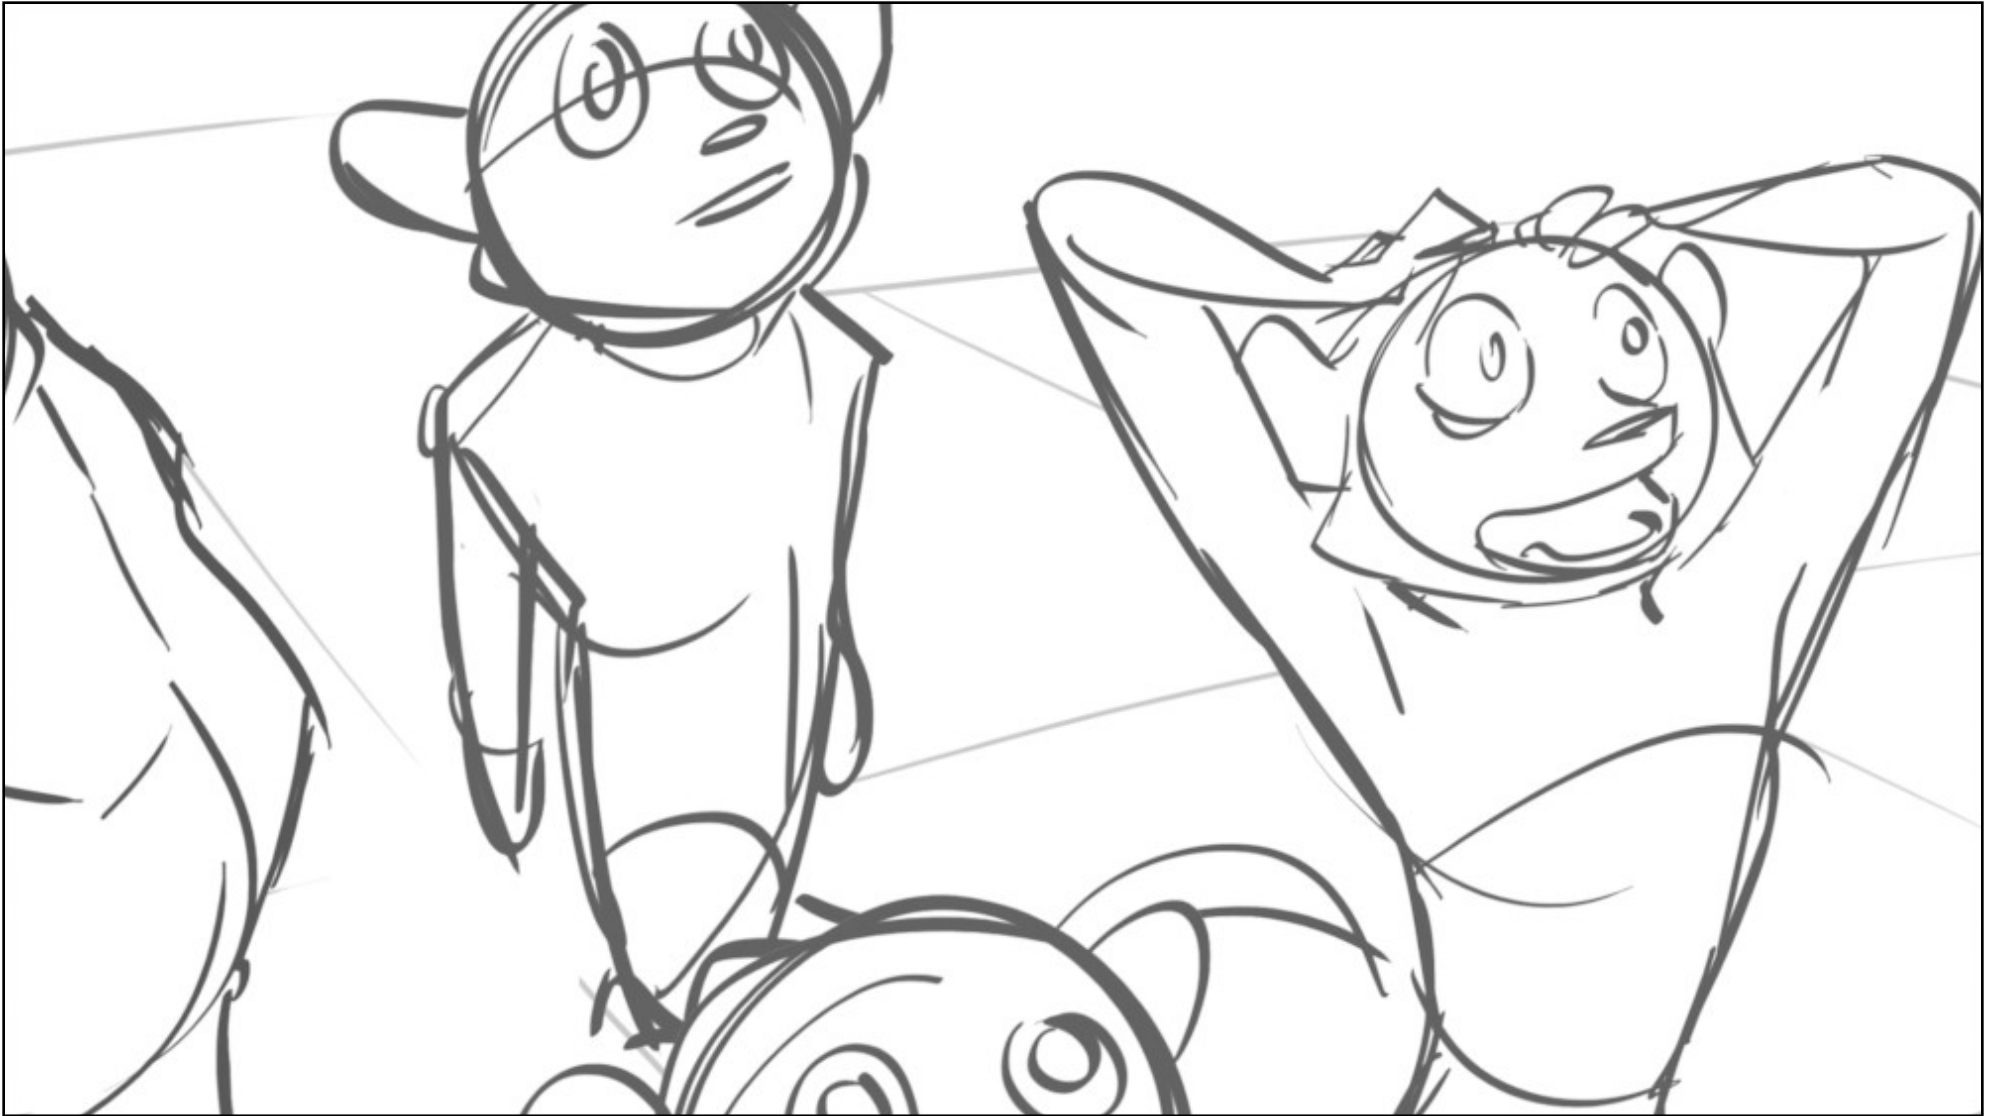

0212
The existential crisis of death's 23
inevitability?

92

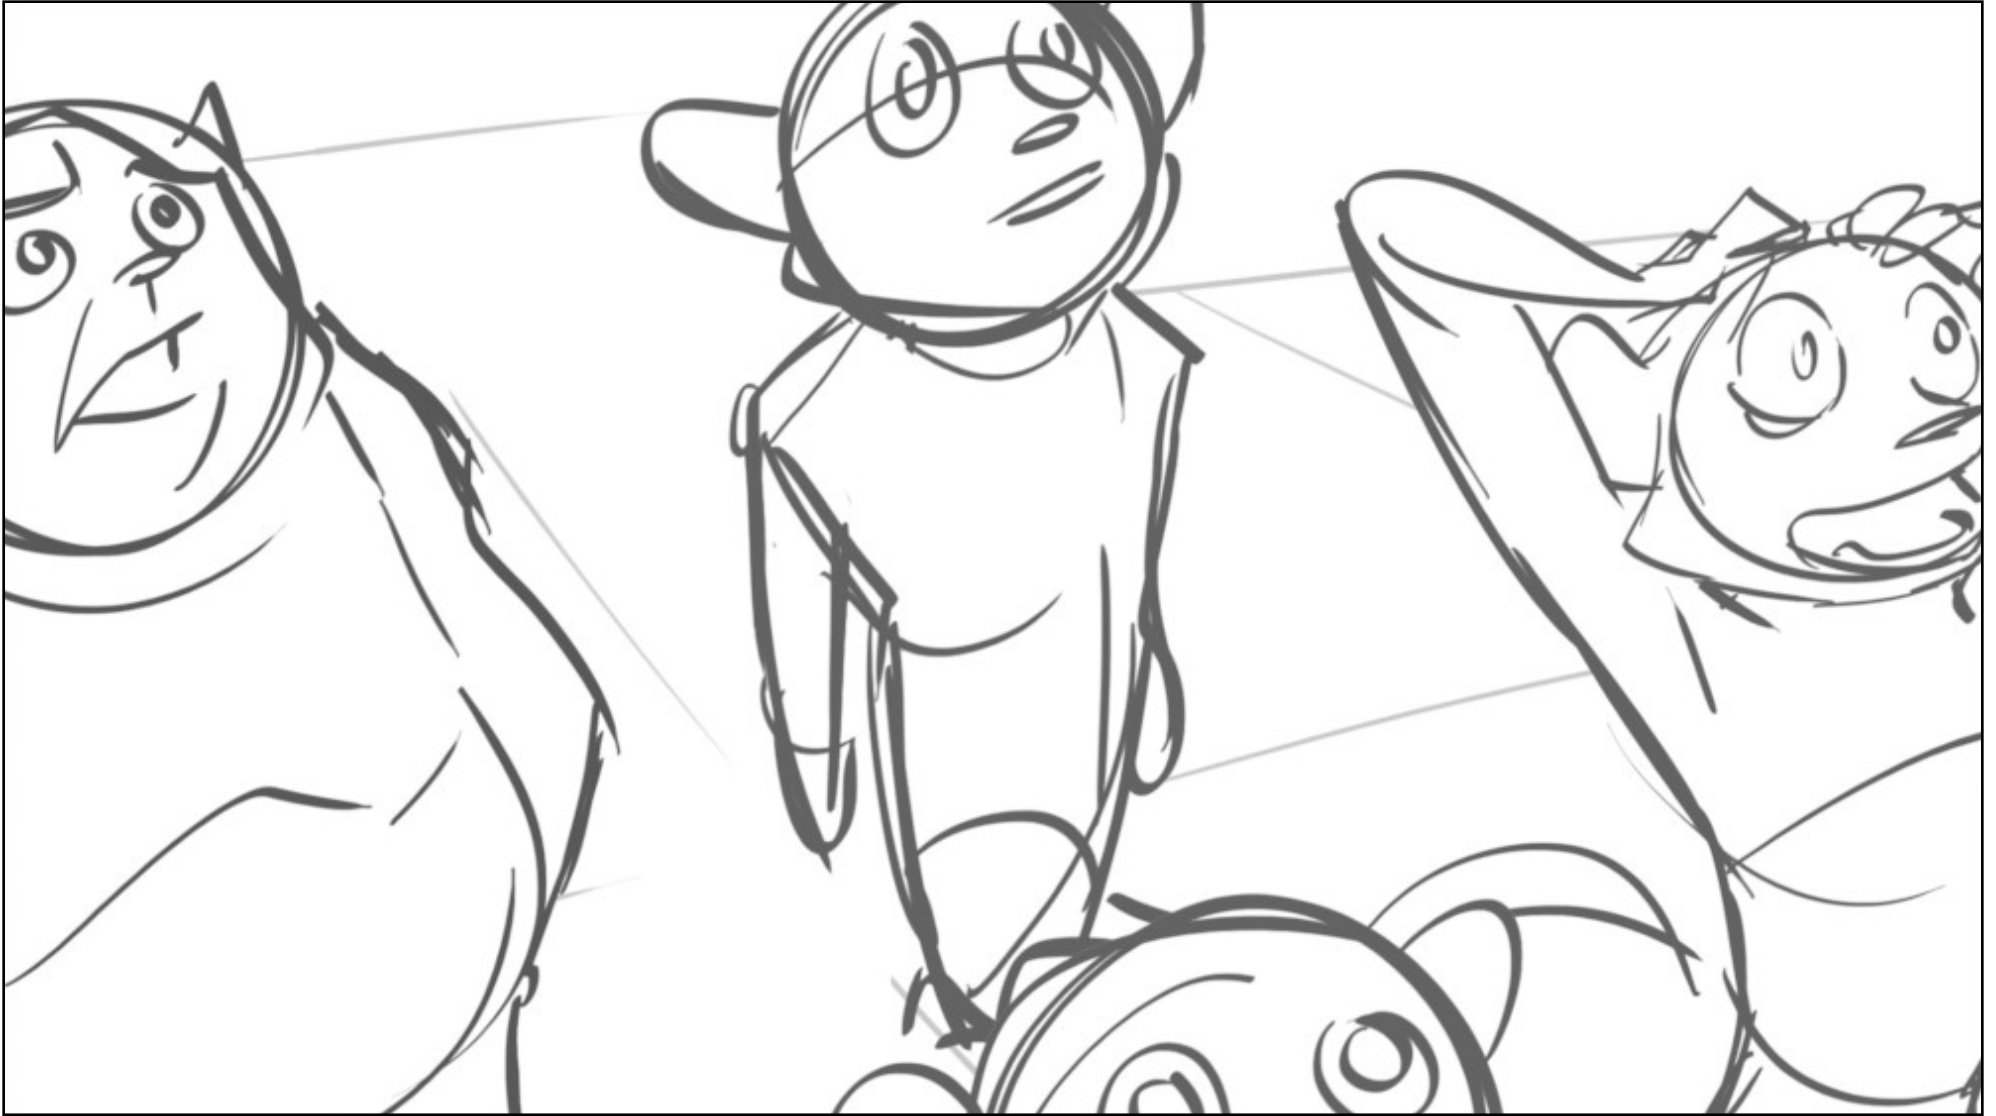

0082
The existential crisis of death's 23
inevitability?

93

0083

94

0084
Getting better quality mustard up

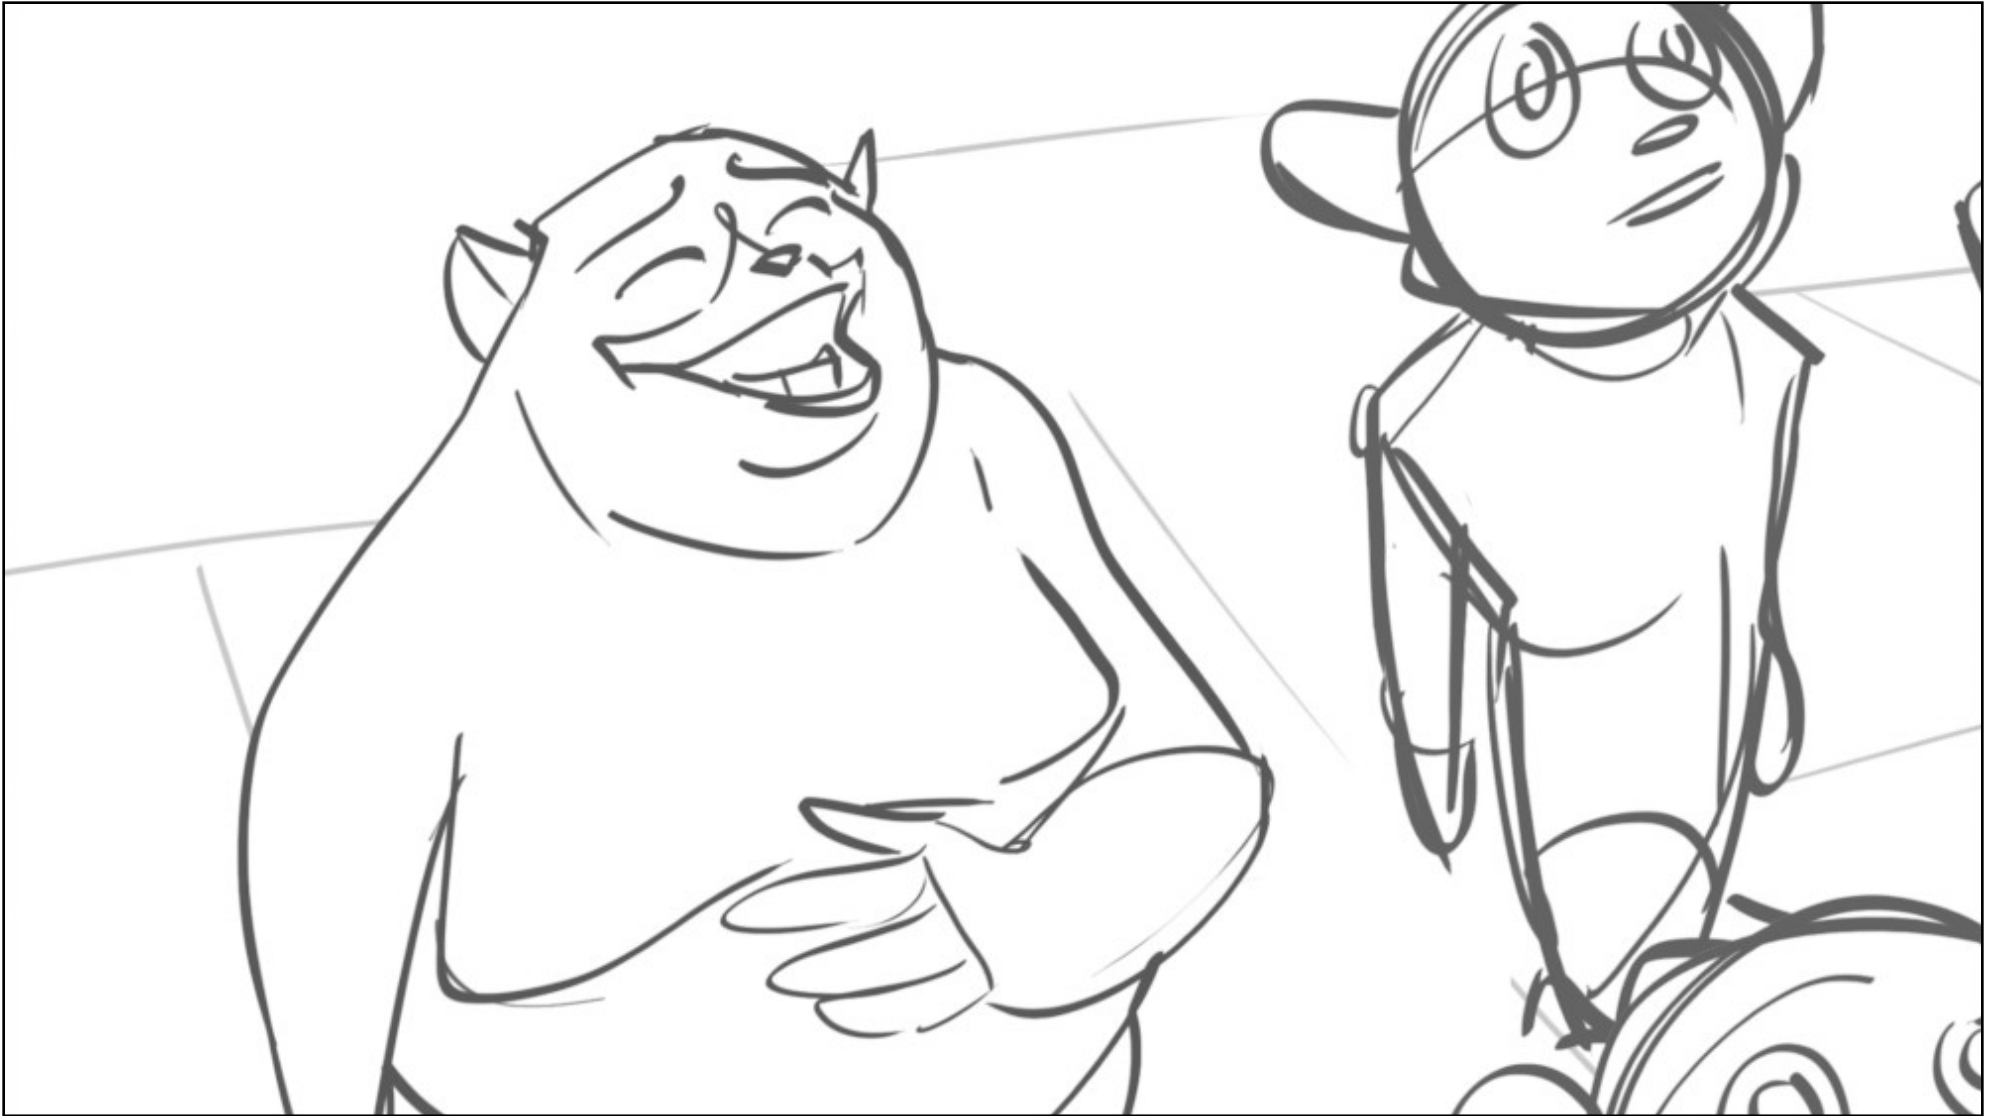

0085
in here at the lunch table, y'all?

96

0086
Like Dijon or Tewkesbury or some
such?

97

0087

98

0088

99

0089
How talented my Todd is?

100

0090
How talented my Todd is?

101

0091-2

102

0092-2
What's that?

103

0093-2
You in the back?

104

0094-2
You in the back?

105

0095-2
You in the back?

106

0213
That's right!

107

0214
That's right!

108

0215
We are going to elect a

0101-2
new Prime Minister of
Mangos

110

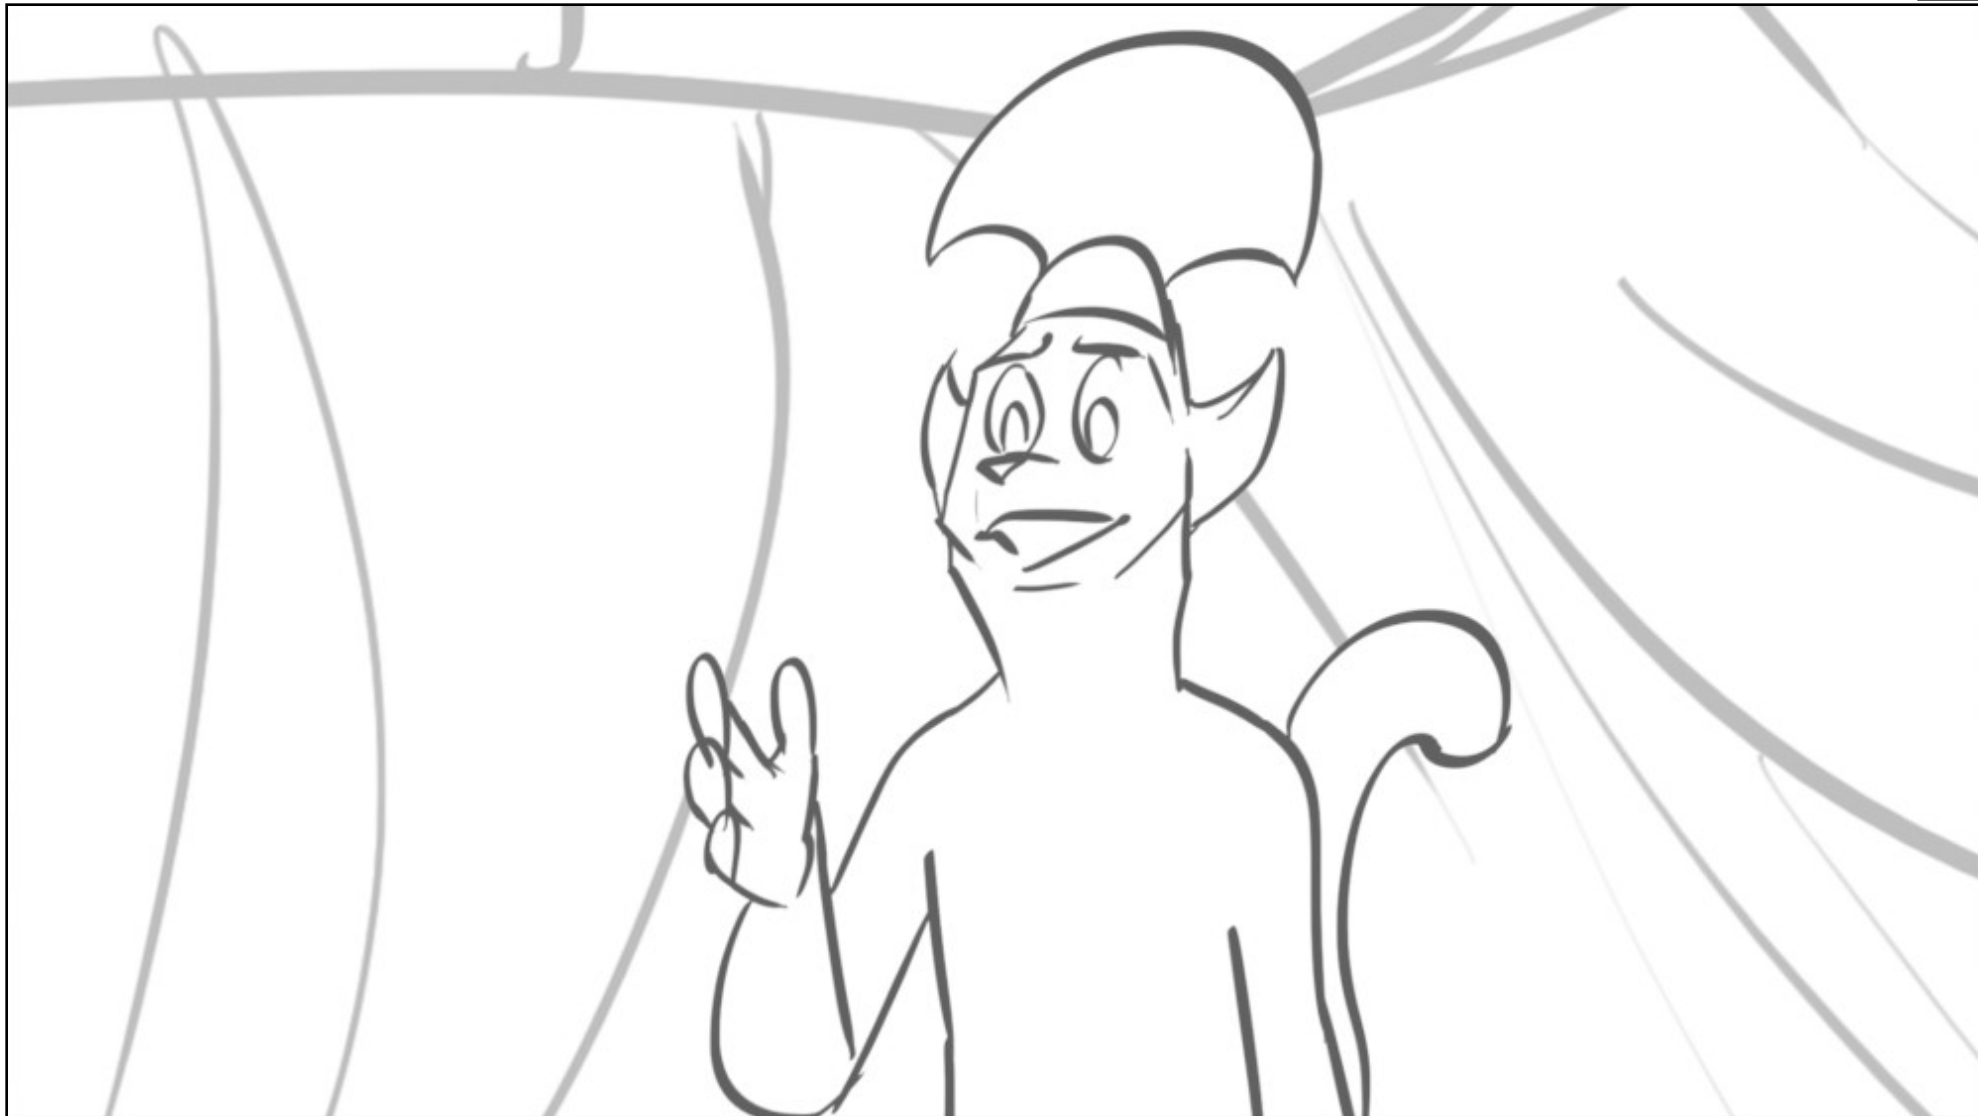

0216
new Prime Minister of
Mangos

111

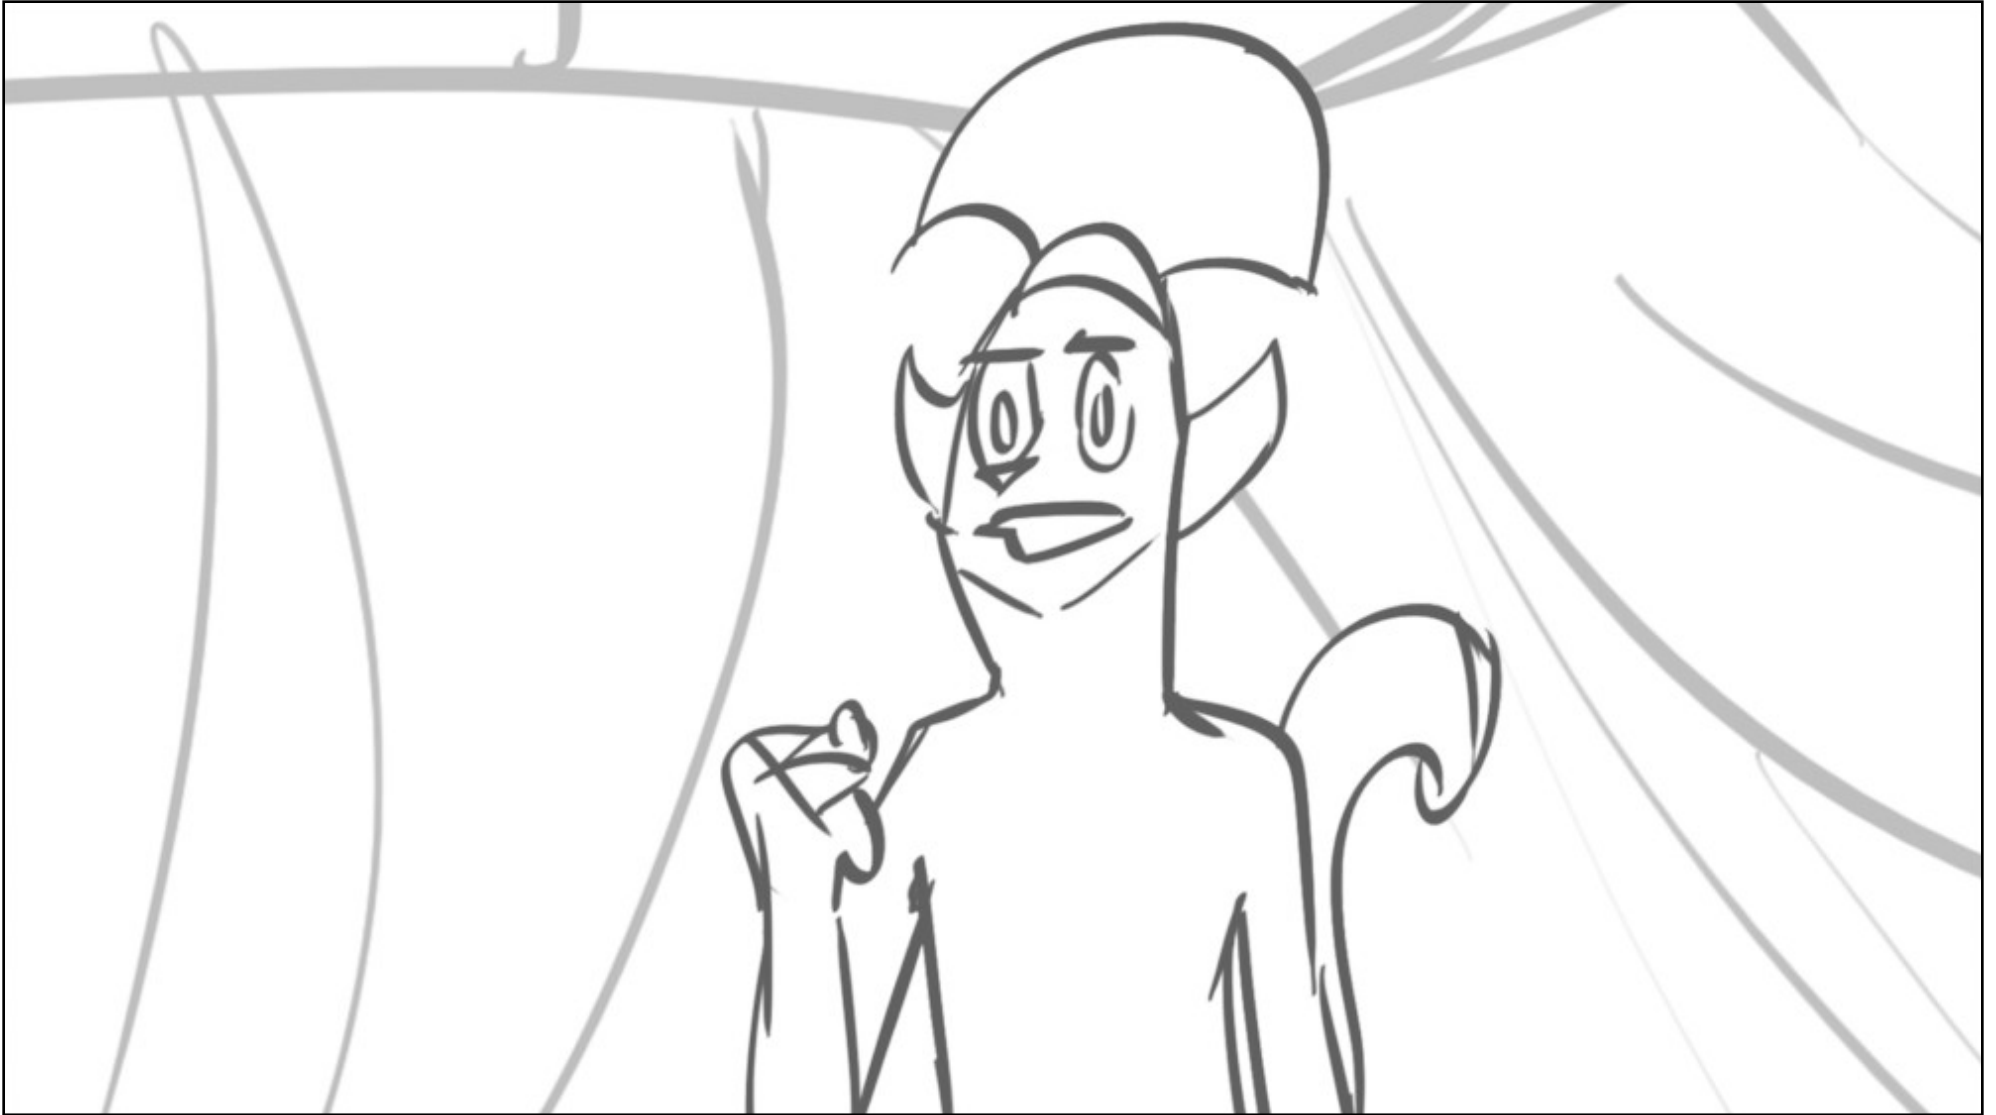

0217
new Prime Minister of

112

0096-2
Very important position.

113

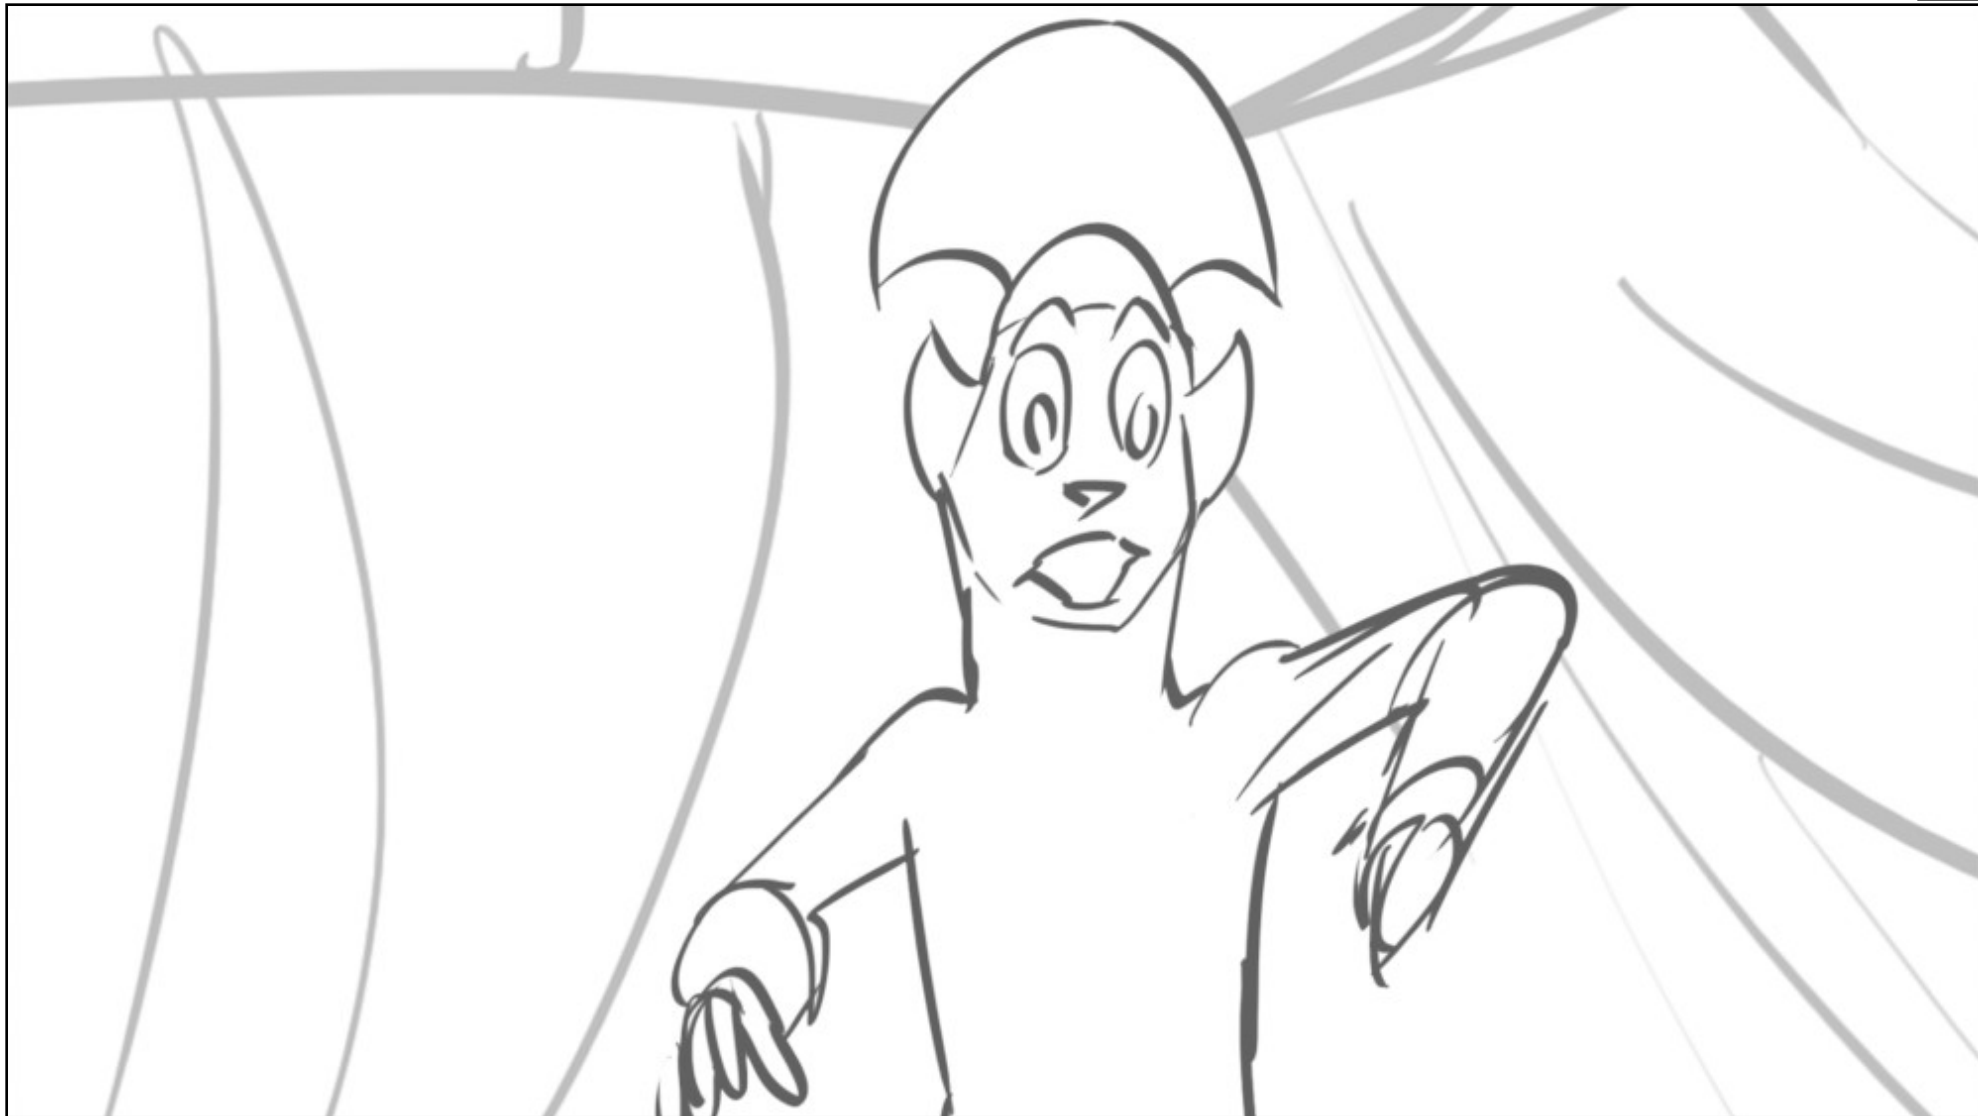

0218

114

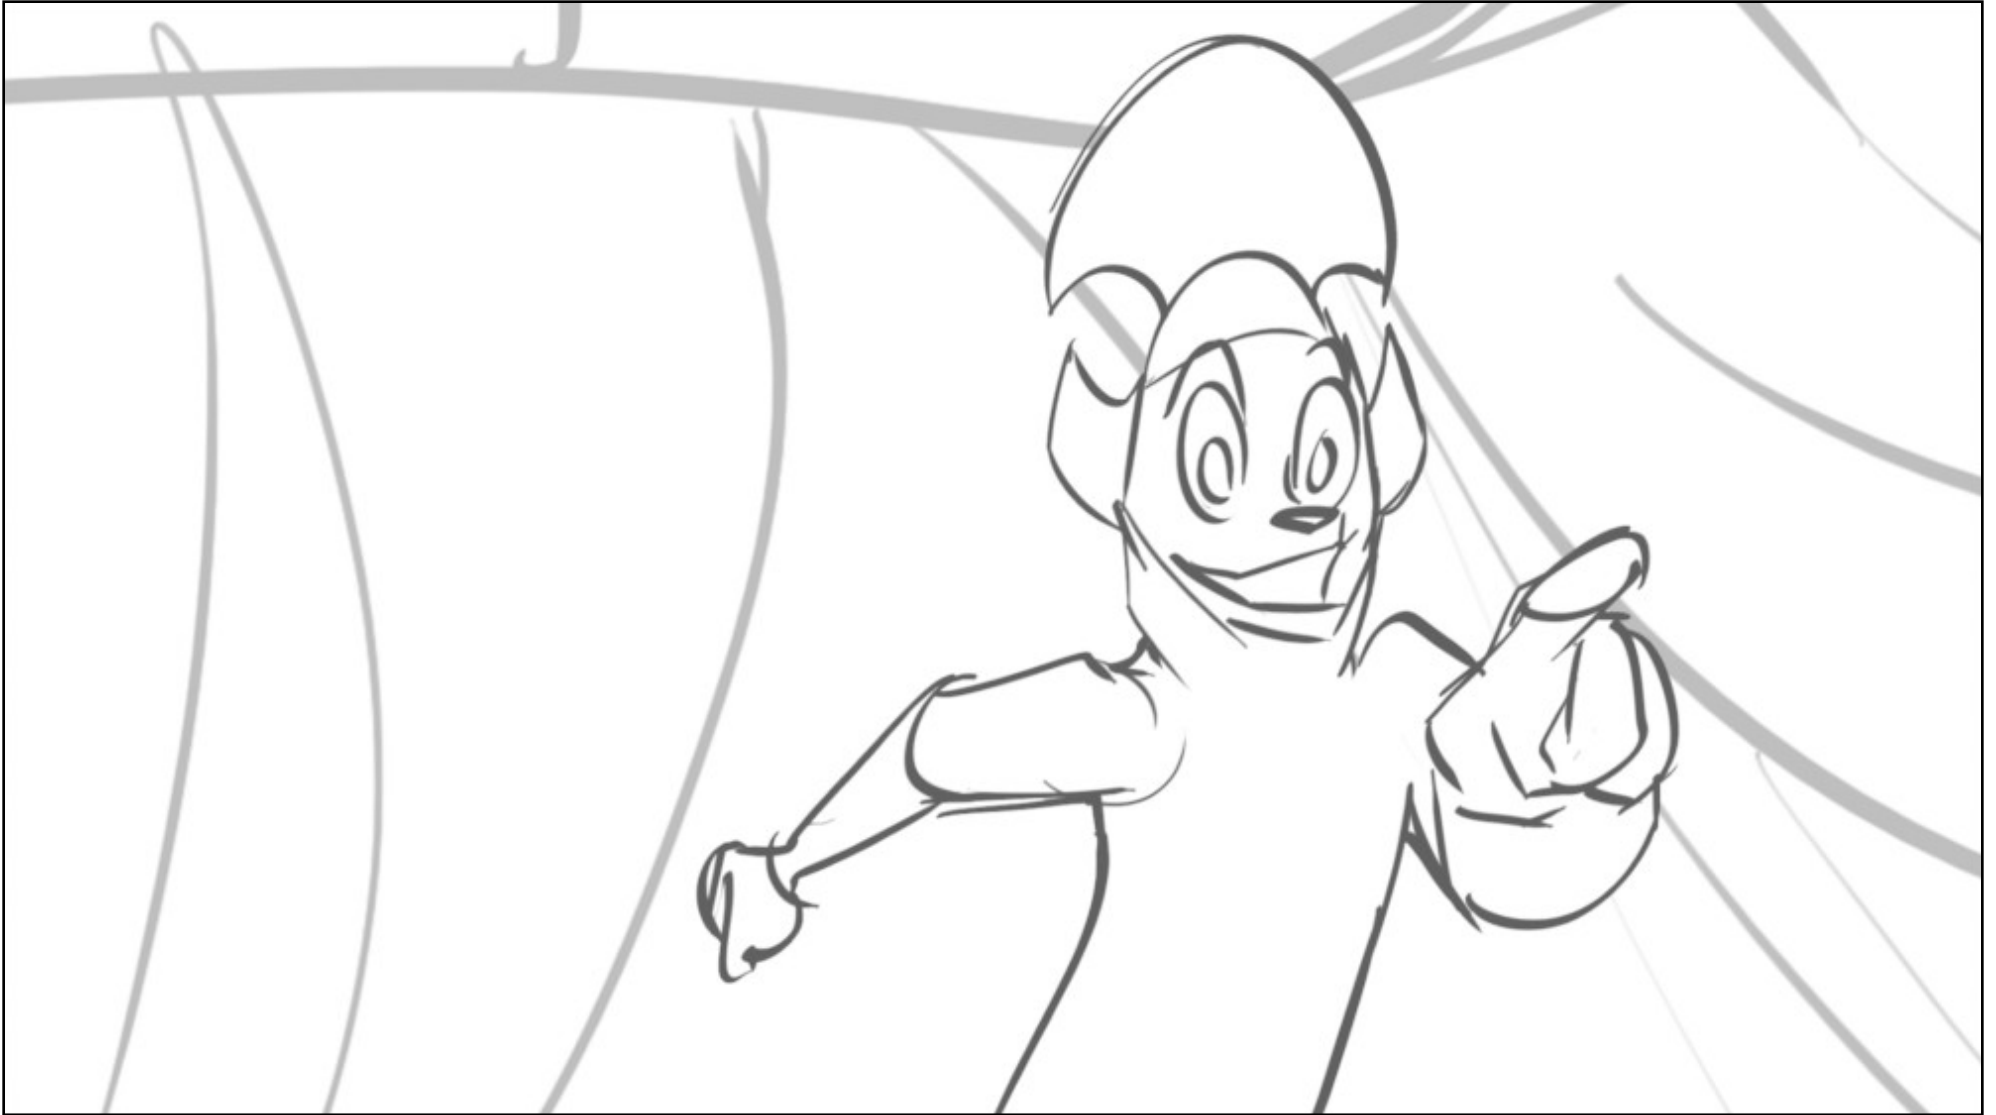

0097-2

115

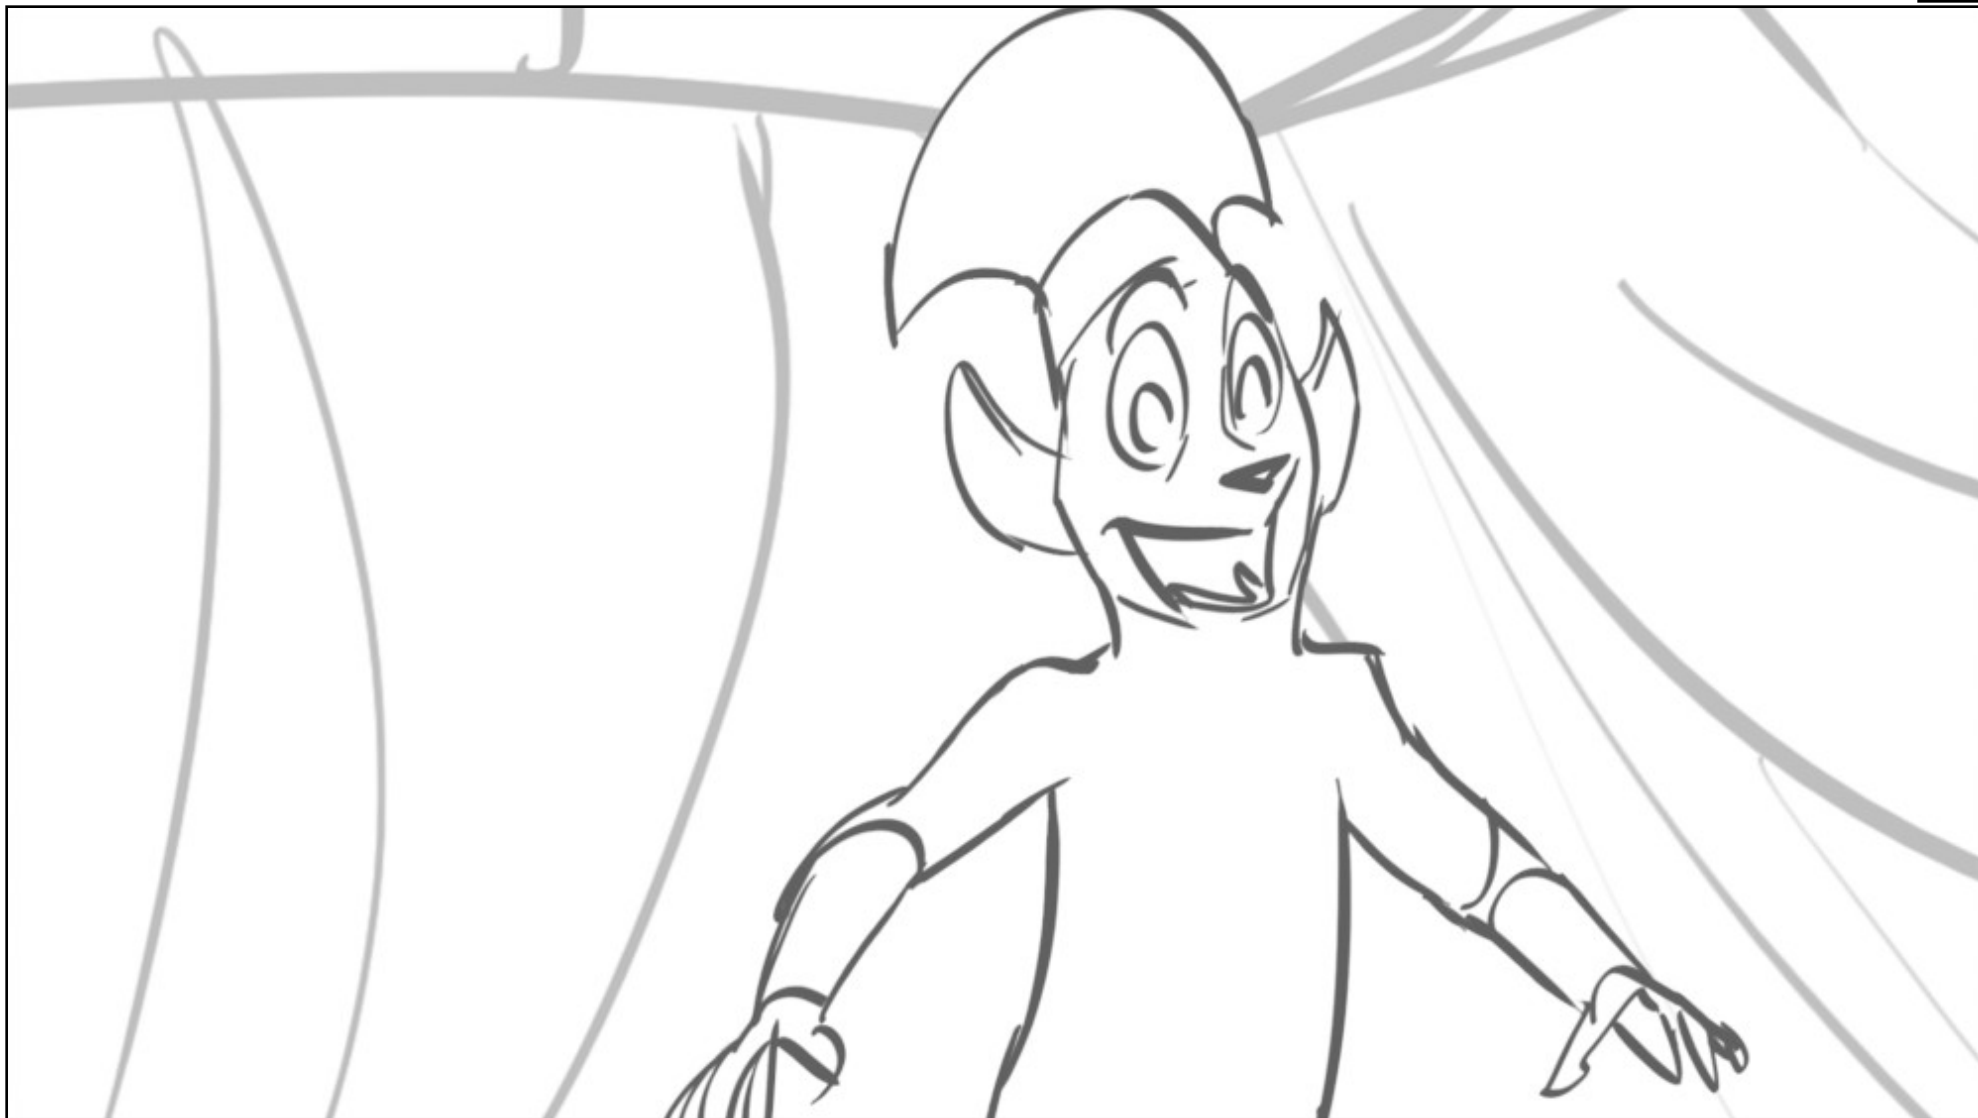

0098-2
And you? Exactly!

116

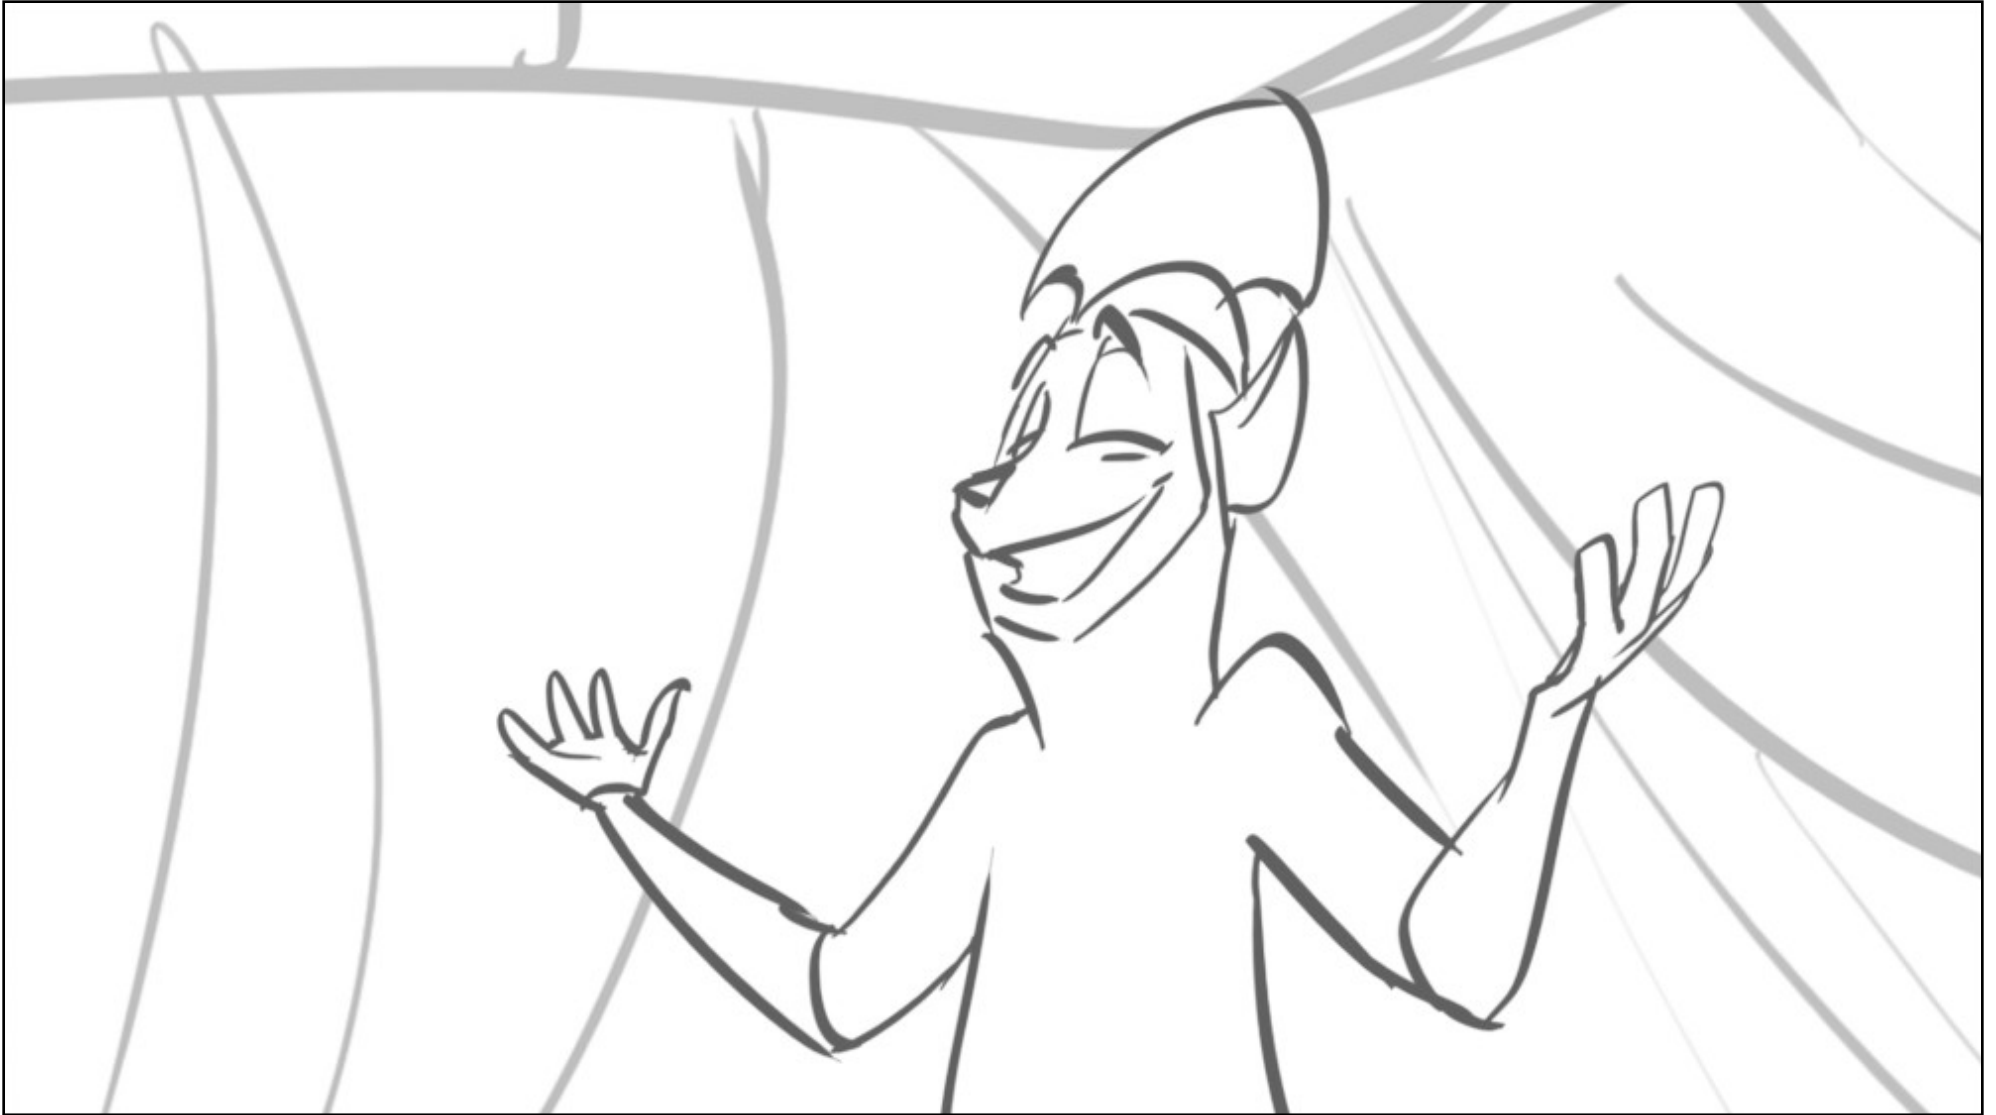

0219

117

0099-2
And you? Exactly!

118

0100-2
Well said.

119

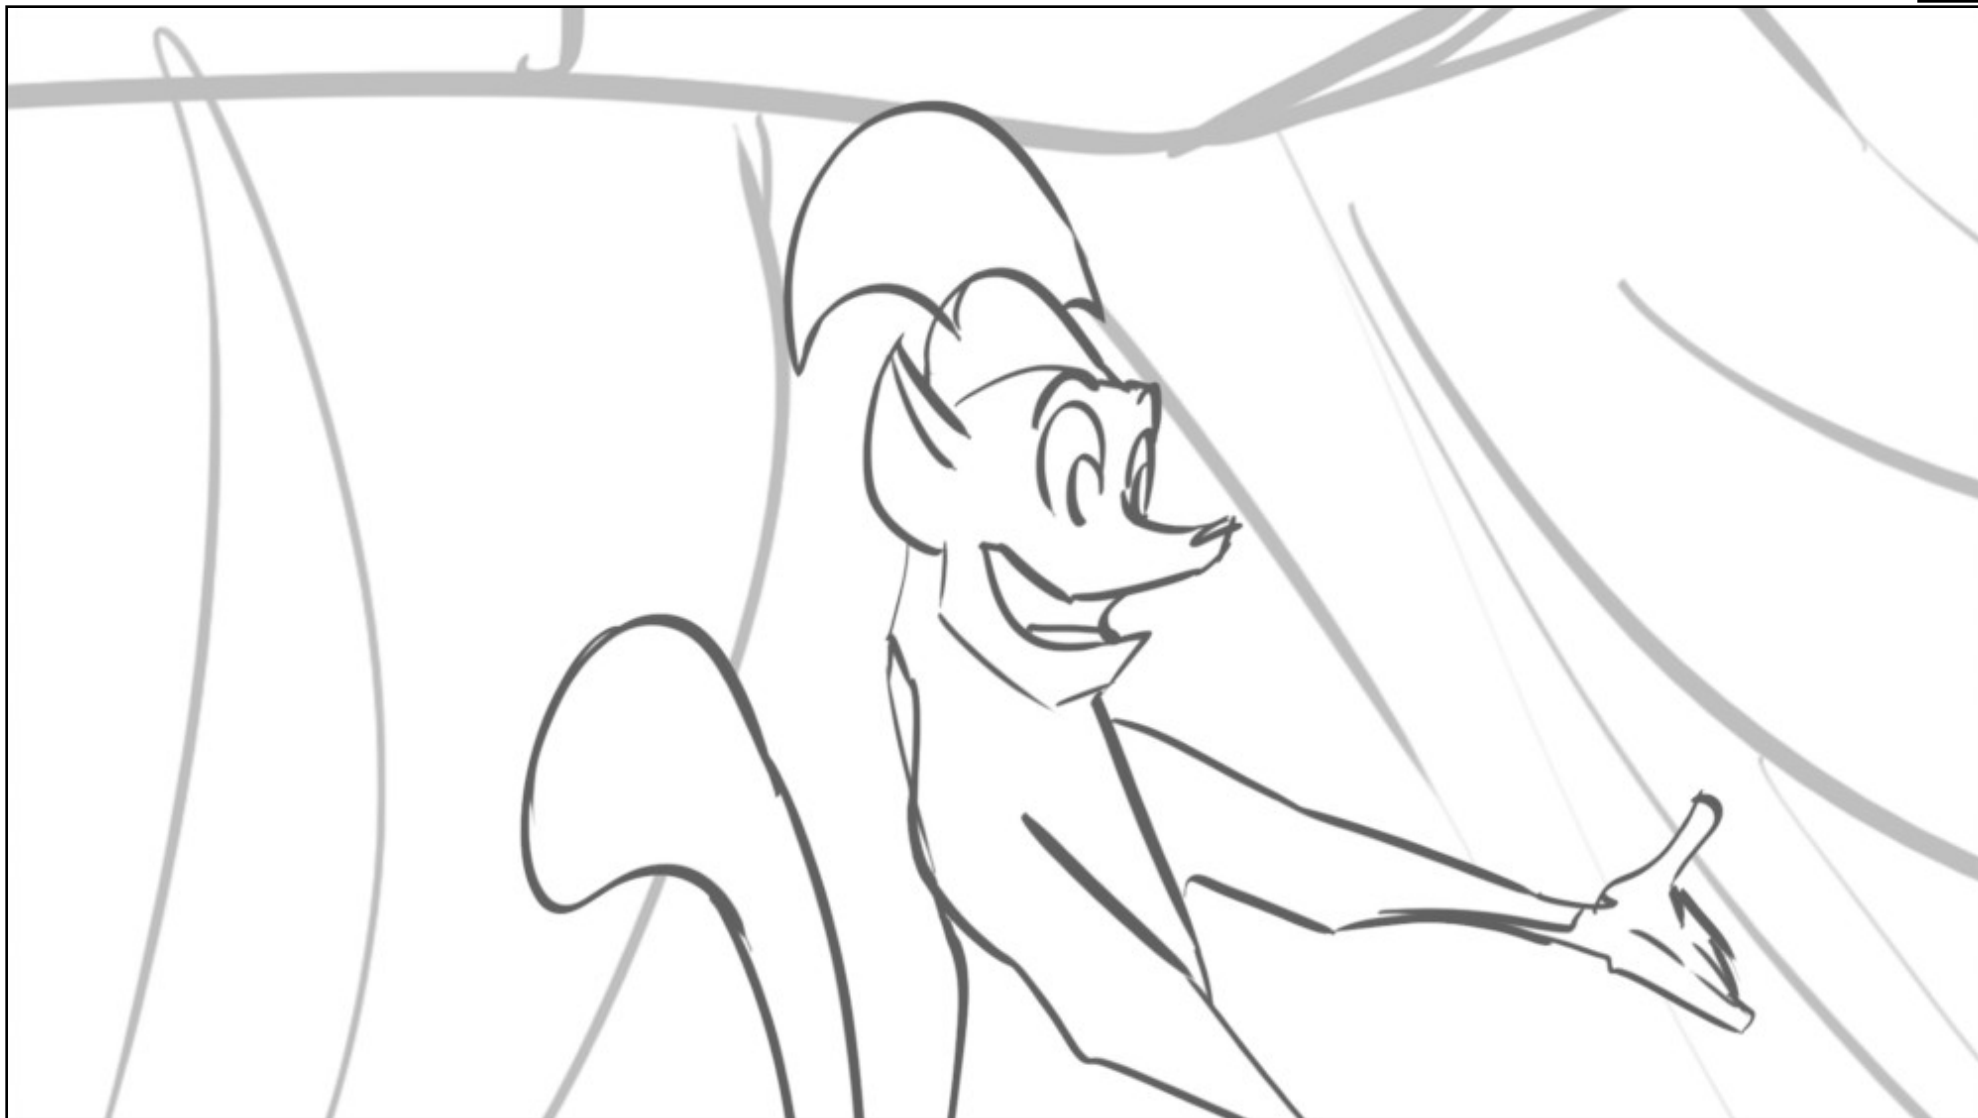

0102-2
There should be two candidates...

120

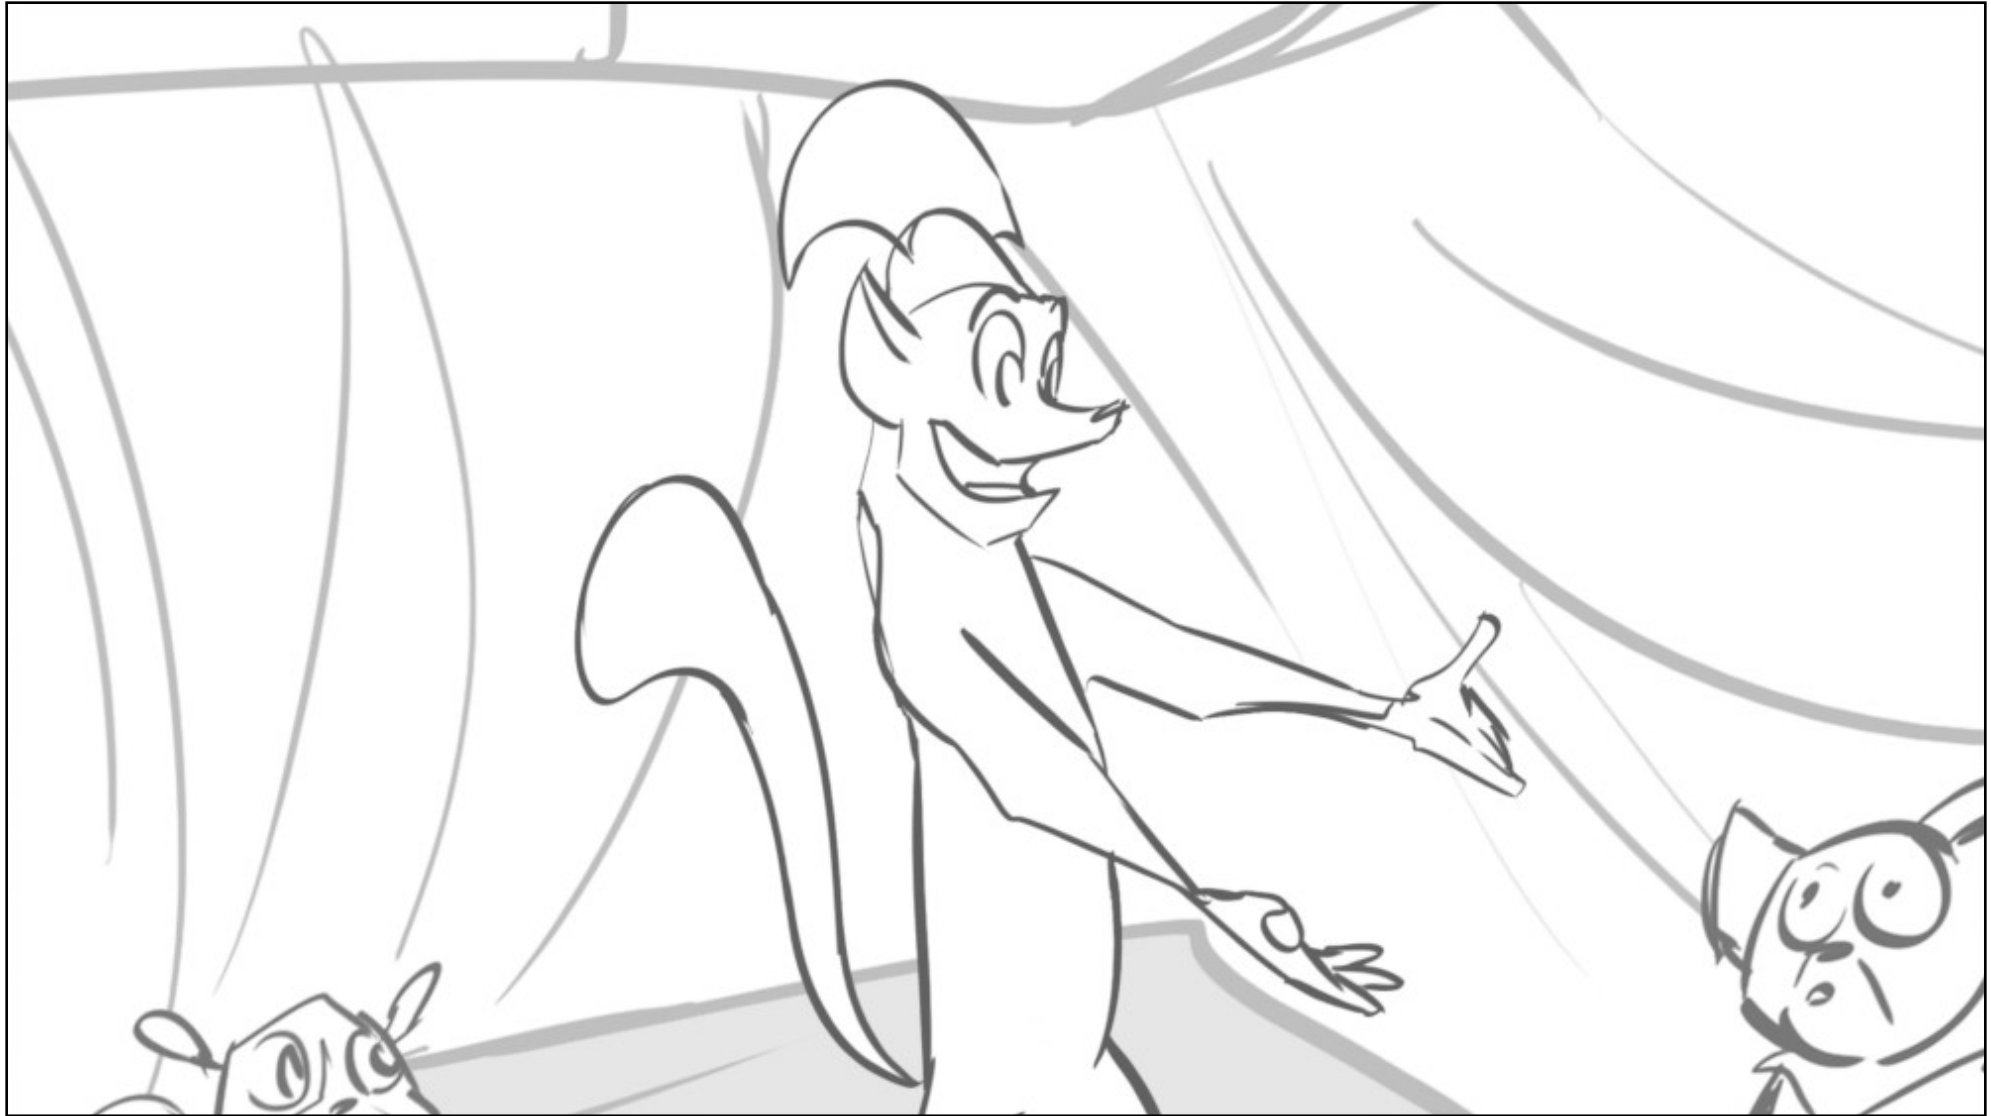

0103
and they should be, who?

121

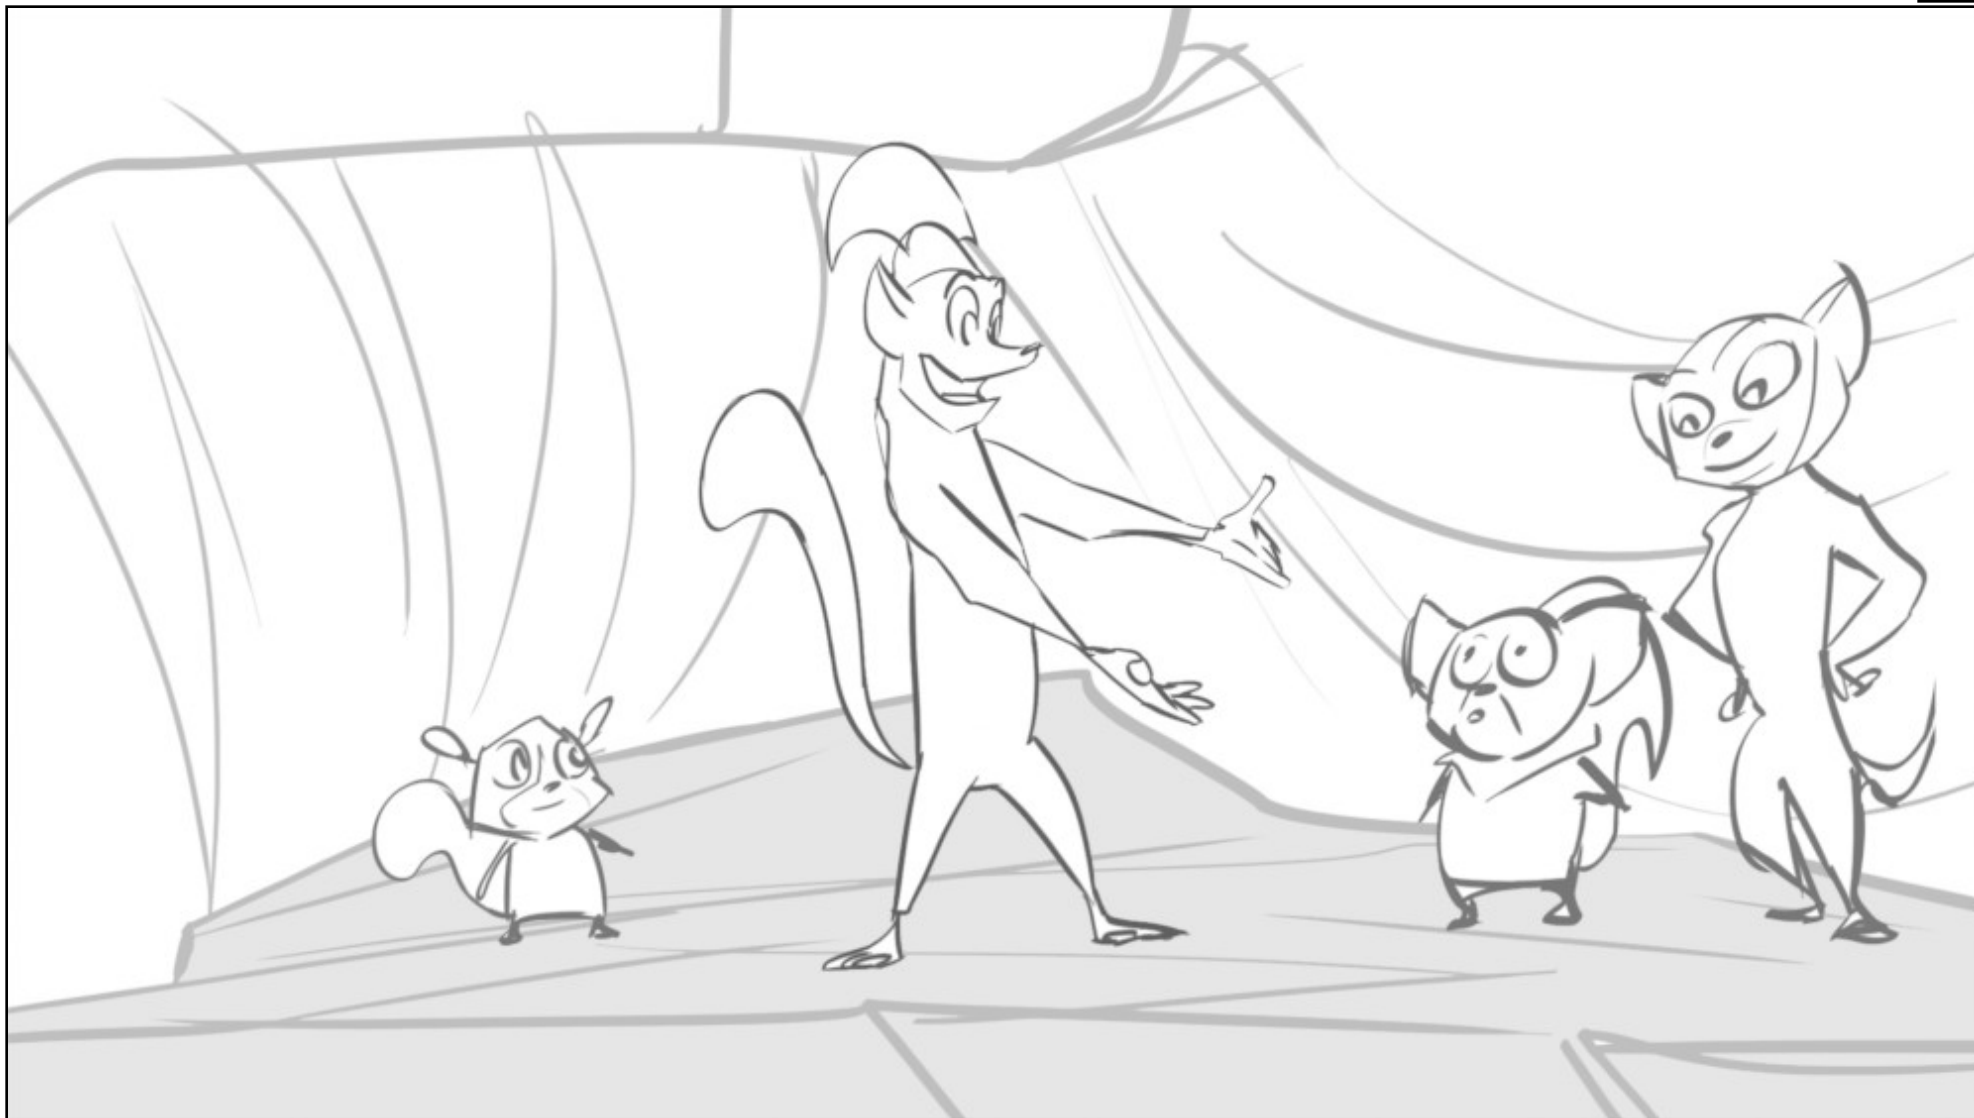

0104-2
and they should be, who?

122

0105-2

123

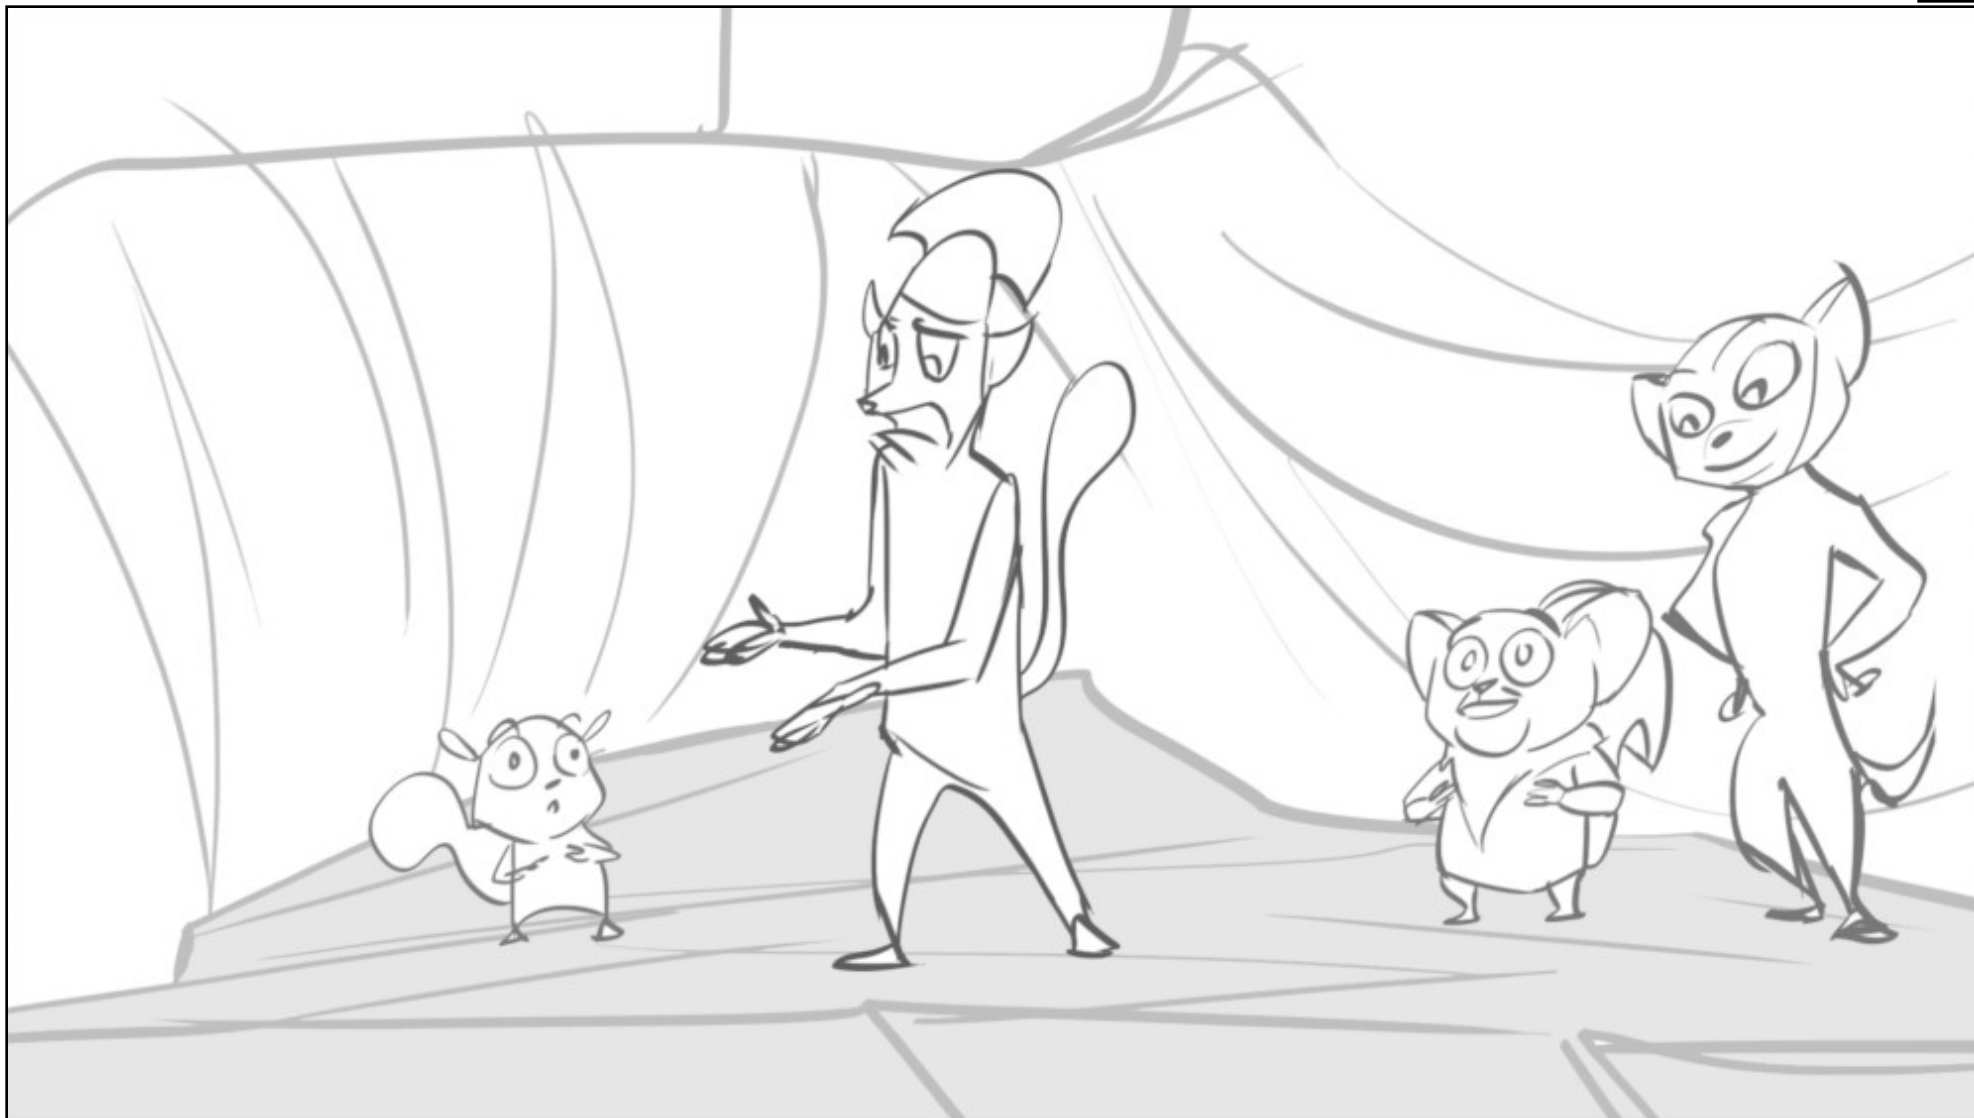

0106-2
Maurice!

124

0107-2

125

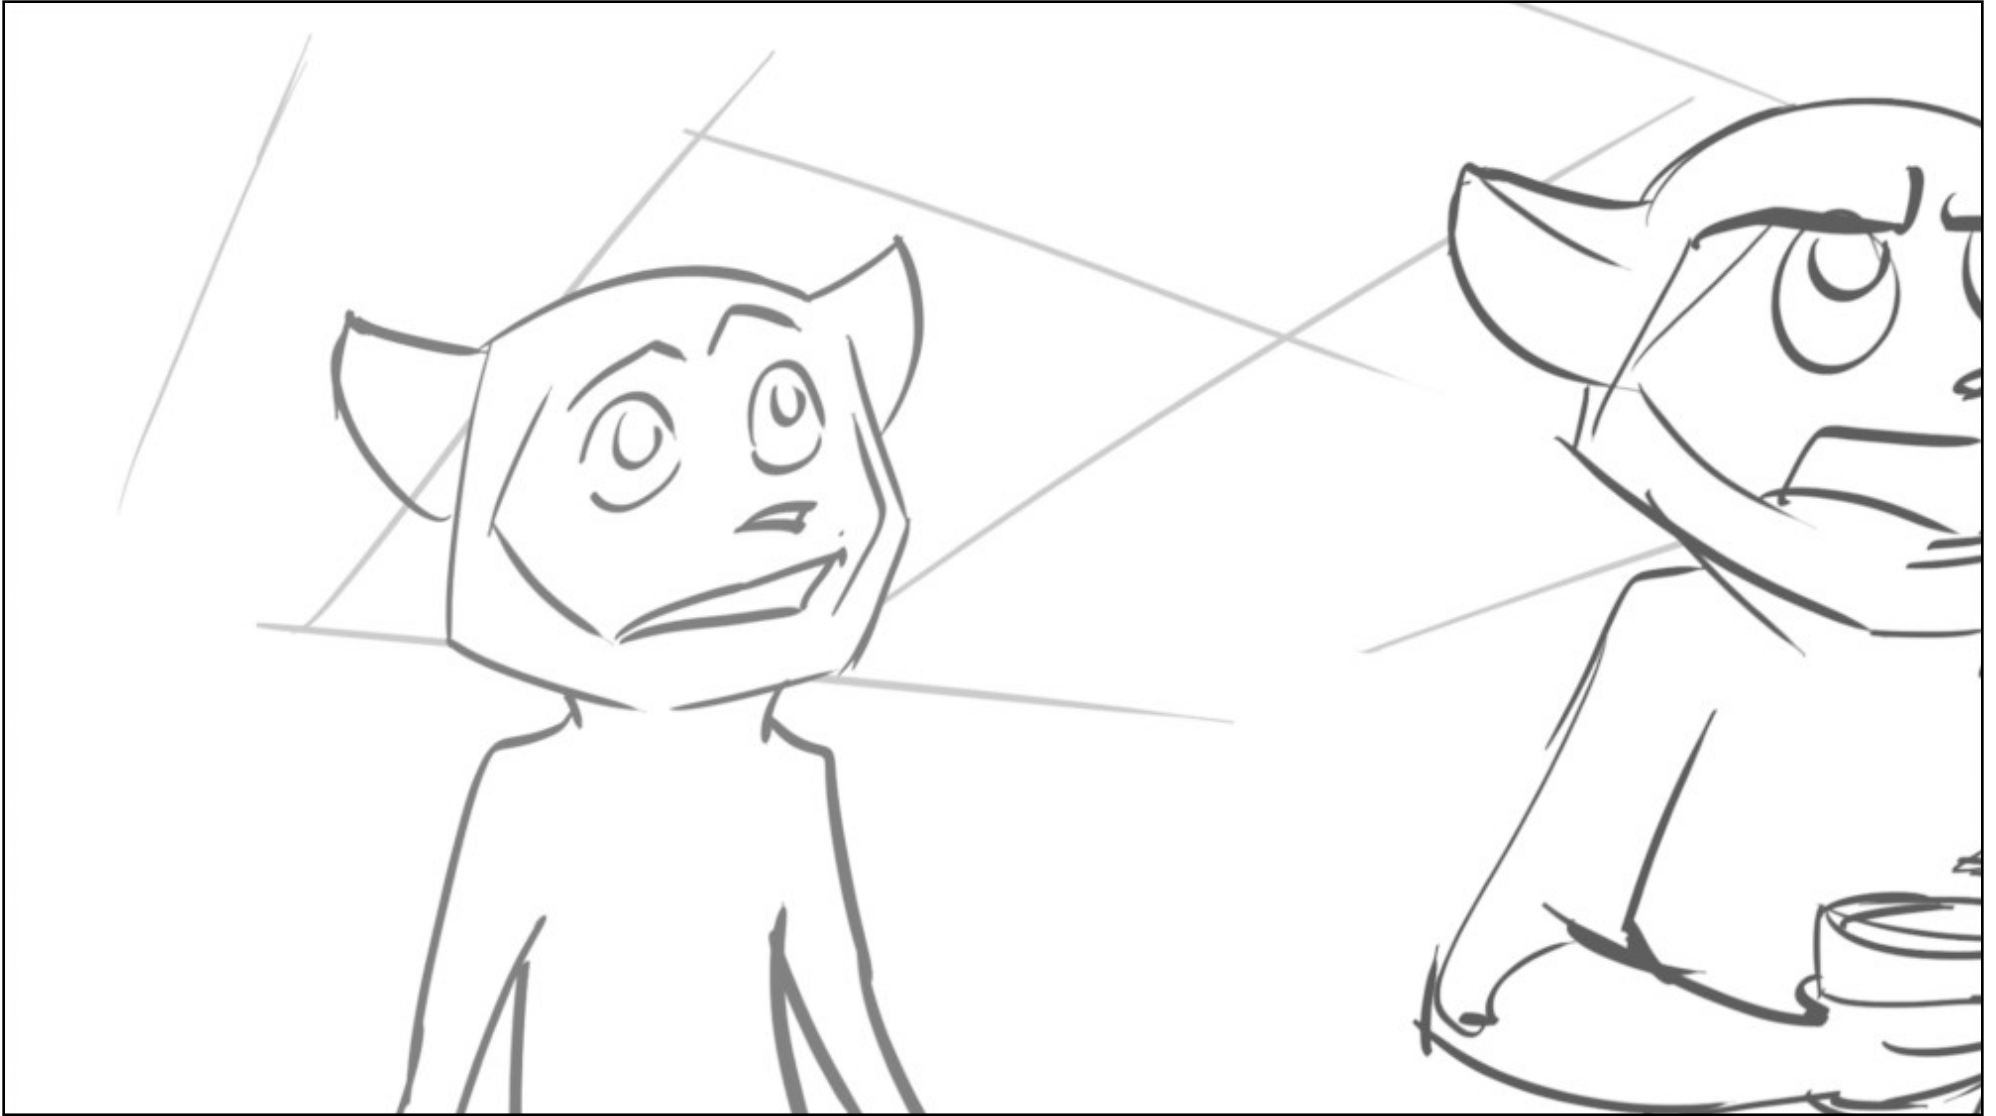

0108-2
And Mort!

126

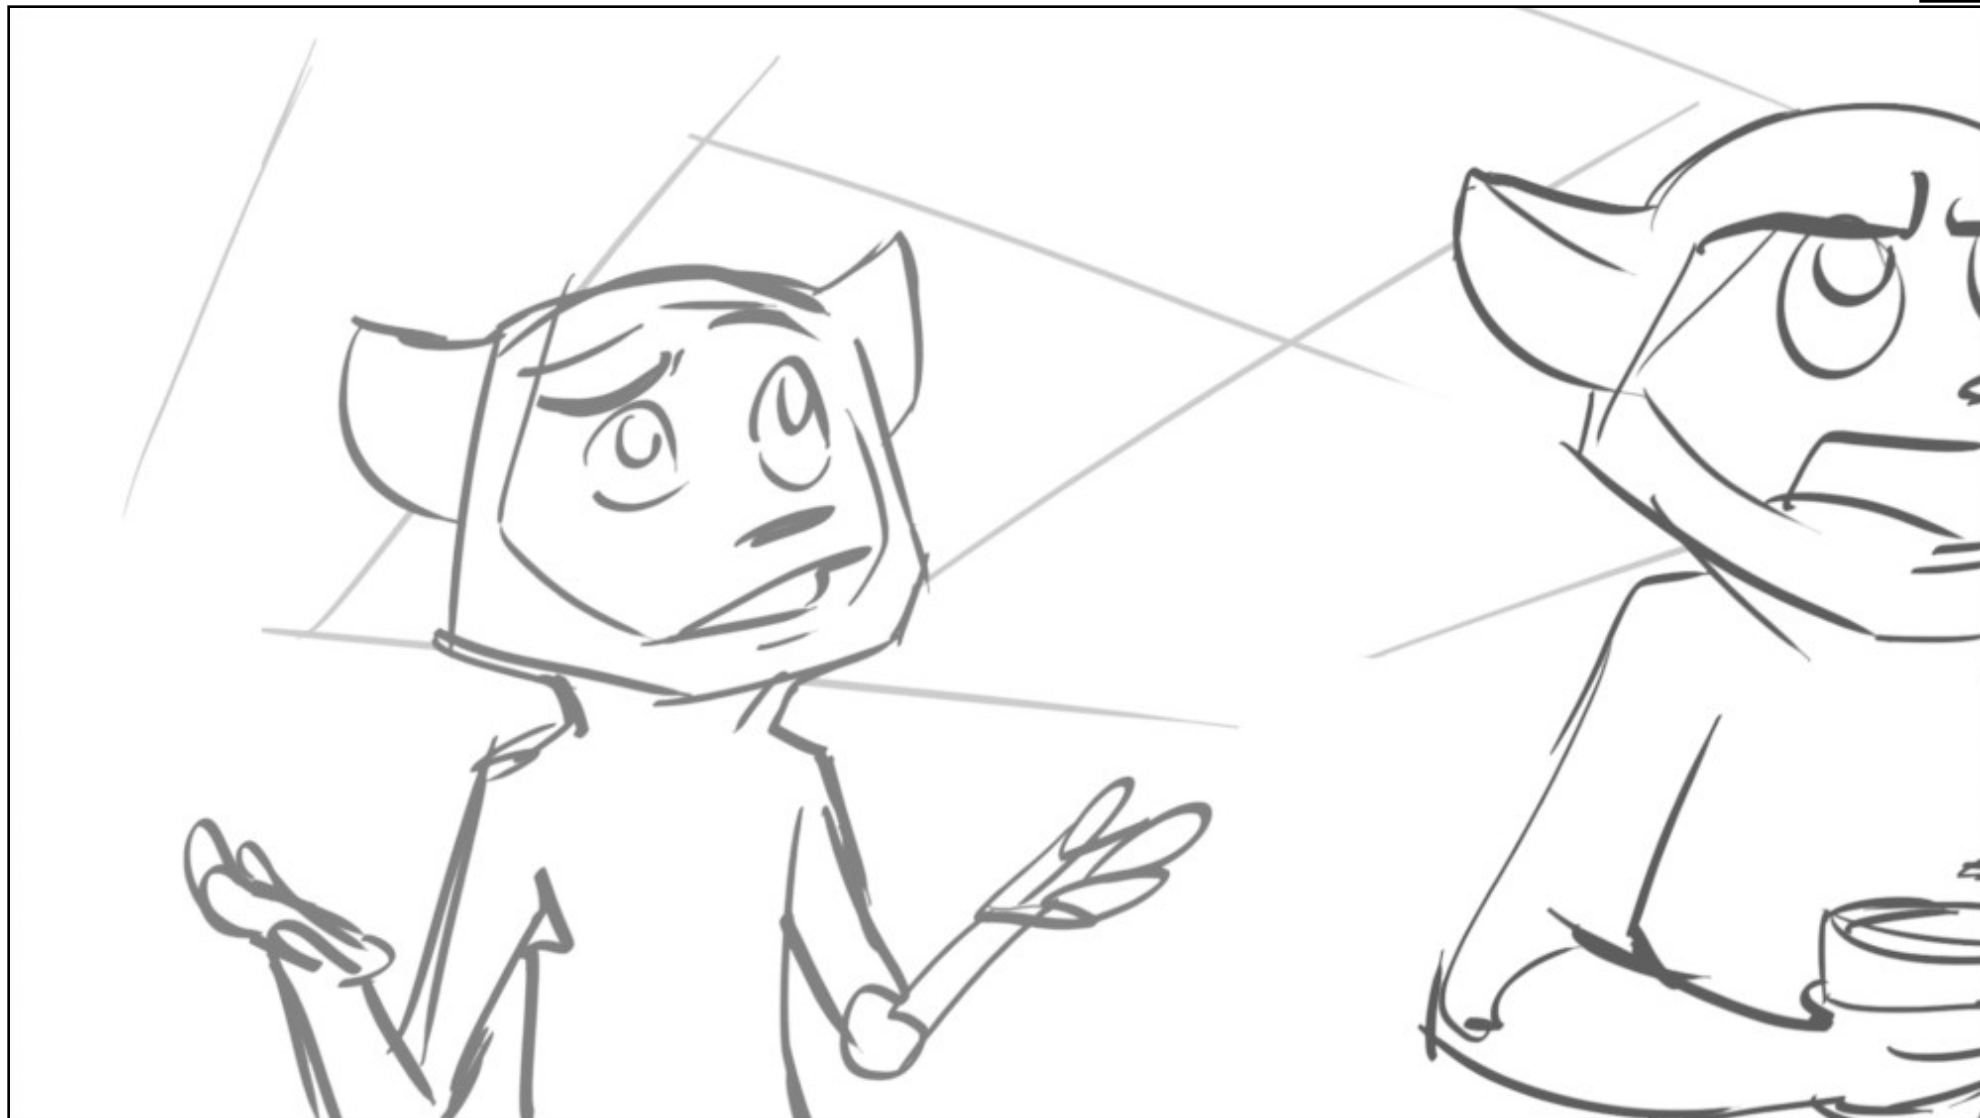

0220
The people have spoken!

127

0109

128

0110
WILLIE

28 I don't remember anybody speaking.

129

0111

130

0112
HORST

131

29 Wait a roly-polie-pickin' moment! 29
Those are our only two choices?

0113
HORST

29 Wait a roly-polie-pickin' moment! 29
Those are our only two choices?

132

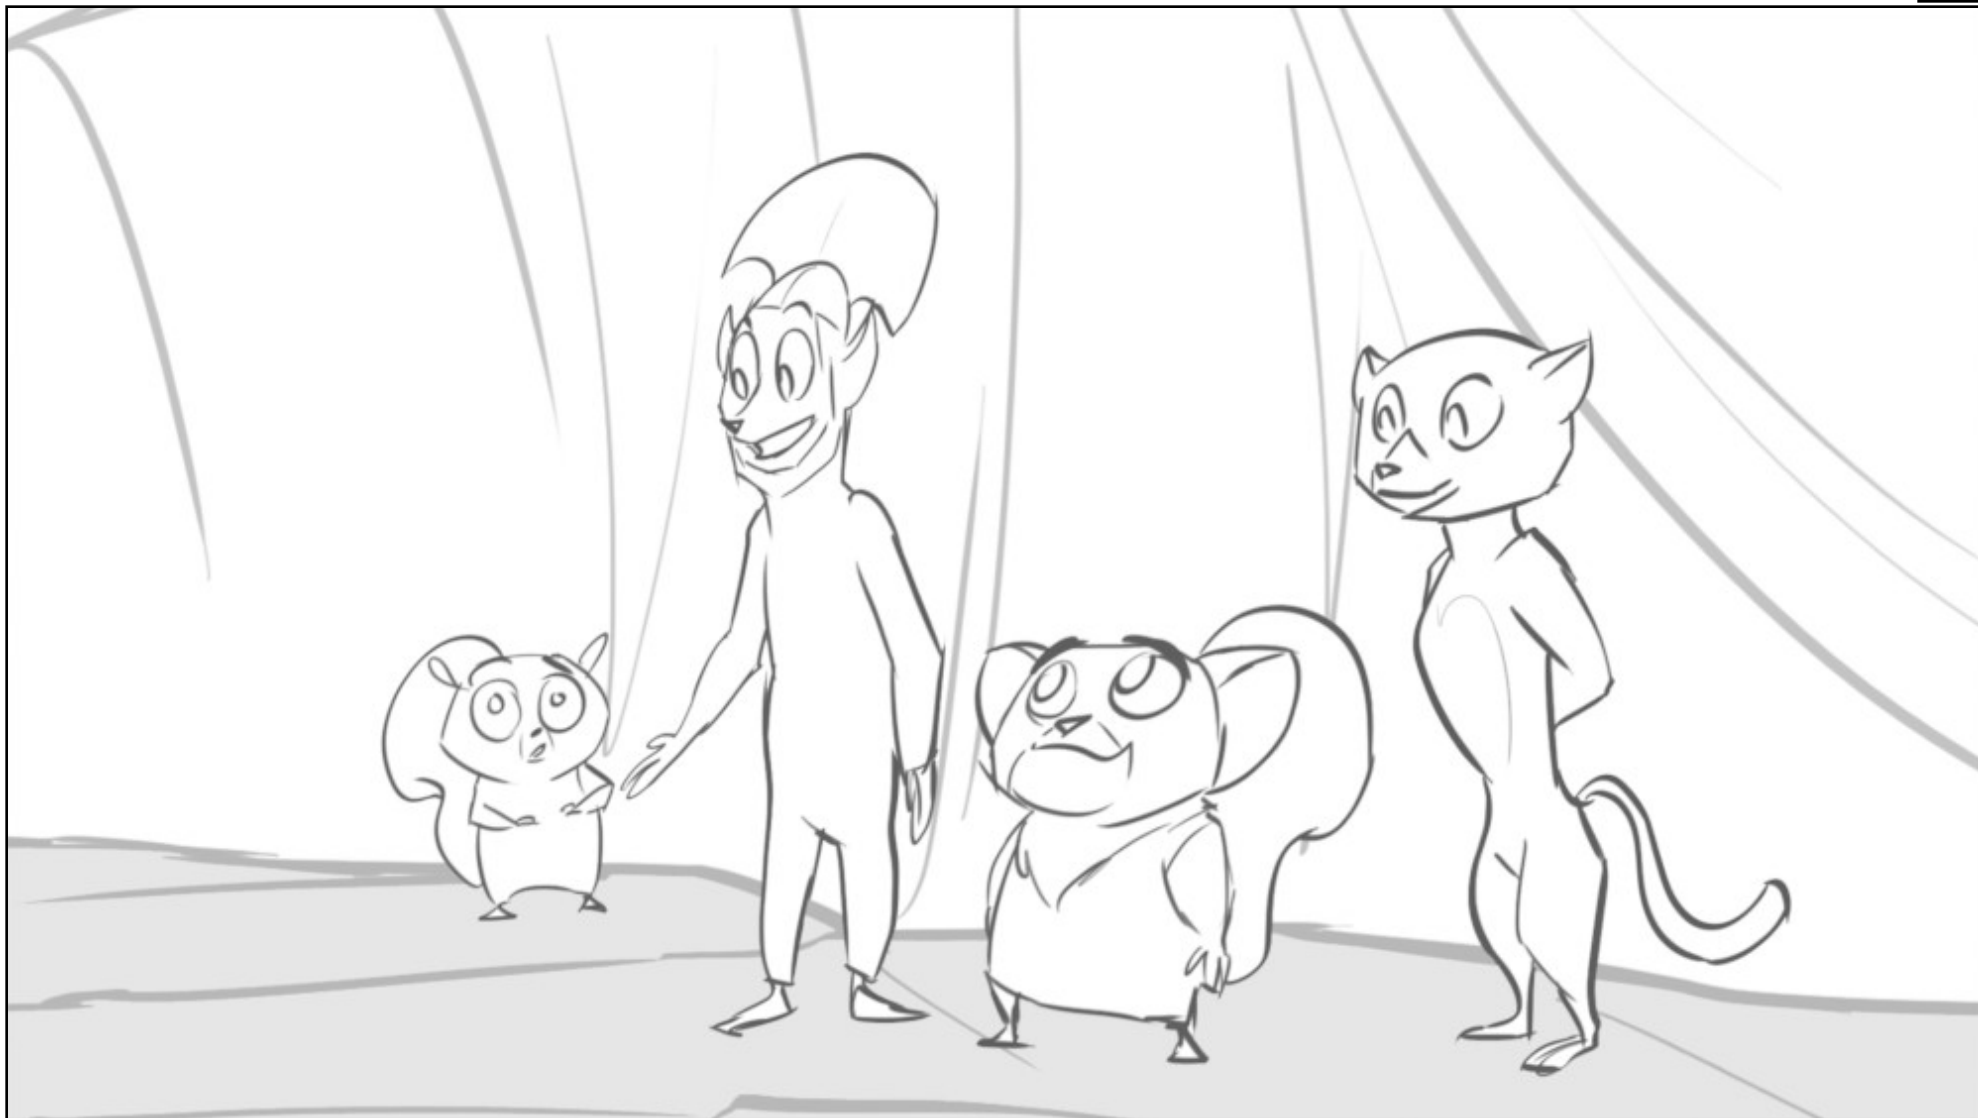

0221

133

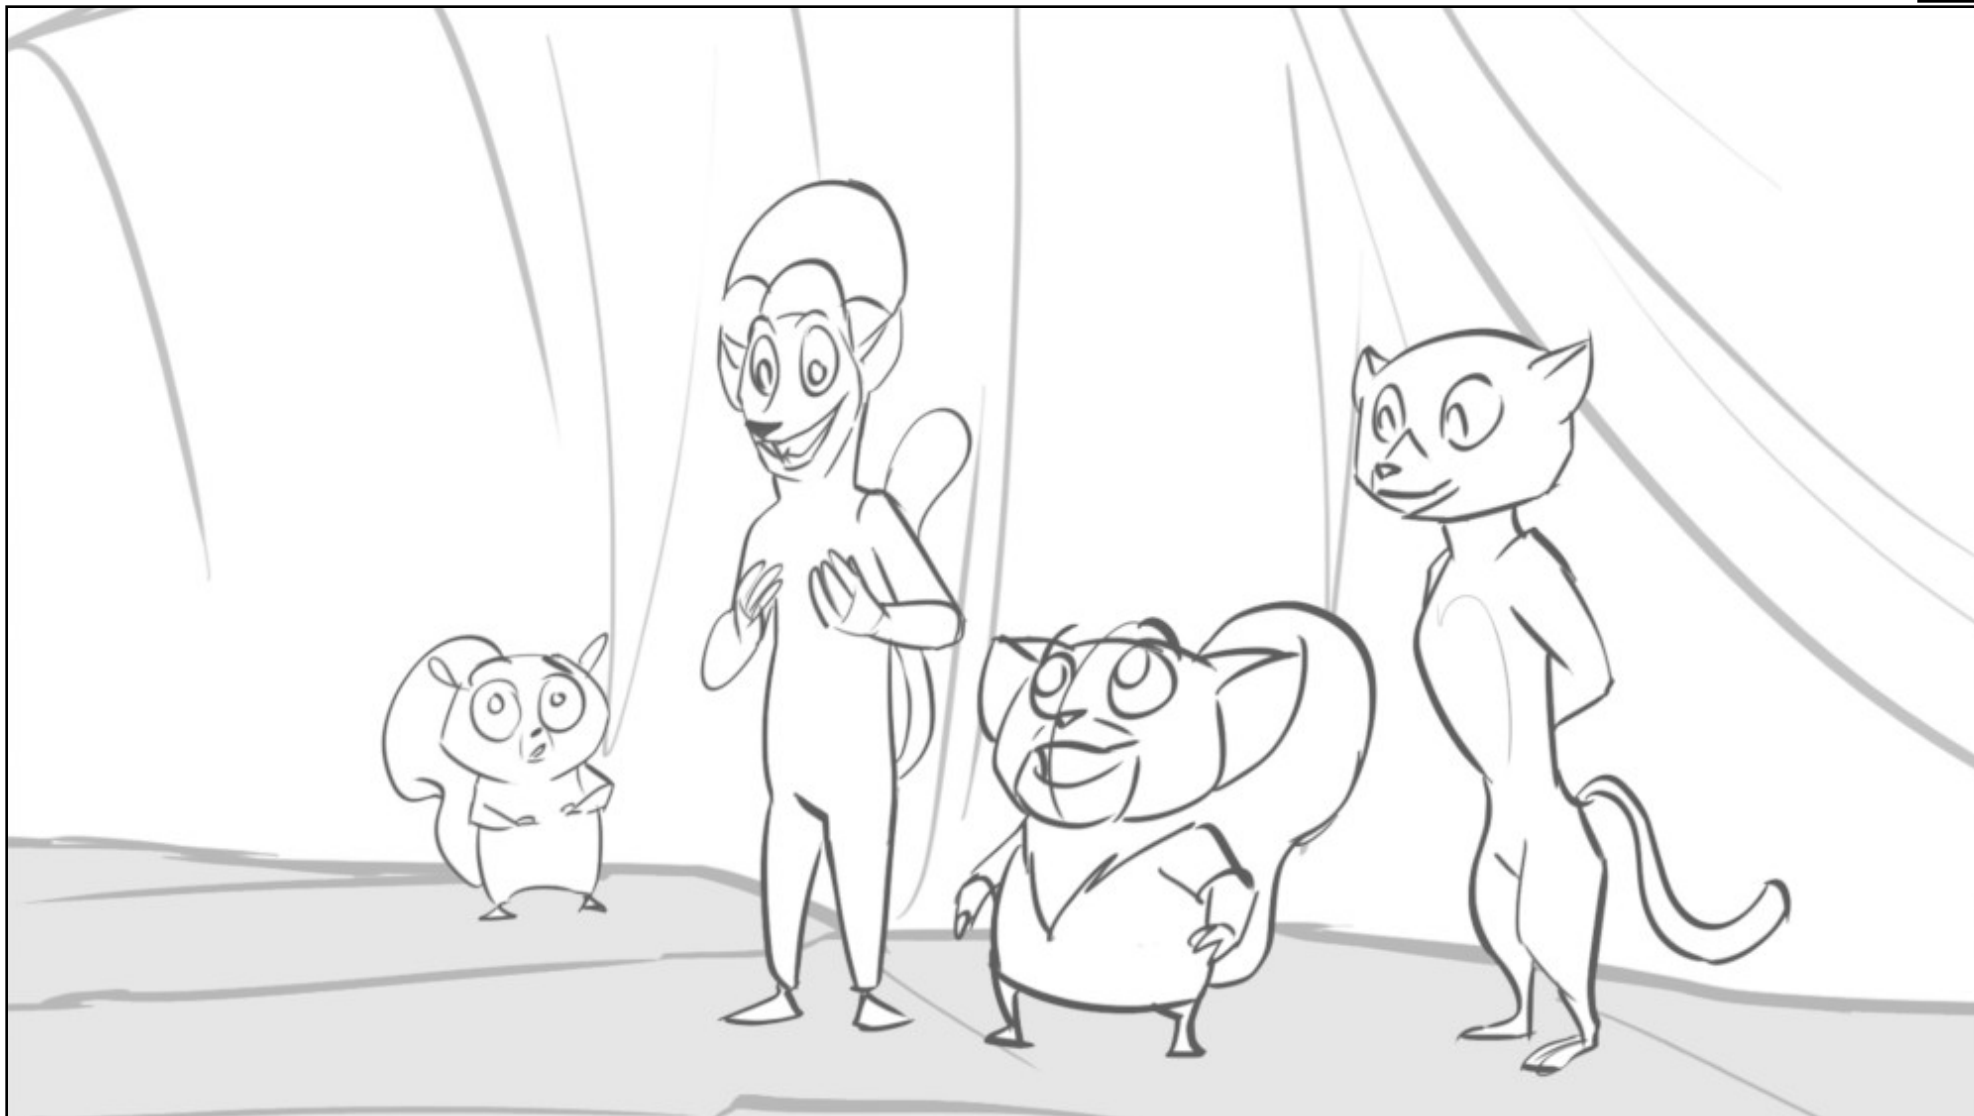

0114-2
If you two agree,

134

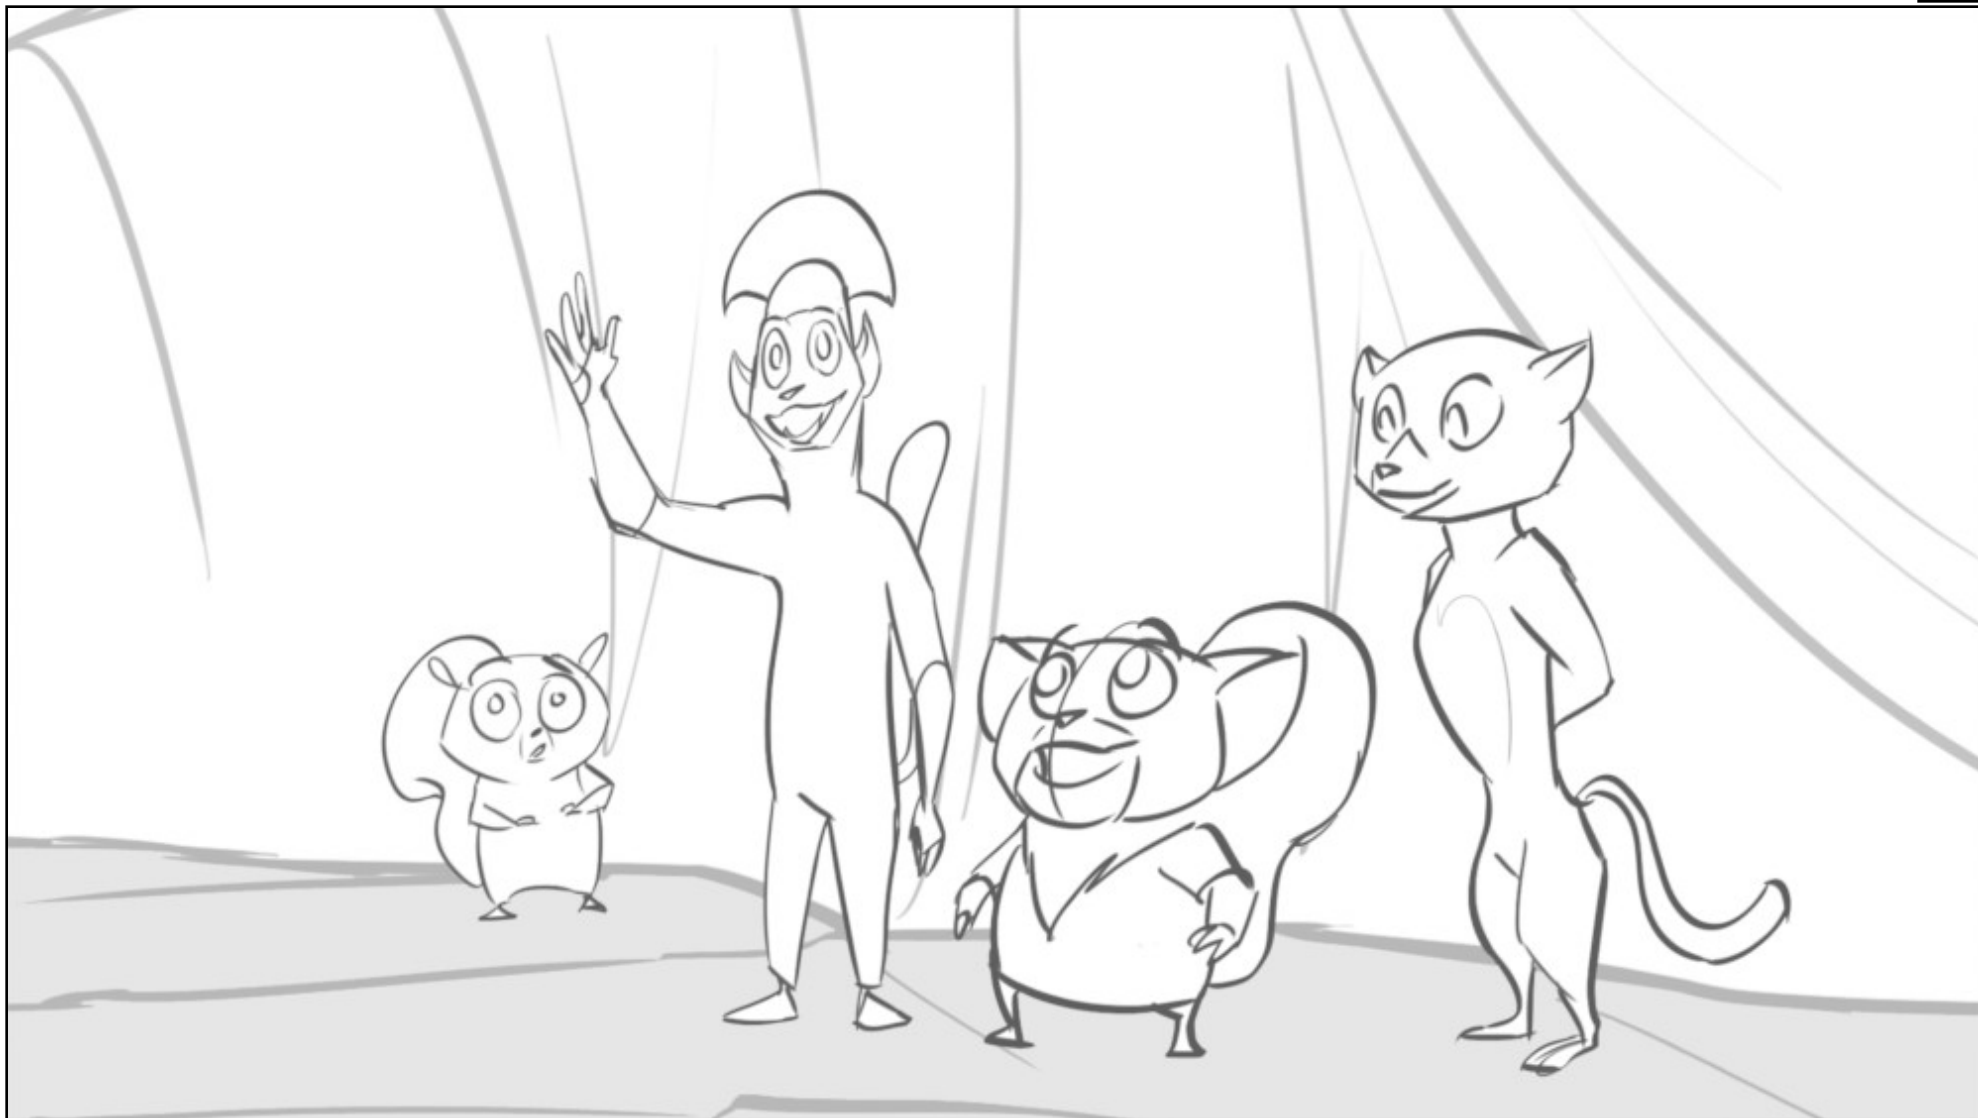

0115-2
If you two agree,

135

0116-2
I will personally

136

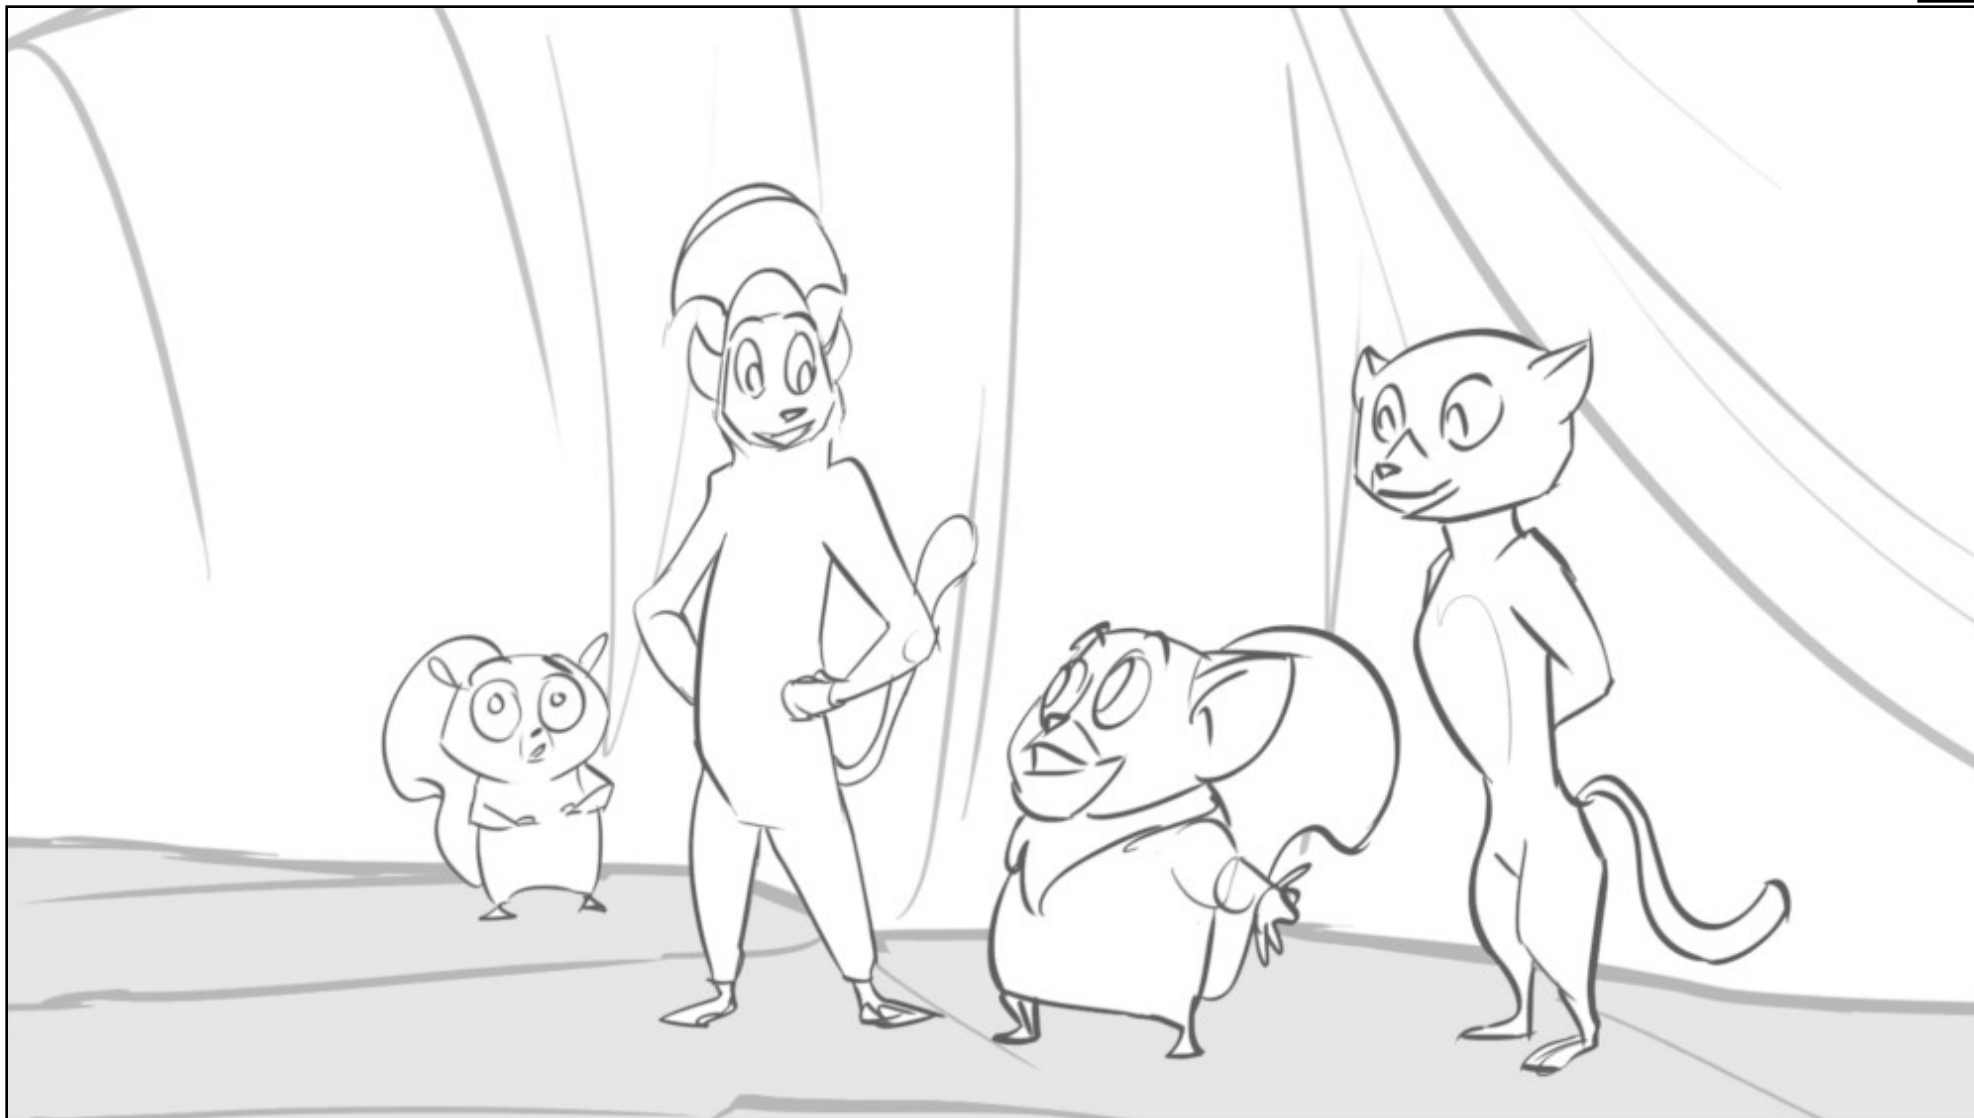

0117-2
set the election

137

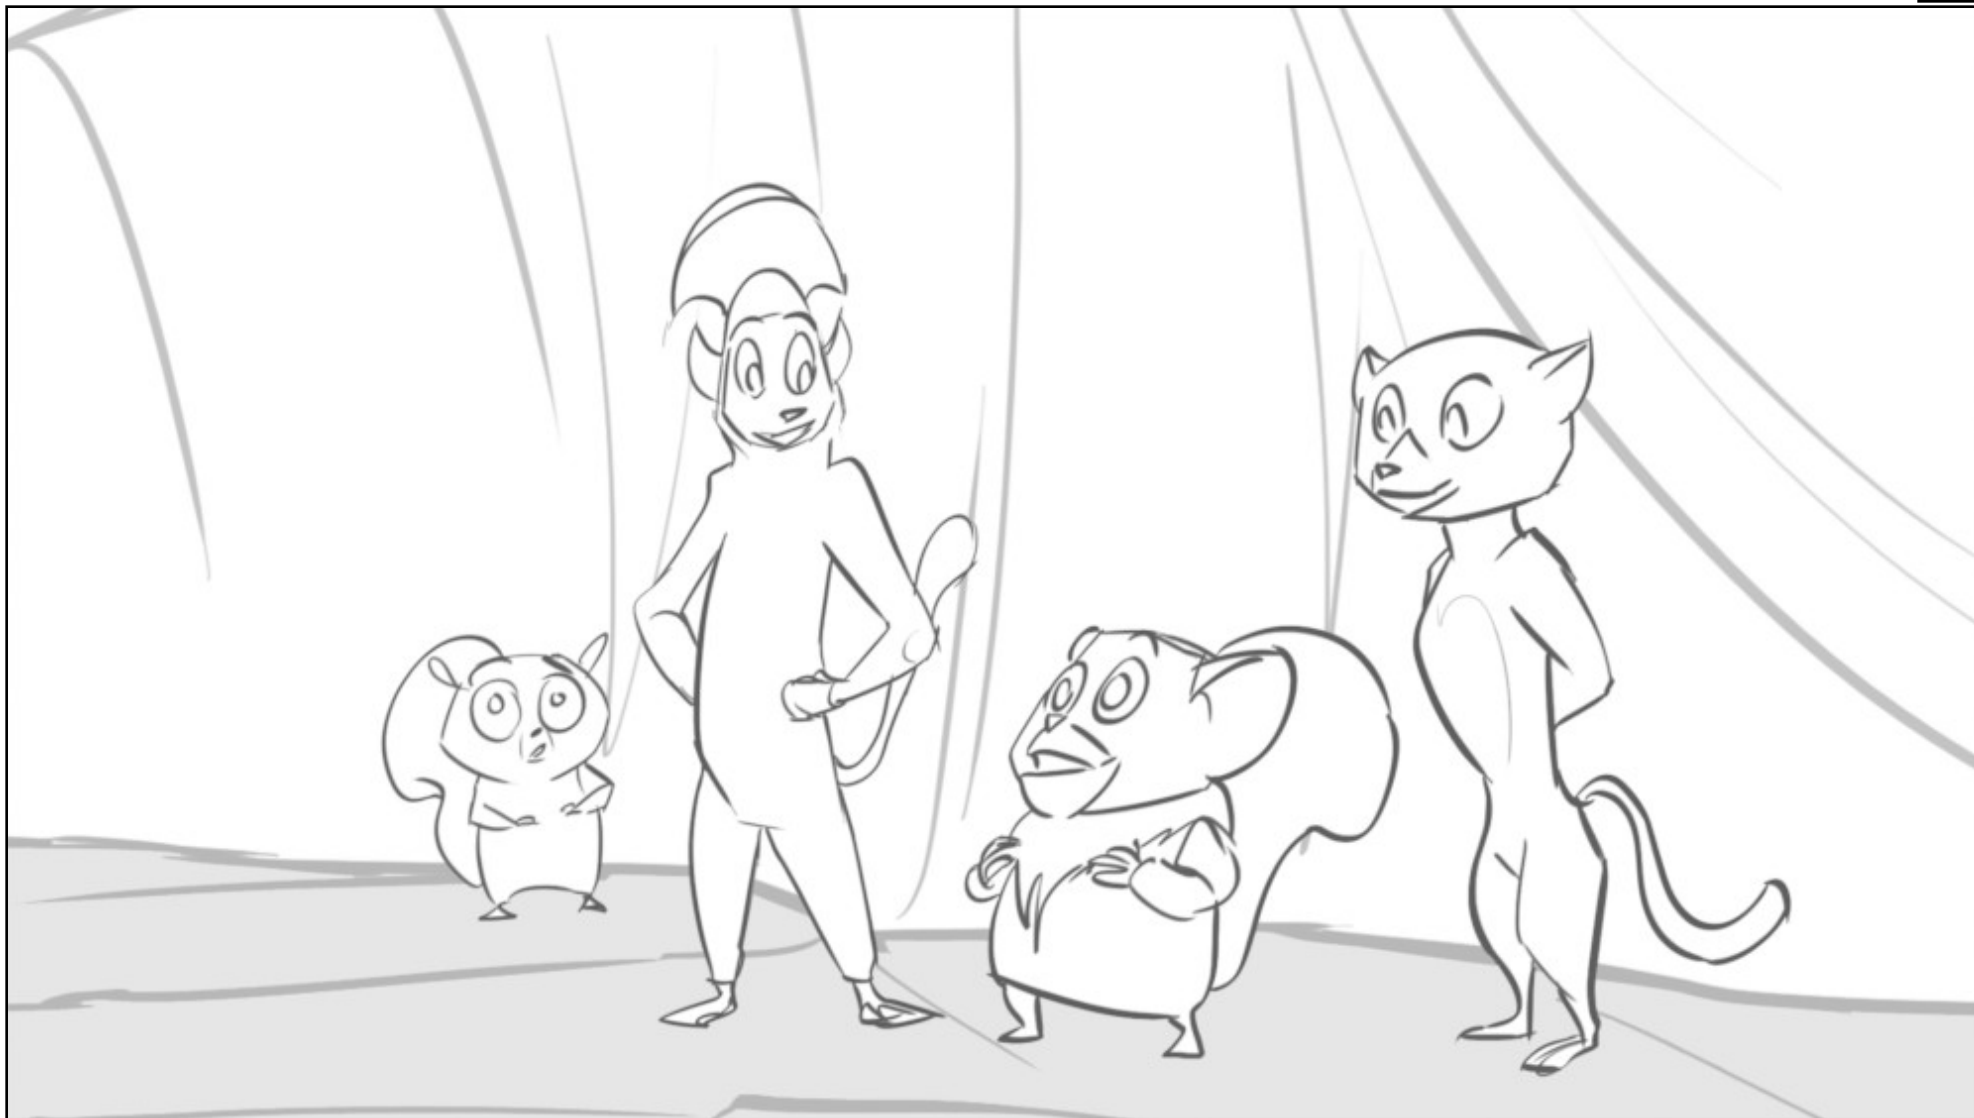

0118-2
in three days.

138

0119-2
MAURICE
31 Really?!

139

0120-2
The people want me?

140

0121
I totally agree, King Julien.

141

0122
In fact, it's quite an honor.

142

0123
Thank you. Thank you all.

CONFUSED MORT
34 What's happening?

157

0138
PARANOID MORT
35 It's some kind of dirty trick.

0139
PARANOID MORT
35 It's some kind of dirty trick.

159

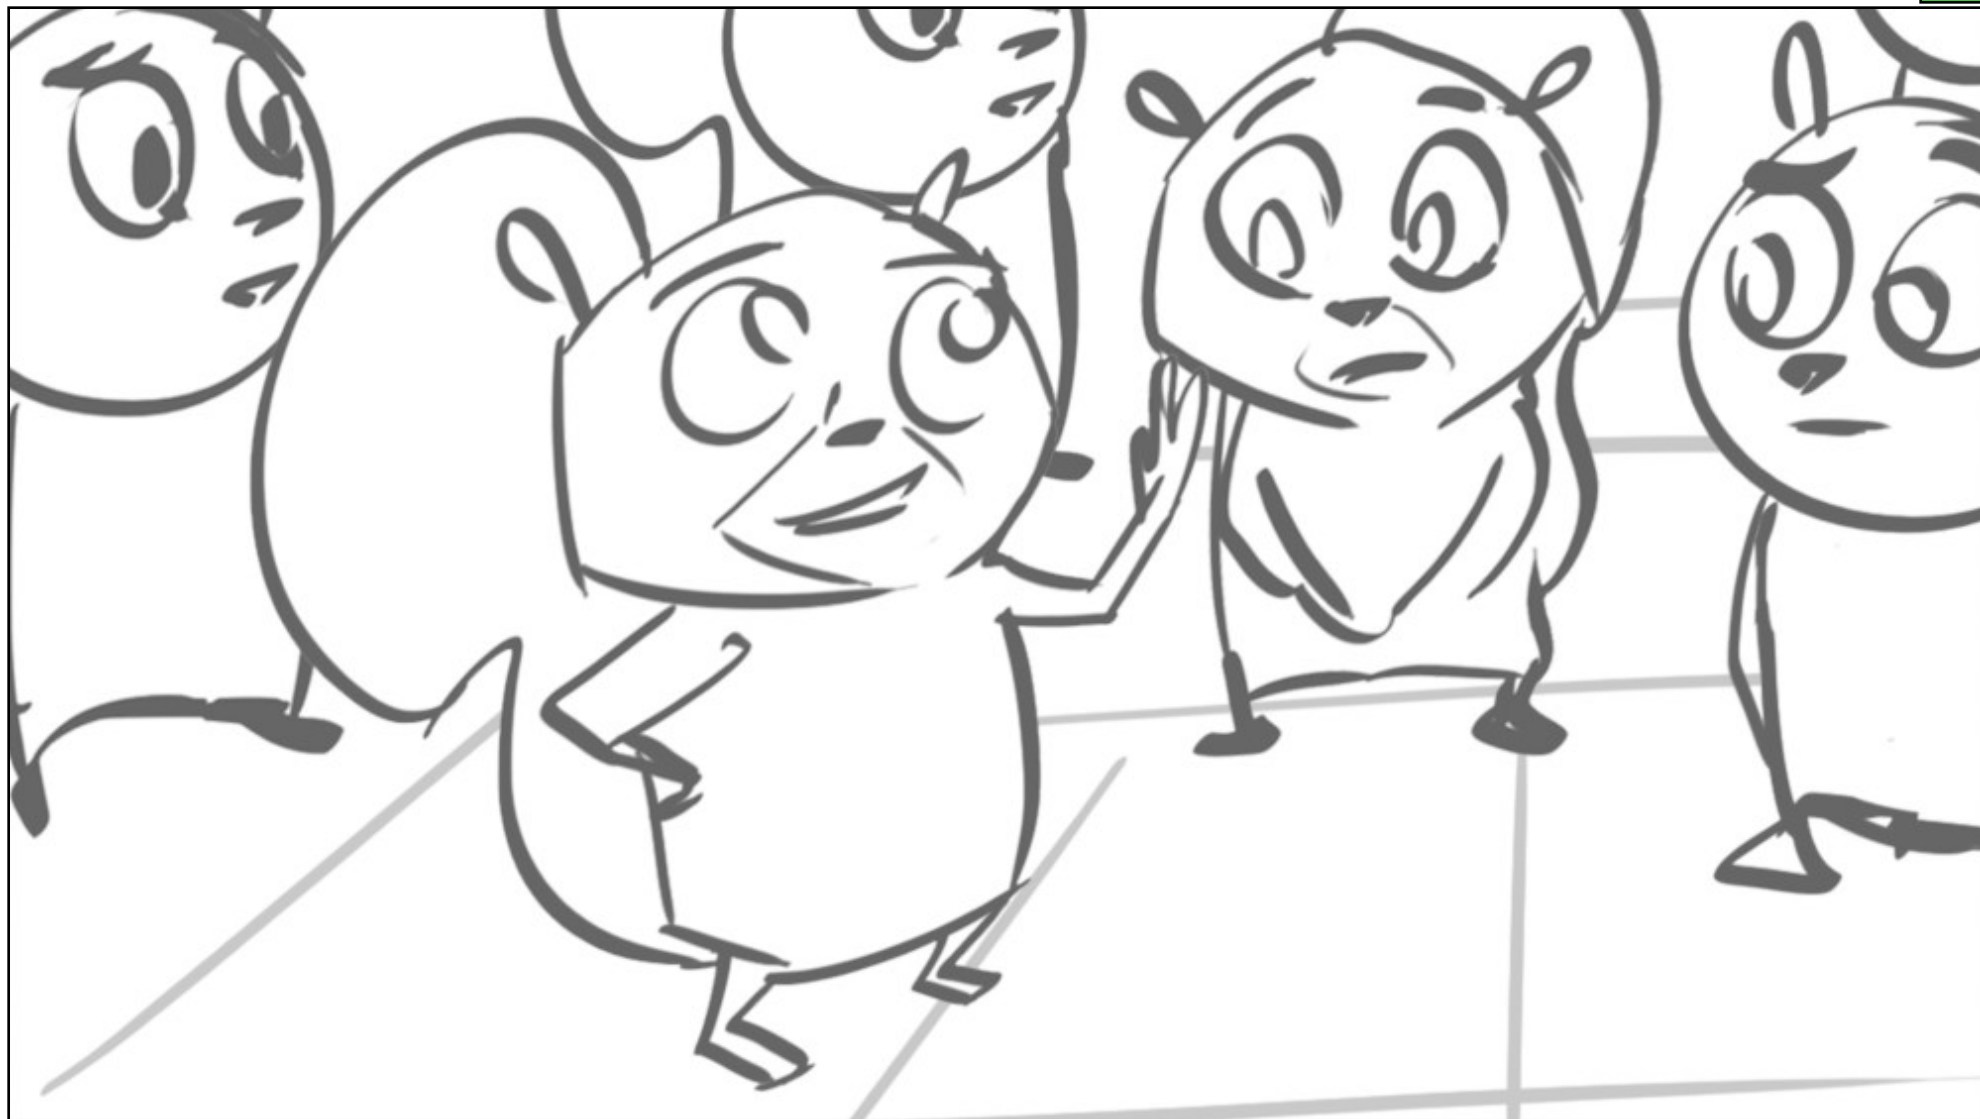

0140
No, listen everyone,

160

0141
this is our big chance!

161

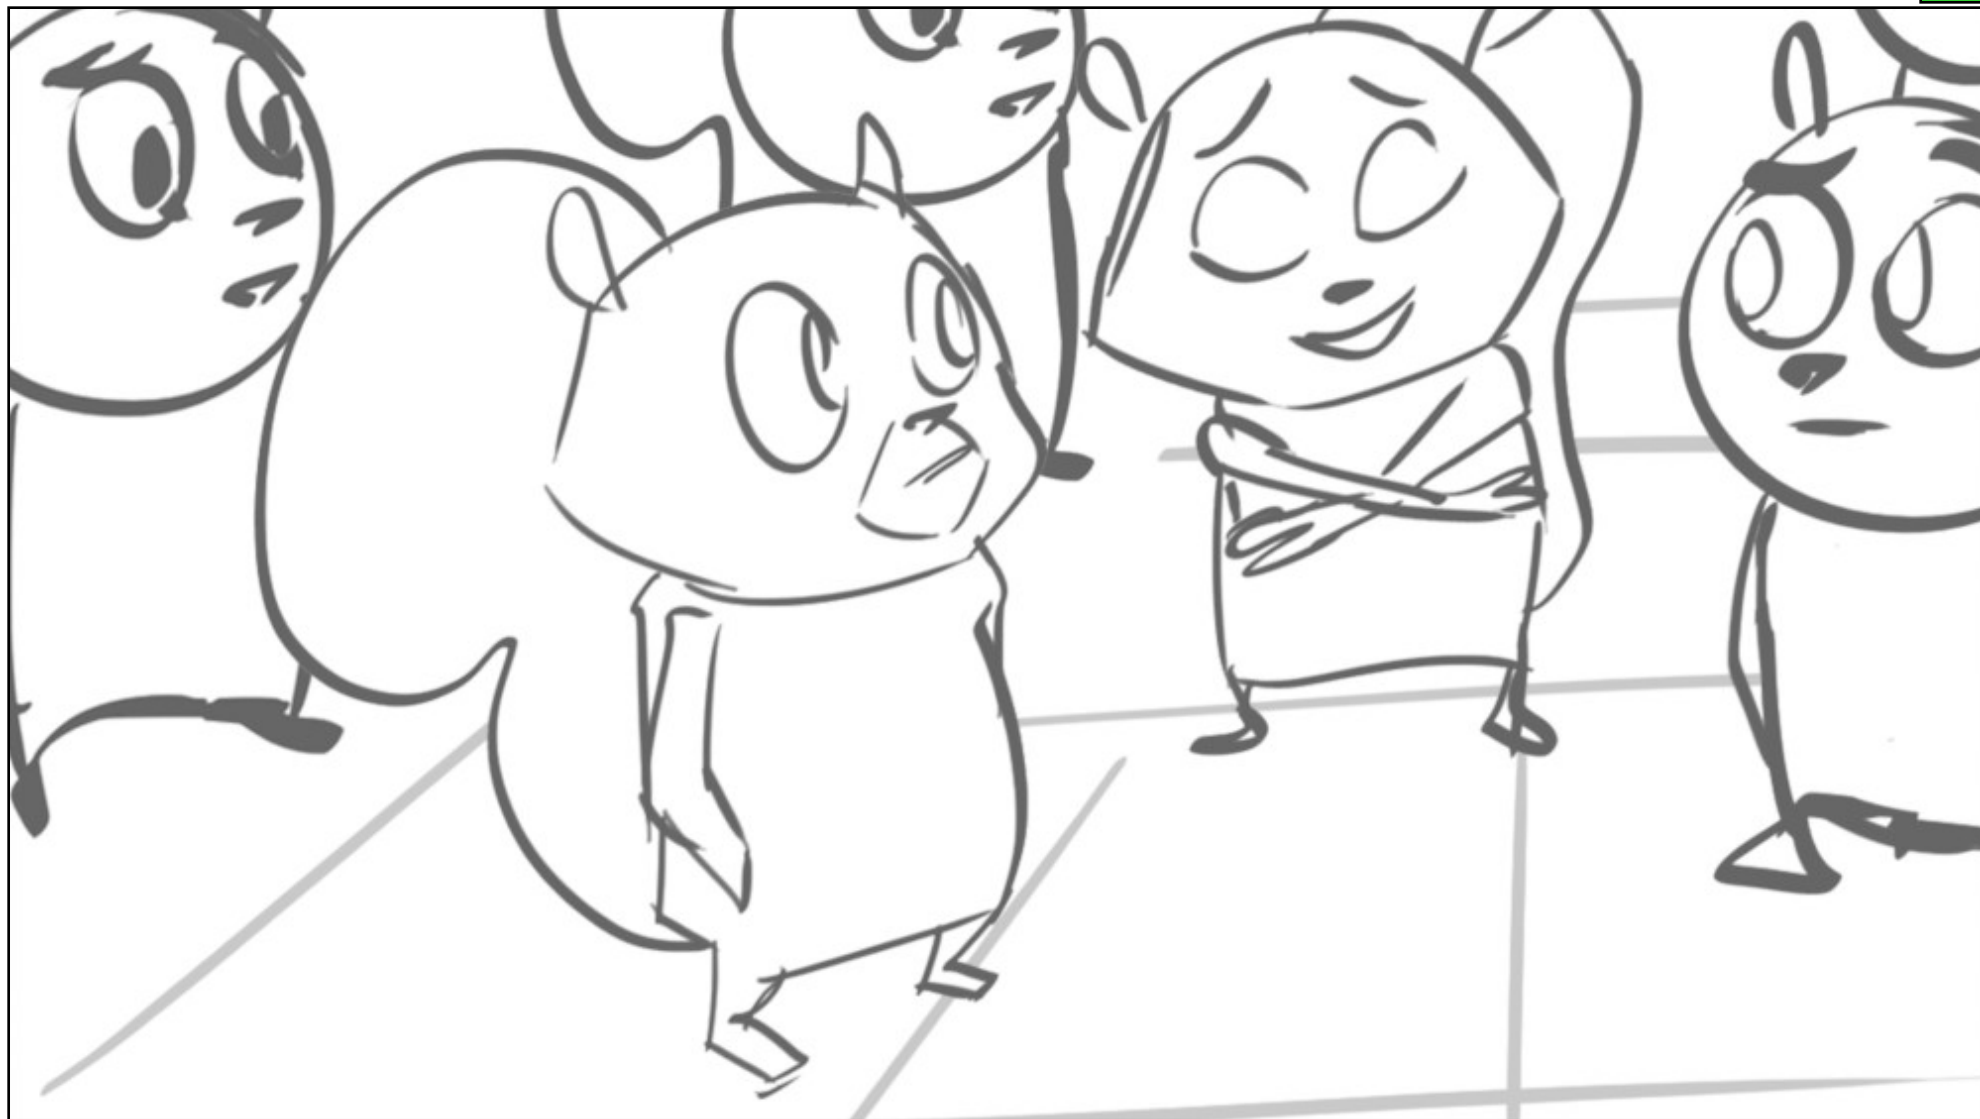

0142
If we win this thing,

162

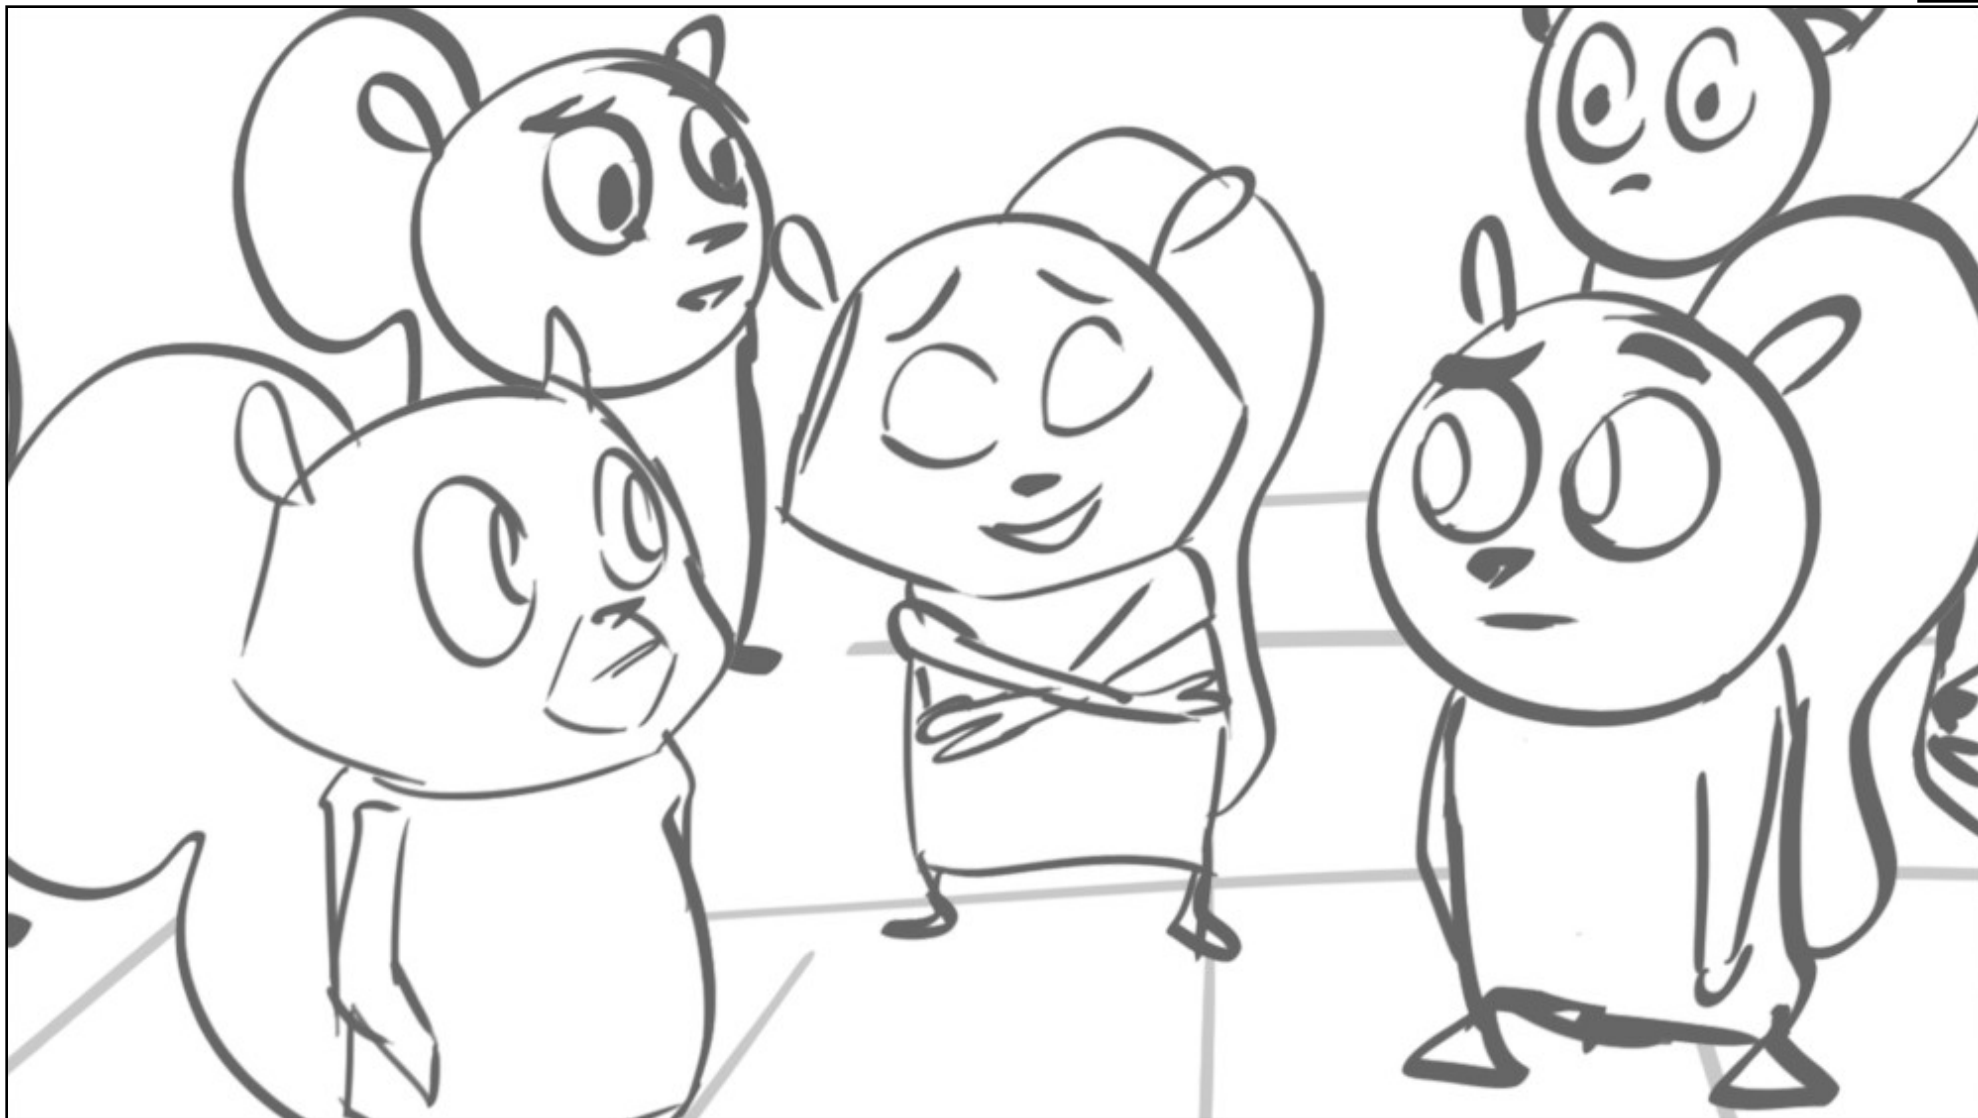

0143
we could show King Julien that we
are worthy of love...

163

0144
KJ-LOVING MORT
37 King Julien would shower us with 37
praise...

164

0145
KJ-LOVING MORT
37 King Julien would shower us with 37
praise...

165

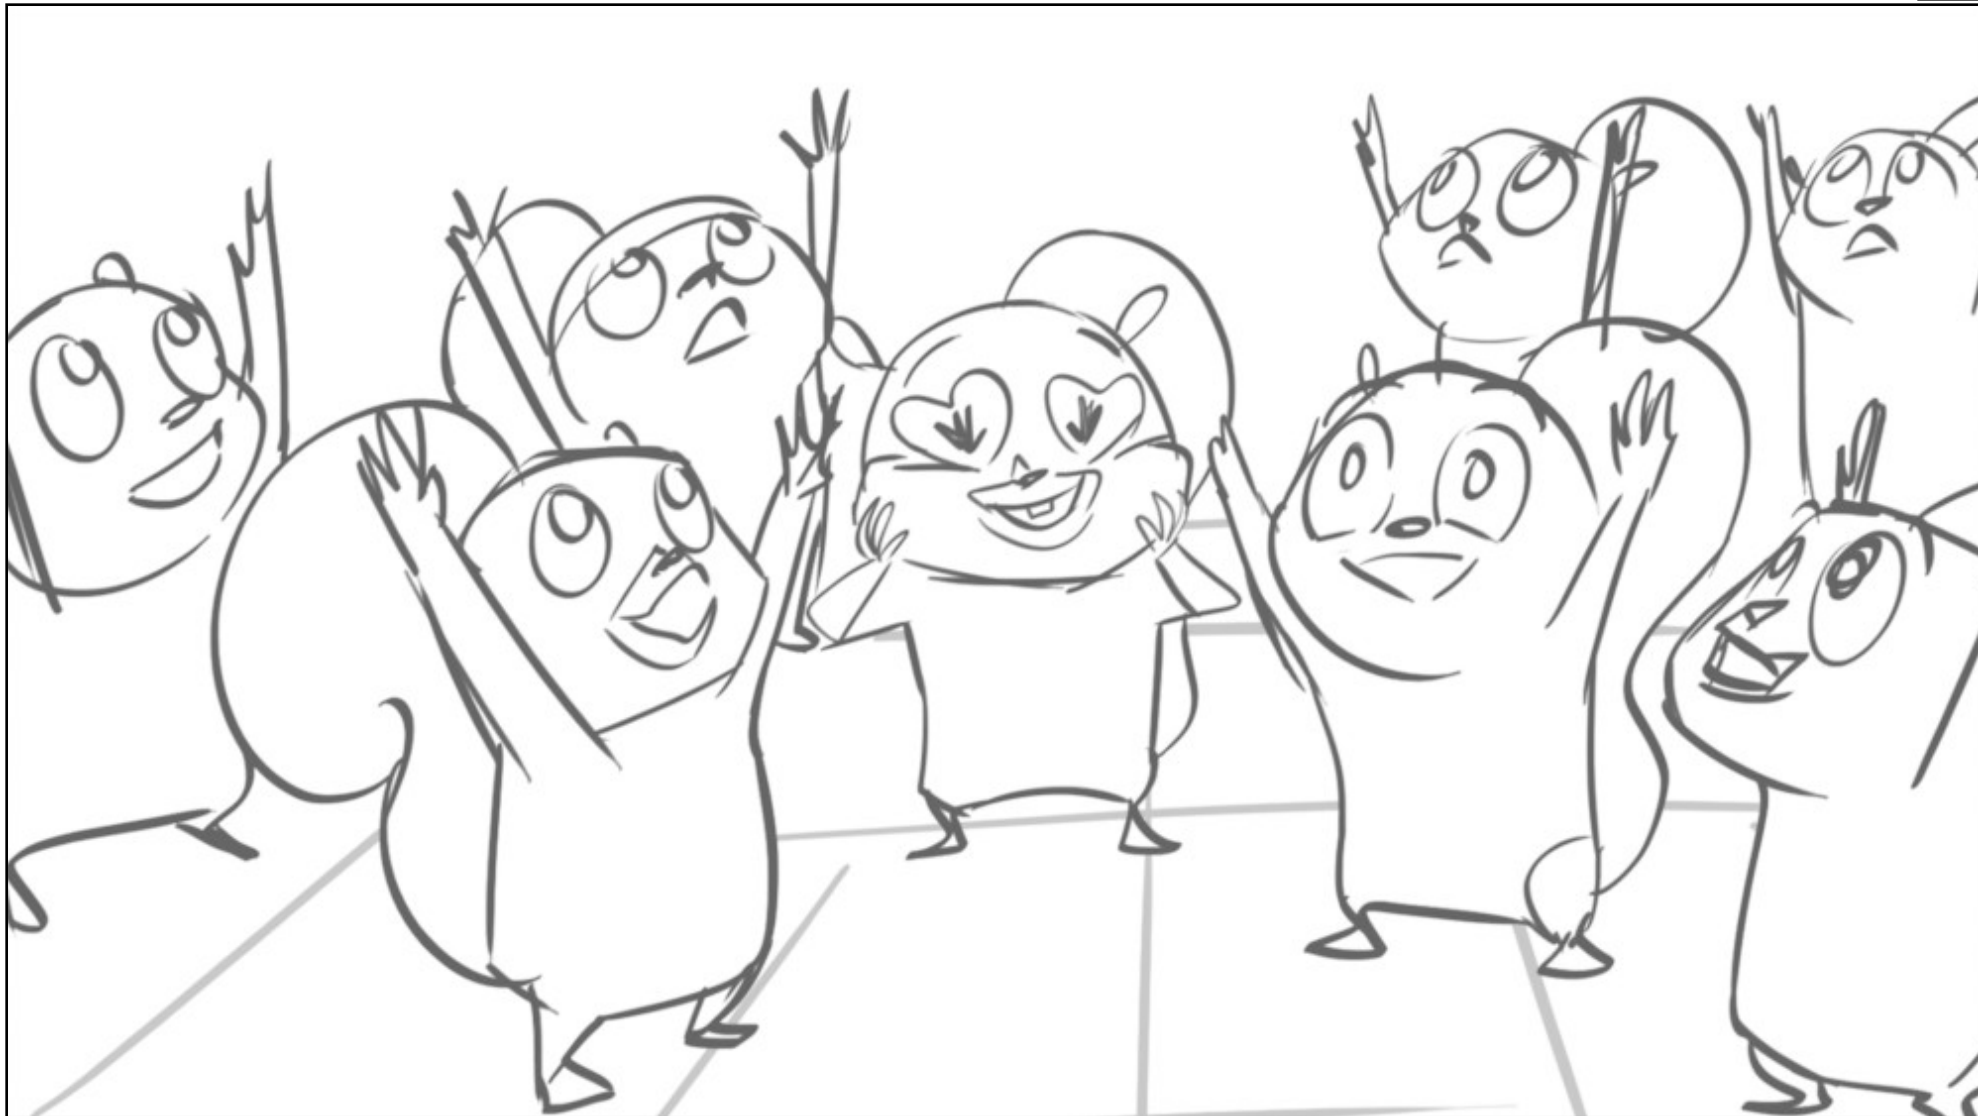

0146
and maybe even let us... kiss

166

0147
ALL THE MORTS
38 The feet!!!

167

0148
ALL THE MORTS
38 The feet!!!

168

0149

169

0150-2
So, we're gonna do it right?

170

0222

171

0151-2
Right. Okay, good choice

172

0223

173

0224

174

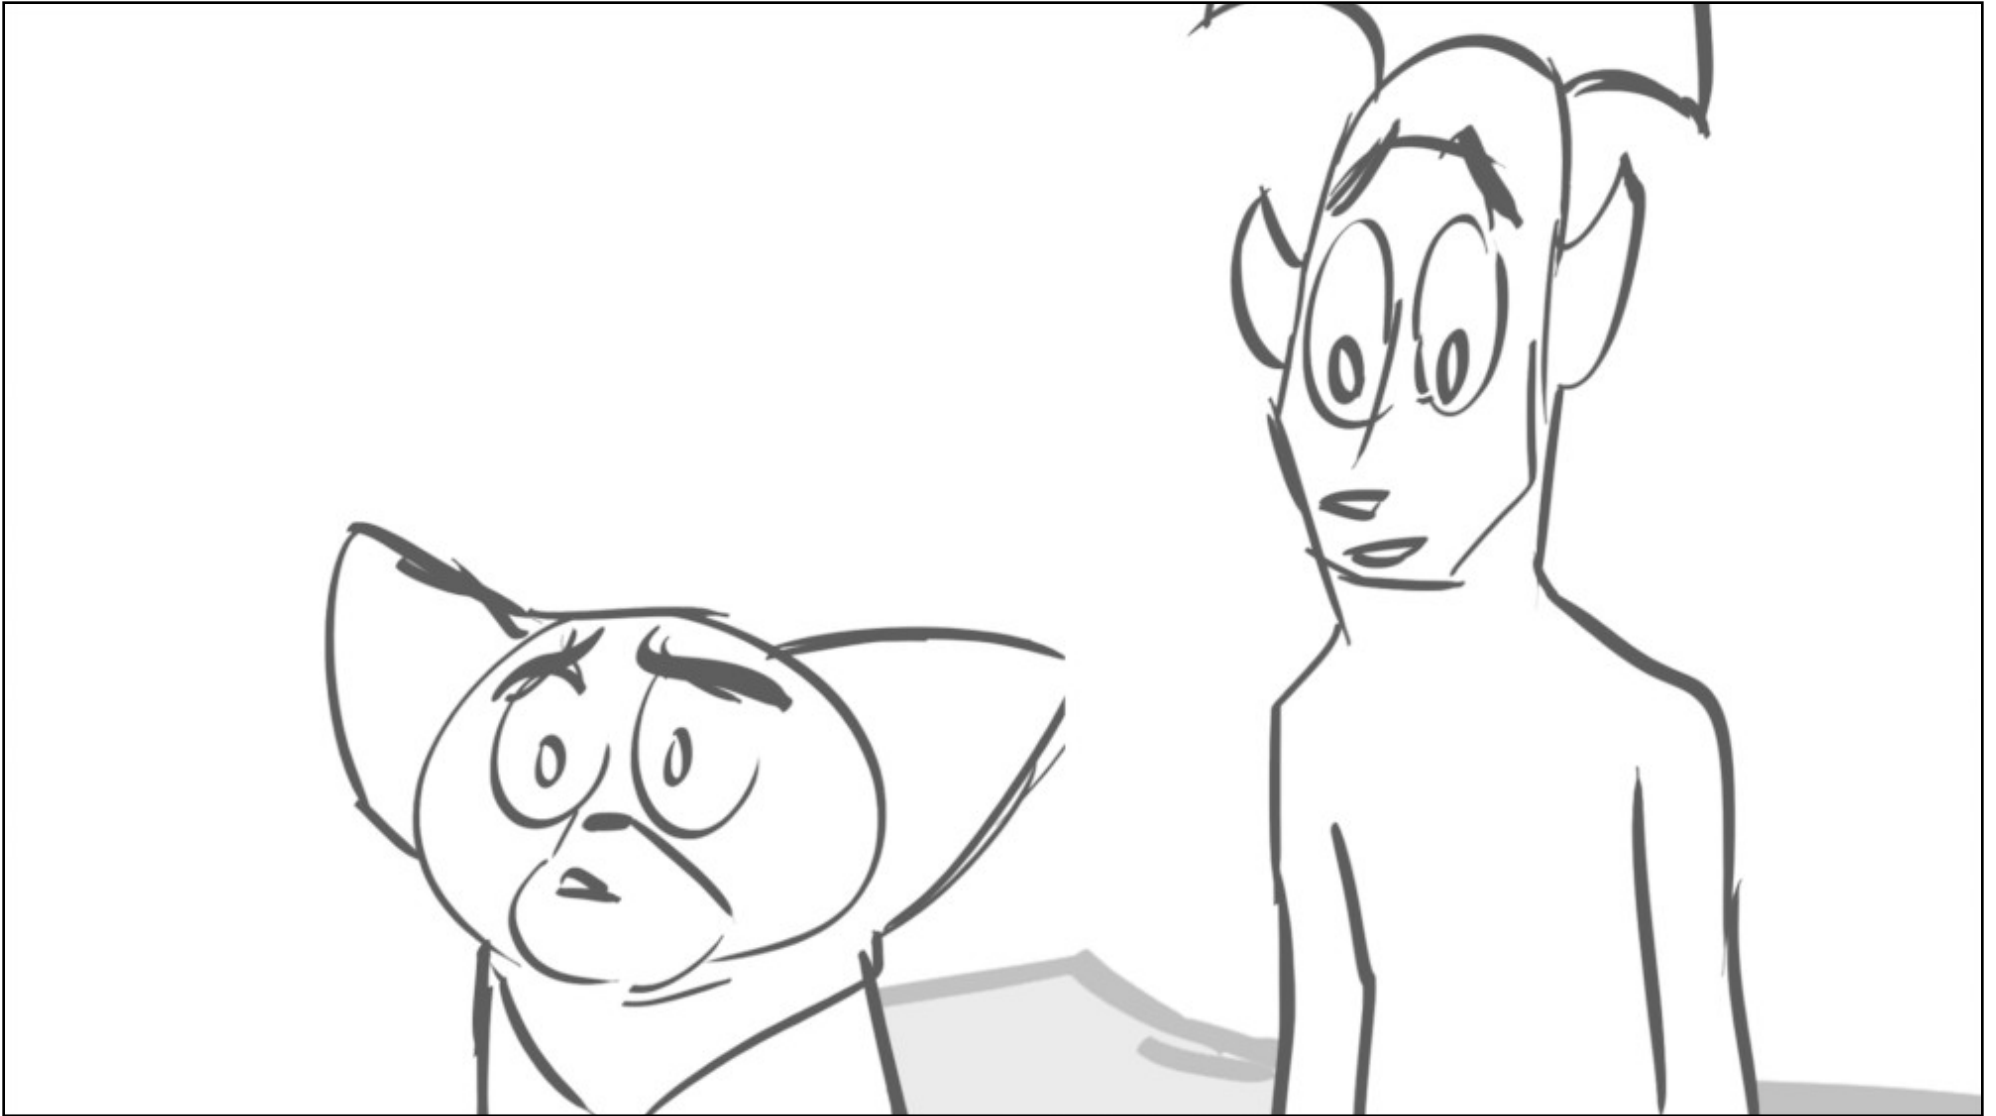

0152-2
everybody. Good lookin' out.

0161-2
We'll do it... I mean, I'll do it!
